Dear Parents and Guardians

I am pleased to announce that Jarod Ryan has been appointed as acting Assistant Principal for Term 3 and 4. Jarod will commence at Donburn on Monday July 18.

I am looking forward to meeting with families at the planned morning teas (as listed in the Calendar of Events above). This will be a great opportunity to discuss any ideas you have for Donburn and to meet Jarod. The morning teas will be held in the staffroom each Monday at 9.00am.

The reports will come home today and the portfolios of students’ work on Friday. I’m sure you will enjoy reading about your child’s progress and see the samples of their work. The children and teachers have spent many hours preparing them. Over the holidays try to make the time to sit down and talk with your child about their work and fill in the feedback form. The children are very proud of the work they place in the portfolios.

The parent teacher interviews will be in Week 2 next term. Look out for the notice in Week 1.

Donburn will be a polling booth at the Federal election and the P & F will be running a sausage sizzle. If you are able to help I’m sure they would appreciate your support.

Also there will be a cake stall on Friday afternoon after assembly. (End of term assembly will be at 2.00pm.) Make sure you come and take advantage of the delicious treats. It’s hard to beat home cooking!

It has been a very busy term. I hope everyone has a great holiday and an opportunity to rest and relax so that they can come back refreshed for Term 3.

Keep safe!

Kind regards

Julie

GAMES ONLINE

Online games have become widely used by children of all ages. While children have been using computer games ever since desktop computers became a common item found in homes and schools, the use of the Internet for gaming has increased in recent years. With all the websites that offer the opportunity to play with people from around the world, every child can find something that appeals to their interests. Every time your child is exposed to other children online, though, the risk of cyberbullying in Online Games increases as well.

According to online research commissioned by the Abbott government from a consortium led by UNSW’s Social Policy Research Centre, the need for new measures to enhance online safety for children was highlighted - One in five Australian children aged between 8 and 15 has experienced cyberbullying. Children need to make sure they are protecting themselves whilst gaming by:

* Not accepting if another player is behaving badly or making them uncomfortable, they need to block them from their players list.
* Reporting poor behaviour to the game site operator, parent, trusted adult or teacher.
* Keeping their personal details private.
* Respecting others in the game.
* Being aware of game classifications and age restrictions.

Part 2: Stay Tuned to next Newsletter for Minecraft Information/Tips.

Kids’ Rules for Online Safety!

1. You should tell your parents right away if you come across something that makes you feel uncomfortable.

2. You should not respond to any messages that are mean or in any way make you feel uncomfortable. It is not your fault if you get a message like that. If you do, tell your parents right away.

3. Check with your parents before downloading or installing software or doing anything that could possibly hurt your computer or mobile device or risk your family’s privacy.

This week’s cyber-safety tips are bought to you by Heidi and Angie of the eSmart Committee.

We believe cyber-safety matters!
