Dear Parents and Guardians

It has been a very busy past few weeks with the camps. I would like to thank Lynette Hookey for leading the Year 5/6 camp to Phillip Island and Robyn Fraser for leading the Year 3/4 camp to Arrabri Lodge. Also a big thank you to the team of staff and parents who attended the Year 5/6 camp - Amy Thompson, Michael Todd, Evan Terry-Whyte, Chris Kovits, Grant Puglia, Sally Pittendrigh, Roxy Antonacci, Joe D’Intini, Brendan Renehan, Graham Watts, Lisa Barbarossa, Julia Rana and Kirsten Fry.

And a big thank you to the team of staff and parents who attended the Year 3/4 camp - Marina Redmile, Anna Papamichael, Amanda Wilson, Jeremiah Juric, Lauren Maher, Kris Pepper, Wes Minster, Rosita Scott, Nicole Aalders, Cathy Edwards, Monika Thomson, Steven Vlahos, Michael Healy, Maria Dugan, Viv Hau, Allan Hau, Roxy Antonacci, Danni Bayes, Ben Nutbeam, Adi Garcia and Kathrin Edwards.

As you can see it takes a lot of man power to organise and run the camps and we are very lucky to have such a committed team of parents and staff who work tirelessly to make a happy and safe experience for all our students.

Next week is Education Week and I’m sure you have seen our publicity boards located in Blackburn Road. Thank you to Andrea Perrin and Caitlyn Green for helping to organise the boards and also thank you to our smiling and happy students Xavier and Jacinta (Year 1). We have our open day on Monday May 16 with a presentation in the staffroom at 12 noon. If you know of anyone interested in enrolling their children for 2017 please invite them along. We will have tours throughout the day.

We have a Parent Evening with Maths Consultant Rob Vingerhoets on Thursday evening next week. Rob is an engaging speaker and expert in the teaching of Maths. All parents are encouraged to attend this evening. More information in the Newsletter.

Don’t forget the working bee on Sunday from 9.00 am – 12 noon. It will be a tidying up and spring clean around the school to prepare for Education Week.

Kind regards

Julie
State Schools’ Relief
Prep CSEF uniform support

Fact sheet for parents

Program background
As part of the Victorian Government’s Affordable Uniform Program, every Prep government school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform pack voucher. Each year, State Schools’ Relief (SSR) provides tens of thousands of children with school clothing, shoes and other essential items. For the first time SSR has received government funding so that it can help more families needing financial assistance, and ensure no one is left behind.

Eligibility requirements for CSEF can be found at www.education.vic.gov.au/csef

What uniform support is provided?
SSR will provide:
- A basic windcheater and tracksuit pants
  OR one of the following
- A bomber jacket, rugby top, hoodie or zip jacket

How can parents apply for the uniform?
Parents must apply for CSEF by the closing date listed at www.education.vic.gov.au/csef before they approach the school to apply. Primary schools are required to make applications on behalf of parents at www.ssr.net.au/schools.

Once approved, the voucher will be dispatched electronically to the school, uniform shop or uniform supplier. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).

What if parents have already purchased their child’s uniforms?
Eligible parents who have already purchased their child’s uniforms for the year can select items of a larger size from the retailer.

Can parents who are ineligible for CSEF or, who have children in other year levels receive assistance from SSR?
Yes. Applications for parents requiring financial assistance for uniforms, text books or shoes are encouraged via the regular SSR services – www.ssr.net.au/schools. SSR only responds to requests from schools (not from parents directly). Parents are encouraged to talk to their school principal, assistant principal or student welfare coordinator about their situation and they will assess their eligibility.

Terms and conditions
- Only CSEF recipients are eligible for the uniform packs.
- Each student is eligible for a single uniform pack.
- A voucher is dispatched electronically to the school, uniform shop or uniform supplier on approval. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).
- The order is valid for 45 days from date of issue.
- Once expired, a new application must be lodged.
- Expired vouchers cannot be redeemed.
- Each voucher specifies the individual items funded by SSR.
- No change to the items can be made unless through the school.
- Changes made in store will not be honoured by SSR.
- The maximum voucher value is $57 and any short fall will not be covered by SSR.
- The value of the voucher is a maximum value rather than an entitled amount. Should the value of the item be less than $57 the difference will not be credit towards other items.

Parents Maths Night
Donburn Primary School
Thursday 19 May 2016 at 7.00 pm

Presenter: Rob Vingerhoets

Rob is a specialist mathematics consultant who has been working with the staff at Donburn.

He is an experienced teacher and author, having written a number of best-selling maths resource books and numerous articles.

Rob is an enthusiastic and entertaining presenter who has a clear and practical approach to the challenges that confront schools and parents in mathematics.

Rob is a popular and engaging presenter of hands-on and engaging maths ideas and practices to teachers and students in Catholic, State and Independent schools over many years and he essentially believes and teaches by his credo that "maths doesn't have to hurt". Rob works with students, teachers, administration and parents within individual and clusters of schools.

This will be a worthwhile evening to all parents that will help you understand the focus of mathematics in schools today and offer strategies and ideas to help you support your young mathematicians.

I look forward to working with you on this evening.

Regards

Canoeing

On the 5/6 camp, we went canoeing on an Australian shaped lake. It was so much fun! We canoed in pairs and at the end of the activity there was a race. We had to race against other canoes and if we won, we got a treat! Canoeing was challenging because if you and a partner didn’t paddle well, you would end up going around and around in circles. Luckily the teacher gave us a safety lesson, so we were professionals by the time we got our canoes into the water. Canoeing was so much fun. It was awesome!

Jemma, Alannah, Ella, Mia, Tara, Lily and Kali

Duty Groups

At camp we all had a turn to set up the tables for breakfast, lunch or dinner. We laid a plate and cup in front of every seat. We had to wipe the tables with cloths after each meal, which was pretty gross at times, but somehow we managed to have fun while doing it. Doing duty groups was a little hard but thinking of how we were helping the kitchen staff made our jobs easier. We had to be careful not to drop the plates or glasses. The kitchen staff thought we did a great job and that cheered us on.

Beach and Pelicans

On the way to Phillip Island Adventure Resort we stopped at San Remo beach to eat snack. We also found lots of crabs, both big and small, under the rocks as well as starfish. We watched a lady feeding the majestic pelicans. The pelicans were fighting over the smelly fish. After that we saw 2 stingrays and lots of seagulls and one of them only had one leg. The beach had lots of interesting and amazing creatures. We would certainly recommend for other schools to visit San Remo beach.

Alex E, Bobby, Zach, Aaron, Jacob Rus, Brendan, Andrew

Archery

At Phillip Island Adventure Resort Camp there were a lot of activities but we really enjoyed Archery. Archery was with Mr Terry-Whyte and there were different distances to shoot from. There was 6m, 8m, 10m and 12m. We used real bow and real arrows. We wore this blue band on our forearm to protect our arm from the string hitting it. We wore it on our less dominate hand. When we were shooting we had to pull the bow right behind our ear to get a good shot. We were aiming for the middle of the target called the Bullseye! Everyone had three arrows to shoot each time we had a turn. We really enjoyed having the experience of using a real Archery bow and arrow. Most people were able to get it into the yellow circle which is pretty close to the bullseye. We all had so much fun doing Archery!

Photo Hunt

In the Photo Hunt we split up into groups of 3 or 4. Each group had a booklet of pictures and we had to find the things that were in the booklet. When we found them we wrote where the pictures were located on a piece of paper. The Photo Hunt was great fun!

Teodora, Caitlin, Asharni, Jospeh, Jonah, Diconey

Initiative Course

At the Adventure Resort at Phillip Island there were many activities. One of them was the Initiatives course. At the Initiatives course we all had to work together as a team to complete the obstacles. We were timed on every obstacle. We didn’t do very well but it was still fun! Most of the obstacles included balancing. One of the obstacles was trying to balance on a piece of rope without anything to hold on to. We had lots of fun on the Initiatives Course.

Charli, Sophie, Kiara, Jessica, Ella, Shann

Raft building

One of the activities was raft building. We had to build a raft with supplied resources, such as pipes, wood and rope. We had to be split into 2 groups, boys and girls. We had to race the raft to the orange buoy and back to land without sinking. You had 15 minutes to build the raft with the supplies. Once you got back you had to untie and disband the raft to finish. You had to cooperate with your team mates. The instructor taught some valuable rope tying skills. We learnt to appreciate life and we learnt team work. It was a fun and valuable activity and it was arguably one of the best activities at camp.

Luke, Jacob, Will, Arthur, Joe, Kaleb, Ethan

Twin Flying Fox

Jumping off the platform was nerve-wracking and you felt like you were going to fall off it. The view was amazing of the camp. At the start we had to choose partners, then we got harnessed so we could be attached to the rope that took us down the Flying Fox. On it you could race your partner or you could hold hands. After you got off the Flying Fox you had to run back up the hill with the rope. It was really heavy. It was fun watching people fly over us and to see how fast they could go.

Photo Hunt
Disc Golf

At Disc Golf you were given a sack that contained three discs, which were numbered 1 to 3. The first disc was thrown and you tried to get it as close to the target as you could, which was a metal basket with a number on it. If you didn’t make the target the first time, you would then use the second disc and then the third disc to try and land it in the metal basket.

Teodora, Caitlin, Asharni, Jospeh, Jonah, Diconey

Camp Cooking

We made delicious pancakes. The ingredients we used were flour, egg, milk and we had a choice to add bananas. We scooped up the batter with a ladle and poured it on the BBQ. We were able to flip our own pancakes and place it on our plate. We had a variety of toppings to choose from such as sugar, honey, jam, butter and extra banana slices. Overall we enjoyed the whole process of making and eating our scrumptious pancakes.

Natalie, Jieh Ni, Saman, Orlando, Anson

Giant Swing

Exciting, amazing, absolutely, entertaining are the words that describe the Giant Swing. Let’s get clipped on, pulled to the top, ready to swing into action. Most people had the best time ever. Once you pull the rope to the swing, the fun begins!

“My heart started pounding as soon as I got into the harness. It felt like my heart stopped beating!” exclaimed Ann.

“IT felt like I was flying in mid-air like Superman,” said Eleanor.

“I was screaming for dear life!” screamed Leah.

“The wind was whistling through my ears,” Michael exclaimed.

“I loved every minute of it!” said Sera.

Leah, Michael, Heidi, Ann, Samantha, Eleanor and Sera

Disco and Movie Night

Every Year 5/6 went to the disco to dance to some music. The music was very entertaining. It was a heap of fun dancing to the hit song Whip/Nae Nae, nearly everyone danced the moves. Grant was a great DJ and played many great songs including: Work, Shake it off, Love Yourself and Bills. Mr K sang a Prince song.

The movie we watched was The Emperor’s New Groove. Before the movie we got into our pyjamas and took our pillows to the movie. The movie was a cartoon and it was funny. During the movie people were very tired and went to their cabin to sleep.

Jacob B, Jacob Red, Harrison, Samuel, Harry, James, Zac P
The Night Walk/Music with Grant
Firstly we got split in to 2 groups. The first group went for a night walk with Mr K and we saw a rabbit. We sat in a circle and did mindfulness and looked at the stars. The second group had fun with Grant and Mr TW singing and dancing to some songs. Then we swapped so we all got to do both activities. We had lots of fun.

Indigo, Niki, Manisha, Eva, Kitty, Diana

Low Ropes
At camp we participated in the Low Ropes course. There were some challenging obstacles such as the log spin. There was a rope on a log and you had to get it from one platform to the other. Amazingly, Phoebe in Year 5 got it in just 3.69 seconds. Before we went on the actual course, we climbed on the boulder wall. The boulder wall was really challenging as a lot of rocks were moving and the gaps were huge. Some of the obstacles were criss cross, leopard crawl, tiny flying fox and many more. The low ropes course was HEAPS of fun and challenged us at the same time! We all wish we could do it again.

Donburn’s Got Talent
It was the second night of camp for the Year 5’s and 6’s. It was the night of Donburn’s Got Talent. We went into the recreation room to watch all of the acts. They were very interesting and entertaining for everyone to watch. There were 3 judges to critique all of the performances. The judges were the lovely Miss Thompson, the brilliant Brendan and harsh judge Joe. First place was Kali, singing Castle on a Cloud. Equal second was Jess singing Rockin Rosie and Ashley squared and friends dancing to a mash up. Third place was Indigo playing Smoke on the Water with her guitar. It was a very enjoyable night for everyone in the audience, especially with the hot chocolate at the end.

Gemma, Charlotte, Ruby, Lara, Mikayla, Adele
Free time/Cabins

In our free time we were playing footy, tennis, basketball and table tennis. It was very fun and exciting. When we weren’t doing any of those things we were in our cabins cleaning and having fun. We had cabin inspections by Mr Terry-Whyte and Mr K. We would have to clean our cabins and get ready for the next day. If you won the room inspection you would win a prize which was chocolate or lollies.

Nic, Michael, Eric, Alex, Brodie

Team Rescue

One of our favourite activities on camp was Team Rescue. Our objective was to travel across a series of wooden obstacles, whilst carrying a mannequin on a stretcher. The challenge: we weren’t allowed to touch the ground. Our whole team had to reach the other side, along with 3 timber planks (all different lengths), 2 ropes and the mannequin who was named Donna. Each obstacle we passed was a different level of difficulty. At some points there were gaps we had to jump, except some were too large and that’s where the wooden planks came in. We used the planks to get across the tough gaps. Our favourite obstacle in the course was the manual swing/flying fox at the end. Each and every person had to get across, including Donna and her stretcher. Overall is was a really interesting, team building experience.

Jaimee, Tiana, Elise, Hannah, Marina, Elina, Mikayla G

Ball Games

We played many different games such as footy, soccer, French cricket, tennis, basketball and cricket. Mr Terry-Whyte was managing the ball games. It was different from the other activities as you got to choose from many different games.

We rated it out of ten:

Anthony, Erfan, Gabriel
27 April, Emma Hopkins and I were fortunate enough to attend an eSmart refresher morning. This morning was an excellent way to re-familiarise ourselves with the wealth of materials and resources at our disposal in our quest to become eSmart. We can also celebrate that we are further on our journey than we initially thought. Melanie Giles, eSmart guru will also visit us on May 18 to assist us further with the eSmart process.

Best regards,
Robyn Fraser

Parent Alert: 5 Dangers for Children On Instagram

1. **Sharing personal information**
   Many times Children give away personal information that should not be shared. The Profile section on Instagram makes your child vulnerable to listing their first and last name, birthday, gender, phone number, and email address.

2. **Instagram privacy settings**
   All information begins as viewable by the public unless you change the settings to private. This way their profile information is concealed from strangers.

3. **The accessibility of Instagram.**
   Instagram is available via the iPod, iPad, iPhone, or Android phone. Many parents have been surprised to learn their child, under the age of thirteen, had a secret Instagram account they were accessing from their iPod.

4. **Location Sharing**
   Make sure your child is not revealing their location on their photos. By sharing their location, they are letting all of their Instagram ‘followers’ know exactly where they are when they post a photo online. You can turn off geo-tagging in the settings under Location Services.

5. **Instagram is another social platform.**
   Children have the option to ‘follow’ other Instagram users in the ‘Popular’ section. This is one of the ways they can come in contact with strangers. Always check their friend’s list to make sure you know the people they are communicating with.

This year’s Mother’s Day Stall was a great success and we hope you were all very spoiled on your special day! A big thank you to all the wonderful mums who so kindly volunteered their time to assist with setting up, running & helping the students with selections and packing up the stall. This event wouldn’t have been possible without you!

It was a terrific to see so many excited faces selecting gifts for the special female role models in their life.

Cadbury Fundraiser

We will be handing out the chocolates this Friday 13th May. If you are able to help with handing them out then please meet in the staffroom after drop off at 9am. This normally takes 1 hour - we will be finished by 10am. The more volunteers the quicker we can get it done.

5 CENT CHALLENGE

Well the time has come to start bringing in your 5 cent pieces for the schools 5 cent challenge.

Each class will be given a container clearly labelled and then you will be ready to collect your 5 cents.

The aim is to be the class which has collected the most money between now and Friday 26th August 2016 (Term 3).

The class that raises the most money will win a class party including Ice Cream and a Movie.

Remember to look everywhere for those tiny little 5 cent piece that everyone seems to forget about. They fall under couch cushions, gather in the console of a car, your pockets and even sometimes when walking you might see one.

Every coin counts and will all add up in the end.

Have fun and good luck.
WALK SAFELY TO SCHOOL DAY
FRIDAY 20 MAY, 2016

We are encouraging all students at Donburn and their carers to walk to school safely on this day.

ACTIVE KIDS ARE HEALTHY KIDS

It's fun
you can meet your friends and see things you would miss while travelling in the car.

It's good for the environment
less noise and carbon pollution

It's healthier
great exercise

TIPS
Always hold an adult's hand when crossing the road.
Walk don't run.

If you live too far from school to walk, ask your parents to park the car 2 blocks further away than usual and walk to school together.

If you can be ready early, you and your parents can join a group of teachers walking safely to school (weather permitting).

On Friday May 20, teachers will meet students at 8.30 am:

GROUP 1 - outside the newsagent at Tunstall Square
OR
GROUP 2 - at the Edge Church on the corner of Woodhouse/Blackburn Rds, East Doncaster.

Let's walk to school together.
Come and join us!
ALWAYS WALK TO SCHOOL SAFELY!
