Dear Parents

It has been a busy few weeks as you will see in the following pages. Judd, from Just Get Active work shopped the students in two large groups last week. The students thoroughly enjoyed the experience and it has inspired them in their daily practice.

The library is a busy place before and after school with the Book Fair, a wonderful selection of books available for purchasing. The author Andrew Tesoriero is continuing the work with the Year 5 students and we are all eager to see the final presentation at their book launch later in the term.

The Year 1 & 2 students have been furthering their study of Japan with visitors to their classrooms.

The Year 5 & 6 girls soccer team are in a district final today against Serpell PS. Good luck Girls!

The Foundation classes have been busy with Perceptual Motor Program (PMP) and Responsible Pet Ownership, a Victorian Government initiative about animal welfare.

Years 3 - 6 are enthusiastically rehearsing for the production. Tickets are available on line through Trybooking.

A letter was sent home late last week outlining the plans for the renovations of the school toilets. The school council are supporting this project and John Conte, (father of Jemma and Campbell) is organising the work. It will not be possible without the support from our community. If you are able to help please contact John (0413 288 425). John is planning to meet with volunteers prior and discuss days and times that will suit all.

Please welcome Shari Scholes-Miller to our Outside School Hours Care program with Camp Australia. Shari has joined the team as co ordinator.

RHSport, our uniform suppliers have just notified that they now have the on line option to purchase uniforms. The URL is http://rhsports.com.au/shop/product/apparel/school_wear/donburn_ps

Kind regards

The school community is very pleased that works are planned to commence on the toilet block over the term break.

If you have some energy to donate over the September school holidays, volunteers are eagerly sought to assist with the works of resurfacing the floor and painting etc. Please contact John on 0413 288 425. We are extremely grateful for John’s support in the coordination of the works.

Sustainability Subcommittee at Donburn
Hello everyone, the School Council Sustainability Subcommittee is convened by Lynette Hookey. The committee’s efforts continue to enhance the children’s awareness and application of sustainable living.

Vegetable planting has been one activity to engage the children’s awareness. Many of the vegetables had substantial growth over the holiday period.

Year 5 students engaged in an excursion to Currawong Bush Park. This provided the children with opportunities to investigate and learn about the environment and recycling.

We are very appreciative of the families and students who continue to care for the chickens. The chickens have started laying eggs again as we move into spring.

Please feel free to contact me.

Information for Parents

Camps, Sports & Excursions Fund (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:
• $125 for primary school students
• $225 for secondary school students.

How to Apply
Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Closing Date
Applications are open until the end of term three (18 September 2015).

On Tuesday 11 August, the Foundation students had a very special 4 legged visitor. Marli the greyhound and her owner, Eva came to teach us all about being a responsible pet owner. We learned what to do if we want to pat a pet we don’t know, and some safety advice for if we see an angry dog. We also learned lots of handy tips for looking after our own pets. It was such a great afternoon!

The aim of the program is to help the children understand that as Responsible Pet Owners they have a duty of care to protect the welfare of their animals and ensure their daily needs are met. Responsible owners make for happy pets, and this campaign will help Victorians be more aware of exactly what their animals need.
The Foundation students have started the Perceptual Motor Program (PMP) with great success!

They have enjoyed working on their fitness, strength, hand-eye coordination and balance through a series of fun games and activities.

We are very lucky to have help from some wonderful parents and Year 6 Leaders, and are thoroughly enjoying our PMP sessions in the gym!
Learning about life in Japan with Kathrin and Natalie

On Monday 10th August, the Year 1s and 2s were extremely fortunate to have Kathrin (mum of James in 2W and Hannah in 4B) and her friend, Natalie, come in to talk to us about life in Japan.

Natalie is currently visiting from Japan and she had lots of photos prepared for us of the 'shogakko' (primary school) her children attend and of where they live in Japan.

Kathrin teaches Japanese and we loved learning the greetings song and the 'guu choki paa' (rock, scissors, paper) song. It was great fun when the boys finished the song being sumo wrestlers and the girls were rabbits!! Have a read of these interesting things we found out about life in Japan.

We are very grateful to Kathrin and Natalie for giving up so much time to come in and share their knowledge with us. Thank you so much! Domo arigato gozaimashita!
Year 1 and 2 Japanese fun with Chie...

Chie came to teach all the Year 1 and 2 students about Japan. She showed us how to make an origami flipper. It was awesome!

We listened to the Very Hungry Caterpillar in Japanese. It sounded very strange to us. We learnt how to say 月曜日 Getsuyōbi (Monday).

Chie told us how to play じゃんけんぽん (janken pon)

グー (guh) Rock

チョッキー (choki) scissor

パー (pah) paper!

We all really enjoyed Sensei Chie visiting our classes. She taught us lots of Japanese greetings and words. Our favourite thing was making origami flickers. We had a really fun time. Thank you Sensei Chie!
There was a buzz of excitement on Tuesday August 4, as all the Donburn students made their way to the hall. They were all looking forward to doing a fitness session with Judd from Just Get Active. He took all the students through the activities they participate in on a daily basis and discussed the need for healthy bodies and healthy minds.

We thought it was great to see Judd teaching us in real life instead of on the screen. We learnt that the more you stay fit the healthier you are. We loved exercising with him.

Chloe and Jamieson (1R)

We learnt a new exercise. We had to cross our feet while jumping and our arm were also crossing in front and behind our bodies. It was really hard to get our arms and feet working together at the same time.

Sophie and Luke (2T)

We liked being up the front and copying Judd. The frog stretch is hard to do as you have to get your knees on the floor. Sometimes it hurts your legs.

Asher and Ariana (1D)

Our favourite parts were doing high planks and Mindfulness. With high planks you have to be straight like a plank. When you do Mindfulness you have to close your eyes, stay still and relax.

Caley and Joe (1T)

We were really looking forward to meeting Judd in person as we love doing Just Get Active. When we do the strengthening exercises we find the squats really challenging. On the Tuesday Judd made us hold the squat and it really hurt your legs. We look forward to seeing Judd next time.

Message from Chomp n Chew

Hi everyone. The Chomp n Chew team want to send out an enormous THANKYOU to all the parents and students who participated in last terms Chomp n Chew - we think it was the most successful ever!

We would like to take this opportunity to acknowledge all the students and parents -

1. for getting their orders in on time
   - It made the lead-up to the actual day much less stressful and the actual day was far more organised

2. for the overwhelming number of parent helpers who turned up on the day!
   - So many hands indeed made light work - most people only needed to stay for a couple of hours

3. for the masses of offers for cooking honey joys.
   - We had so many offers we actually had to turn some of you down!

It is so lovely to be a part of a school community who band together and help when it’s needed, so thankyou again and we look forward to similarly successful upcoming Chomp n Chews
