Dear Parents

Donburn has a very supportive and caring community. This was apparent this week with the enthusiastic group of parents meeting last Thursday night volunteering their time and skills to refurbish the toilets. The fantastic raffle and cake stall organised by Tammy Muller and the P&F. There was extra help needed in the canteen and meals have been sent to a family needing support during a very difficult time. This help happens very quietly and efficiently and without any fuss. It is truly inspirational! (There is another cake stall this Friday from 3.00 pm – 4.00 pm)

Jenny Turpin, a retired principal colleague who has been working this term at Donburn in a support role finished last week and spoke to the staff reflecting on the collegiate support and commitment of our team, remarking that this is a very special feature of our community. Jenny was very impressed with the commitment of the parent community and the enthusiasm behind people wanting to make a difference at our school for the benefit of all our students.

In the last fortnight we have had a very busy time and you will see evidence in the newsletter.

We have greatly appreciated the work of Chie Seward (Mother of Marina 4B and Leo 2T). Chie has worked throughout the school with the unit on Japan.

We had the very successful Daffodil Day fundraiser and the delightful Grandparents’ Day in Year 1. Thank you to Fay Davidson and the Junior School Council for organising the Daffodil Day and the Year 1 team for planning the Grandparents’ Day.

The year 3 students had a great day at the Melbourne Museum as part of their history unit.

We had a fabulous Book Week dress up day and parade. Congratulations to our library teachers, Andrea and Beth for organising this day. Also thank you to Beth Mclnnes for donating all the book prizes. A very generous donation.

The Father’s Day stall was another excellent fund raiser, thank you Michelle Chryssafis and the team from the Parents and Friends. I’m sure all the dad’s enjoyed being spoilt last Sunday!

The Years 3 – 6 students are currently trying to get through the House Athletics. Brendan Murphy has spent many hours planning and preparing for this event but unfortunately the weather is working against us!! The District athletics sports is next Tuesday September 15 2015.
The results of our International Competition and Assessments for Schools (ICAS) tests in writing and spelling have arrived. Congratulations to all students who participated especially:

Thank you to everyone who responded to our survey about the production. We value your feedback and are still analysing the results.

Don’t forget that Friday September 18 will be a pupil free day. The staff will be working with Greg Purcell, the author of Maths Plus the maths text book used throughout the school.

Thank you to everyone in the community- parents, students and staff for their support this term. It has been a very busy term and a lot has been achieved.

I hope everyone has a relaxing and restful holiday. A chance to recharge their batteries ready for a challenging Term 4.

Kind regards

Julie

CAMPS, SPORTS AND EXCURSION FUND

Are you a holder of a Centrelink Pension Card or a Healthcare Card or are you a Foster Parent or do you receive a Veterans Affairs Pension? If so, you may be eligible for funding under the CSEF.

If you have already applied for assistance under this initiative, you need not reapply. This is for parents who may have missed putting in an application last term.

The CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession care or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student will be $125.00 for primary school students.

How to Apply

Please contact the school office to obtain a CSEF application form or download a copy from our school website: http://www.donburn.vic.edu.au/forms.html

Hello Donburn community,

I would like to take this opportunity to say a heartfelt thank you to everyone who has sent messages of comfort at this difficult time.

Also thank you to everyone who stepped in and helped out in canteen the last few days. It really was great to know that canteen was operating which allowed me to concentrate on my father and his care and later funeral.

Thank you so much,
Love and kisses to you all.

On Thursday 27th August, Year 1 students invited their grandparents or special friends to visit our school and classrooms. The students performed a very special song called “Grandma, Grandpa” and danced for their visitors. They also invited their visitors up for a dance.

The students spent time with their grandparents and special friends in the classrooms where they shared their favourite story books and presented their visitors with a special gift.

It was wonderful to see all the students spending time with their visitors.
Last week we went to the Melbourne Museum as part of our History topic for this term. It was a fantastic opportunity for us to learn about how Melbourne has changed over time, and what games and toys we play with as compared to what children played with well over a hundred years ago.

*Did you know that Spinning Tops were used to entertain children?*
Erica V—3C

*Did you know that the first footballs were made out of possum skin? It was quite light, as inside the ball was dried grass.*
Majed—3C

*Did you know that instead of using knitting needles, children used a “Knitting Nancy”? A “Knitting Nancy” is a U-shaped metal instrument to knit wool, similar to loom bands.*
Rebecca R—3C

*Did you know that a wooden board game called Nine Men’s Morris was created for strategy. It is similar to Chinese Checkers.*
Ewan, Oliver P & Xander—3C

*Did you know that Lego was originally made out of wood?*

*Did you know that original cameras could only take one photo at a time because you needed to change the film each time you wanted to take a photo.*

During Term 3, Donburn have been lucky enough to have Sensei Chie (mum of Marina 4B and Leo 2T) visit and teach us about Japan and the Japanese culture. Some of the things that the students have created (thanks to Sensei Chie) have been Ikebana (the art of flower arrangement) and Origami. Sensei Chie has also taught us about meditation and many Japanese words.

As you can see below, the students have really enjoyed participating in these activities.

Arigatou (thankyou) Sensei Chie for taking the time to visit Donburn and teaching us about Japan and the Japanese culture.

On August 24th and 25, I went to represent the school at the Victorian Interschools Snow Sports Championships for alpine skiing at Mt. Buller. I competed in the Moguls and Giant Slalom events in Division 4 for Grade 5 and 6 boys. I came 99th out of 200 in the Giant Slalom and 68th out of 106 in Moguls.

There were tons of schools from all over state represented and over 6000 students competing in skiing, cross country and snowboard events.

The top 15 place getters in each event go on to compete in the Australian Interschool Championships this week.

Overall it was great fun and I’m really proud of myself for what I’ve achieved in my first Interschools Championship.

DONBURN BASKETBALL

NEW BASKETBALL TEAMS FOR 2016

It's a great time for the Preps and other grades to start thinking about if they want to create a team for next year, even get a few training sessions in before the start of the season next year.

To start a Basketball Team for the 2016 Summer Season -

- Have a chat with the parents in your year level to round up 7 or 8 Players.
- Nominate 1 parent to Coach and 1 parent to be Team Manager.
- Contact the Committee and complete registration forms (located at the office).
- Give your team a name.
- Choose a training time.

COMMITTEE MEMBERS NEEDED

The current committee are unable to continue in 2016 and therefore need volunteers to take over the Secretary, Treasurer and Uniforms positions.

School basketball does not exist without the help of parent volunteers, so please think about how much the kids love it and the skills and lessons they learn from being a part of the sport.

These roles are not difficult, nor take up a lot of time.

We have had a great year being involved in the school community, and have really enjoyed being a part of something that the kids love. If you are interested in any of these positions or have any questions please contact the outgoing committee.

For any questions about registering new teams, please contact the committee.

For all enquiries, please contact us on the numbers below:
