17 September 2014

Dear Parents/Guardians

It has been a very busy and productive term. The Asian Studies focus on Indonesia has been an exciting aspect of the learning. All the students have enjoyed the sessions with Pauline Khoo and the staff had an afterschool professional development with Pauline that focused on Indonesian cuisine! Thank you to Jarod Ryan for organising the program.

Our sustainability leaders attended the Lead 2 Sustain Conference at Currawong Bush Park last week. This event was organised by Manningham Council and encourages our leaders to care for the environment. I was privileged to be able to sit in on a meeting at school with our sustainability leaders organised by Laurene O'Connor (Mother of Darcy Year 5 and Claire Year 3) with Linda Kenworthy, Waste Education Officer and Sarah Bond, Youth Sustainability Project Officer from Manningham Council. The students were very articulate in expressing their views on what we all can do to protect our environment. Linda and Sarah were very impressed with our students and their passion and commitment.

Last week was a very special time for all our Foundation students. They had their buddy book afternoon tea and fairy tale dress up day. Caitlin Wightman, Tamara Quilligan and Ashley Payet were spreading their magic around with this enthusiastic culmination to a busy Nursery Rhyme and Fairy Tale unit of work. The children will treasure the books their Year 6 buddies wrote for them.

Congratulations to all our students who attended the district athletics yesterday. We are very proud that Donburn won the event! Well done to Anna Papamichael, Jarod Ryan, Georgie Jorgensen and Sun Kurniawan for their contribution on the day! A fantastic effort! Also congratulations to the girls’ hockey team. They played off in the State Championships and are the third best team in the State! A great effort!

I have had correspondence from concerned parents regarding dropping off and picking up students around the school. Please take care and follow the road rules particularly ‘u’ turning and double parking. Our students are very precious and we all need to take care on the roads surrounding the school.

Thank you to everyone for your support this term. I feel very lucky to have had this opportunity and have enjoyed all the different facets of the role. Donburn is a fantastic school and it is all the students, staff and parents that make it a very special community! I look forward to handing over the reins to Kevin. I'm sure he will have lots of plans and ideas for Term 4.

I hope everyone has a safe, refreshing and relaxing holiday!

Regards ~

Julie
On Friday 12 September, Foundation enjoyed a spectacular day of fairy tale fun! We had a great time dressing up as characters from our favourite fairy tales and nursery rhymes. We also enjoyed a scrumptious lunch, indulging in an enormous spread of exciting treats and party food. It was a fantastic day and a great way to end a fabulous term of exploring different fairy tales and nursery rhymes.

I dressed up as Belle. I liked everyone’s costumes. They looked fabulous!

Chloe (FP)

I loved the party because it was fun! I liked dancing to the Disney music.

Ian (FQ)
Thank you to all of the parents and grandparents for taking the time to organise such magnificent costumes and prepare delicious treats to share. We are very grateful for your ongoing support.

We would also like to thank all who assisted on the day with setting up and supervising our fairy tale party. The day would not have run as smoothly as it did without your help.

Ashley Payet, Tamara Quilligan and Caitlin Wightman

---

Ariana (FQ)

I dressed up as Belle. I liked the fairy tale party because it was fun and we got to eat with all of our friends in Foundation.

Emily (FW)

I had fun dressing up as Tinkerbell. I enjoyed the party so much! The food was very yummy!

---

I dressed up as Superman. I had a great day!

Tyler (FW)

I liked having a party at lunch time. The food was so yummy!

Sebastian (FP)

I had fun dressing up as Tinkerbell.

Emily (FW)

I enjoyed the party so much! The food was very yummy!
On Friday 12th September, our Sustainability Leaders and School Captains had the privilege of attending the annual Lead 2 Sustain Conference held at Currawong Bush Park. It was an action packed day where we discovered new ways to act sustainably and gain more respect for the environment around us. Some of the activities included: Australian Animals, Race Around the World, Energy Wise, Build-a-Bug and Cultural Discovery. At the end of the day, each student had the opportunity to write down 4 pledges to help make our environment the best it can be. The pledges were scratched into small clay discs and will become part of a sculpture at Currawong Bush Park. Here are some of our favourite activities and pledges.

Today, I got to do 3 activities but my favourite one was called ‘Round Robin Hood.’ We had to run around the bush picking up litter to score points. I had a fun experience at Currawong. I pledge to take shorter showers.
Aryan 5T

Today, I enjoyed holding and patting the animals and insects. My favourite animal was the baby wallaby which was only 9 months old! I had a great experience and lots of fun. I pledge to never drop litter.
Kirsten 6H

I discovered that a lot of people that live in South Africa, don’t have access to clean drinking water. I also learnt about buying fair trade chocolate and how it helps the workers and the environment. I pledge to take shorter showers.
Tia 3C

My favourite activity today was seeing the Australian animals and having the chance to hold ‘Billy’ the blue tongue lizard. I pledge to take shorter showers. It was an awesome experience going to Currawong.
Billy 6H

My favourite activity included bikes, music, lights and a whole lot of bike powered energy. It was very satisfying and fun pedalling the bikes to create power to make electricity. I really enjoyed this interactive activity. I pledge to use electricity more efficiently.
James 6M
Today I discovered that even environmentally friendly soap can pollute our waterways. I also discovered that you can tell what an animal has been eating from it’s poo! I pledge to reduce the amount of energy I use.
Mitchell 5P

The best activity was the Australian Animals because I got to hold ‘Billy’ the blue tongue lizard. I also got to make a bird box for an endangered bird. I pledge to build a vegetable garden at home.
Ethan 6R

I enjoyed the cultural discovery, where we walked through the bush learning about bush food. We were told about Indigenous spirits and why a spirit’s name cannot be mentioned otherwise it becomes confused and can’t get to heaven.
Evelyn 5T

I really liked being able to engrave the clay tokens with symbols that represent ways to help the environment. I pledge to take shorter showers and to make compost at home. I loved going to Currawong.
Jacob 3M
Somers Camp

Interview!

1. Q: What did you think the camp would be like before you came?
   A: I thought it would be pretty much the same as it was.

2. Q: What was your first impression?
   A: My first impression was how big and green it was.

3. Q: What did you do on visitor’s day?
   A: We had a picnic, played basketball and cricket; we also went to the Coolart homestead/wetlands and we also went animal feeding in environmental studies.

4. Q: Do you have a favourite activity that you saw?
   A: Yes, the Flying Fox.

5. Q: If you could stay there would you?
   A: Yes I would but I would only stay for five days.

6. Q: What would you rate the camp out of 10?
   A: ⭐⭐⭐⭐⭐⭐⭐⭐⭐⭐

By Alexandra C
Hello my name is Natasha M. and I went to Somers Camp. I am going to tell you about some of the activities at camp. My favourite activity was E.S short for Environmental Studies. In the E.S room there were all sorts of animals like fish, lizards, frogs, birds, goats, guinea-pigs, turtles, and snakes. Some groups were lucky and got to choose if they wanted to hold a snake or not. I held the head of the snake. I thought the skin would feel like leather but it didn’t. I had fun holding the snake. The snake that I held was called James. Another fun activity was going down to the beach to look for some things like shells, sea sponges, sea glass and shark eggs. Sometimes there might be a baby shark in the shark egg. The staff can sometimes save the shark that is inside and then they put it with the others. In the E.S room and the barn we got to hold the guinea pigs and also feed the goats. On the second last day at Somers camp my group got to hold a turtle. You hold it just like a hamburger. Because if you did not hold the turtle like a hamburger, the turtle’s feet would scratch you.

I had a fantastic time at Somers camp and if you get to go, you are going to have the best fun also.

Editor's comment:

Natasha is a very talented photographer.
How did you feel sending your child away for 9 days?
I felt confident that she would have a good time. I knew I would miss her but I knew that she would be looked after and that she would have lots of exciting activities to do. I also knew that she had some friends from school going along which made her feel easier leaving us and that she would also be able to make a lot of new friends.

What did you think of the camp as an overall experience?
It’s a great camp site and there are lots of different things to do including Environmental Studies which consists of learning about the birds that live around there, the marine life and the surrounding coast as well as being able to look after guinea pigs and hold snakes. Environmental Studies is good as it is not available in regular schooling. There are also outdoor activities such as high ropes course and abseiling which are there to challenge you. The cabins looked comfortable and each has its own en-suite and they had to keep the rooms clean for the 9 days.

By Margaret P 6H
What did you like about Somers the most?
   “The Environment and how it is a very organised learning space.”

What was your first impression when you came on parents visiting weekend?
   “The beautiful surrounding bushland and natural environment. And the staff are very caring.”

What would you rate the camp out of 10? And why?
   “I give it a 10 out of 10 because firstly it has a great learning atmosphere. Secondly the great sports facility there and a large range of equipment. Thirdly the housing, they are kept very clean and they are convenient.”

What improvements do you think the camp could use?
   “More space for parents on the visiting weekend and have a café that opens for them.”

Nijad 6M and his Mum
Challenge Swing
I was one of the lucky grade 5/6’s to get a chance to go to Somers Camp for 9 days. At Somers there were many opportunities. One of the many opportunities was the Challenge swing. The Challenge swing was 18.5 meters high. When you get ready to go on the Challenge swing you put on a harness, helmet and sun glasses. On the Challenge swing you have the choice to go to the top or yell out stop. When you are up and ready to go down you pull the green rope. I had lots of fun at Somers. If you get the chance to go you should go because it is a lot of fun.
Sarah R 6R

High Ropes Course
One of the great activities at Somers Camp was the high ropes course. It was very exciting and breath taking. We had to do a practise of hooking on to the ropes and making sure we were safe. It was heaps of fun and I recommend it to all the year 4/5’s for next year.
Jono V 6R

Low Ropes
Low ropes were great! What happened was two people team up to do low ropes so one person would be doing one part of the low ropes and the other person would be spotting them. So if you did start falling, the spotter would start pushing you back up so you don’t fall over. When you get to the end of the low ropes you and your spotter would switch. My favourite part was the small flying fox.  Jonathan W 6R

Archery
One of the activities at Somers camp was Archery. We had two sessions of Archery, the first session was with wood stems on the arrows, and the second was with carbon fibre stems. On the target there was 1, 3, 5, 7 and 10, but there was also a star, triangle, square and moon. We all had at least 10 goes and we also played some games.
Hayden Fry 6R

Abseiling
Abseiling was a great activity, it was a great thriller for everyone. It was 15m high. We learnt a lot about different carabiner’s and how to attach them to ourselves. At the start, I was really nervous, but at the end I really enjoyed going down the tower and I thought it was awesome fun!
Taryne Vathakos 6R

Bike Ed
In Bike Ed we rode bikes and played around and had a lot of fun. But first we had to, choose our bike and put our helmets on, and then we did some exercises to test if the bike fitted us. Soon after that, went outside and did lots of activities for our balance and skills some of the activities were really hard. Then we did a race for who can be slowest! At last we went to BMX track near the corner of Somers and did couple of laps around the track. After we went back inside and put our bikes away with the helmets for other people to use, I really enjoyed Bike Ed although the lesson was really short.
Glen K

Group Activities
Hi my name is Nicole. I was lucky enough to get a chance to go to Somers Camp, along with thirteen other people from Donburn. I could tell you about lots and lots of activities, but I have chosen to talk about the group activities. In group activities, you do it with your whole group. First there is a giant spider web, we have to get past it without touching the web. Once one of the holes have been used you can’t use it twice. There is also a tyre you get past by going through the middle. There were a few others but my personal favourite was the bucket and the Tarzan Vine (which is a rope). You have to get everyone in your group and the bucket of water past without spilling any of the water out or falling in the lava. I had lots of fun and it was amazing I learned to trust the people in my group.
**Rock-Climbing**

One of my favourite activities was Rock-Climbing. It was really fun, but my favourite part was when we did Abseiling. Some parts were challenging and some parts were easy. The hardest part was the one where it went up then went outwards. The easiest part was the one we started on. I fell a few times on the really hard one but I eventually got to the top.

Ahmed E

**LIVE WELL WITH ASTHMA**

Parents & Carers please join us for this FREE one hour education session and learn all about your child’s:

- Asthma triggers, signs and symptoms
- Asthma medications and how to administer them properly
- What to do in an asthma emergency
- Asthma Action Plans
- Importance of spacers

**Date:** Monday 13th October  
**Time:** 6:00pm—7:00pm  
**Venue:** Doncaster Secondary College

**Presented by The Asthma Foundation of Victoria**

Bookings required through Trybooking; www.trybooking.com  
Or the link under Announcements on the Doncaster Secondary College website; www.doncastersc.vic.edu.au

This initiative is conducted as part of the Asthma Child and Adolescent Program supported by the Australian Government Department of Health.
Hi my name is Tarni

I was one of the lucky ten girls to go and represent Victoria in the Australia basketball championships in Townsville/ Queensland. It was a great experience and heaps of fun.

Over all we played eight games and won six. We ended up playing Queensland to make the grand final and we won by 31 points, that was probably my best game because I played my role and got lots of assists.

We also went round to different activities on our days off, like going to the army museum and things like that.

My favourite part was making some new friends from different states and being on the court. I was number 4 in the team so when they called out the names in the grand final I got to be the first one on the court which was pretty cool. We ended up losing the grand final against New South Wales, but we still got a silver medal.

Everyone was such a good sport and were still happy when we lost because we were all just proud to be able to make the state team.

I would like to say thank you for holding a sports day for me and raising money to make it possible for me to go away. I would also like to thank Miss Papamichael because without her I wouldn’t have even been able to trial for the team.

My main goal for when I am older would be to make the all Australian team and go to the Olympics and hold the flag.

By Tarni B
Something amazing that has happened to me was going to England for the World Championship in the International Cadet class.

I have been sailing for about one and a half years. I sail with Louis Schofield on a three meter boat called a Cadet. It has three sails, a jib, a main and a spinnaker. My job is to trim the jib (the front sail) and the spinnaker (the big colourful sail).

It was an unbelievably long flight but eventually we got to England. After spending 4 days in London and seeing all the icons like Big Ben and London Eye we caught a train to Weymouth for the sailing.

On the starting line the pressure was unbelievable. When the start gun went off all my nerves went away and we sailed our hearts out. It was very close but in the end Louis and I finished 14th and another Australian team came in 1st for the first time in 27 years. After celebrating all night we packed and went to our next stage of our trip in Warminster. After a great holiday it was time to go home.

A wonderful experience.

By Peter A
Throughout the term the Grade Sixes had been writing and illustrating a picture story book for their Foundation Buddies. It was a lot of hard work, but it was all worth it when we presented our picture story books to our Buddies and saw the smiles on their faces.

We enjoyed a lovely afternoon tea with our Foundation Buddies on Thursday the 11\textsuperscript{th} of September, where we had the opportunity to read the picture story books to our Buddies, while we enjoyed the delicious gingerbread men they made for the special occasion.

Overall, the Grade Sixes enjoyed the process of making the picture story books and we hope our Buddies will cherish the books forever.

By Steph B, Thomas S, Madi H, Eva B and Ashleigh B.
On the 11th of September, the Grade 5s went to East Doncaster Secondary College to experience the Year 7’s school life. Two Grade 5’s from Beverley Hills came as well.

We did a mixture of different subjects including Health, Science, English and P.E. 5T got to do Science and Health while the other class (5C) got to do English and PE. After the hard work during the subjects, we chilled out and ate pizza.

All in all, it was a great experience for everyone who went.

Lorraine and Luke

**SUSTAINABILITY WORKSHOP**

On Monday, the Sustainability leaders were lucky enough to have a workshop with Linda and Sarah from Manningham Council.

The workshop was sharing strategies about being more efficient with the amount of rubbish we produce at Donburn. We also discussed ways to save our water.

Everyone will hear more exciting news about our Sustainability competition at this Friday’s assembly.

Stephanie and Halim

**JAMES REPRESENTS DONBURN ON THE PROFESSIONAL STAGE**

Congratulations to James M in 6M who is currently performing in the Australian Ballet production of "The Nutcracker" at the State Theatre.

He has been busy rehearsing throughout the term and is performing in every 2nd show until the closing night on Thursday, the 27th of September.

Well done James!
SPORTS NEWS

Hockey 7’s
What a fantastic effort from our girls hockey team in reaching and competing in the State Hockey 7’s championships last Thursday. The girls displayed amazing skills and team work throughout the competition even though only one of the ten girls actually play hockey with a club outside of school.

The girls were undefeated, winning one match against St Pauls Anglican Grammar and drawing with Beaconsfield Upper PS, however, unfortunately due to percentage the girls missed out on the grand final.

The whole team (Margaret P, Tarni B, Eve E, Sacha K, Alicia H, Grace A, Maddie B, Natalie T, Alyssa P & Grace H) should be extremely proud of themselves and their performance. We can safely say they were the third best team in all of Victoria. I’d like to also acknowledge Alissa P and Hayley H who also played in the earlier rounds of the competition.

Finally, a huge thank you to the parents who supported the girls by transporting them to and from the grounds and for cheering the girls on during the matches.

Well done, girls!

Athletics
The annual athletics carnival was held last Monday at the Doncaster Athletics track. In perfect conditions, all grades 3 – 6 children competed in a variety of field, track and novelty events. Children earned house points and received ribbons for their magnificent efforts.

Final results for the day were: **Buffalo** 1598 points  
**Kosciuszko** 1387 points  
**Oberon** 1354 points  
**Hotham** 1310 points.

A big thank you to all the parents who came and helped on the day with measuring of events. It made the day more successful.

Based on performances and results from the House Athletics, fifty children were selected to represent our school in the District Athletics. In more difficult conditions than our House Athletics, **Donburn became the District Champions for the first time since 2009.** Every child from our school should be proud of their outstanding efforts. Twenty children have earned the right to compete next term on Thursday, 9 October in the Division Athletics Carnival at the Bill Sewart Athletics track.

Thank you to Mrs. Kurniawan for helping out the school team and to all the parents who cheered the team on.

Anna Papamichael
Students from Donburn Primary School received outstanding results when they participated in the International Competitions and Assessments for schools (ICAS) - **English**

**INSTRUMENTAL MUSIC NEWS**

Two of our students are taking the challenge of sitting an Australian Music Examination with the Board in October. Much work and preparation is needed and Margaret P and Kent P are both aiming to do their best across the next few weeks. I wish them all the best with their playing and efforts. All other instrumental students are progressing well and mid way across term 4 they will start preparing for their end of year class performances. I wish you all a happy and safe holiday. Any enquiries about the program can be made to Hedy France 0417 135 558

**P & F - Father’s Day Stall**

This year’s Father’s Day Stall was a great success.

Thank you to all the students who purchased gifts and to all the wonderful parent volunteers who assisted with running the stall over the two days.

Michelle Chryssafis 😊

**UNIFORM**

**RHSports** is the new contracted supplier of Donburn regulation uniform.

RHSports is located at Unit 14, 100 New Street, Ringwood—just a short walk from Target Square. Trading hours are 8.30 am—5 pm Monday-Friday. General enquiries 9870 1377 or email info@rhsports.com.au

**LOST PROPERTY**

There is an abundance of lost school clothing in the lost property area. Please check for any lost uniform prior to end of term.

A grey fleecy polo top and a scooter were left at the working bee. Both items can be collected from the office.

Support the Fireball!

The Fireball Cocktail Gala will honour our volunteer fire fighters and raise money for Warrandyte, South Warrandyte and North Warrandyte CFA Brigades.

Money raised will help fund a new fire tanker.

Donate. Buy tickets. Sponsor a fire’s ticket.

Bookings can be made at trybooking.com

Remember to ask friends and business contacts to sponsor with cash donations (tax deductible), items or services & ‘like’ and ‘share’ our Facebook page posts.

18th October, 7.00pm at Olivina Boutique Italian Winery

The Fireball is a cocktail gala event with gourmet cocktail food & wine, live music & dancing, auction items, prices & more! Tickets $120.
