Dear Parents and Guardians

Margaret Hanna has decided to retire at the end of this term. It is an exciting time for Marg as she approaches this next stage in her life, spending more time with her family particularly her beautiful grandchildren. Marg has been at Donburn since October 1999 and she will be a very difficult person to replace as her role has so many different facets. She is a valued member of the Donburn team.

Thank you to all the parents and staff who attended the working bee. It was great to complete so many jobs around the school.

I have been directed to attend a professional development in the city on Monday morning (August 5) so unfortunately the Year 3 morning tea will need to be postponed until August 15 and Jarod and I will meet with Year 3 & 4 parents. Jarod and I are really enjoying this opportunity to talk to parents and get feedback.

I sent home a letter yesterday outlining the need for all parents working in the school to have a Working With Children Check. The volunteer check is free and can be accessed online on [http://www.workingwithchildren.vic.gov.au/](http://www.workingwithchildren.vic.gov.au/).

Thank you to parents who have completed the parent opinion surveys. They need to be returned to the office by Friday so we can send them to head office for collating.

Katherine Salter finishes this week to begin her maternity leave. I know everyone at Donburn wishes Katherine and her husband Rob good wishes at this exciting time in their lives. I’d also like to welcome Ellen Kiel who will be replacing Katherine in Year 2. Ellen has spent time planning with the Year 2 team and also had two handover days this week.

Kind regards

Julie

What is School Council?
School Council is a group of Donburn parents and teachers. Their role is to set the strategic direction of Donburn Primary School and monitor this to ensure the school is providing a high level of education. School Council oversees the financial management and ensure the school runs within budget. School Council also oversees policies which govern the schools operations, monitors the school buildings and grounds and provides an annual report to the Department of Education. School Council has a number of sub-committees which function to monitor each of these areas.

Who is School Council?
The council is made up of the School Principal, 4 staff members, 6 parent members and 3 community members. The School Council President is a position occupied by a parent.

Each position on school council exists for a 2 year term and 50% of school council positions are up for nomination every year. School Councillors are elected to be representatives of the entire school community, and as such their task is to make decisions which they think best represent the needs or desires of the wider school community.

School Council is an active, dynamic and very friendly group who meet on a Monday night twice a term. If you would be interested in finding out more about School Council, please see Julie Hoskin or Jarod Ryan.

DONBURN WORKING BEE

On Sunday 24 July we had a hugely successful Working Bee where parents, children and staff worked together to tidy up the school grounds. There was a great community feel over morning tea where parents and staff had a chance to chat while the children devoured the treats on offer.

A huge thank you to all those who could attend as the grounds, all could agree, are looking fresh and clean, which makes for a great learning environment.

We are really proud of our grounds and could not achieve such results without the support of the community.

Thanks again

Jarod Ryan
Acting Assistant Principal
You are invited to our DONBURN BOOK FAIR 2016!

This year we are having a Donburn Book Fair in the school Library in August. The books will be from Lamont Books this year and I hope the students will enjoy the good quality of these lovely books.

See you at the Book Fair book worms!

Where: Donburn Library

**Thursday 11th August.**
Before school at 8.30am-8.50am  
After school at 3.40pm-4pm

**Friday 12th August**
Before school at 8.30am-8.50am  
After school at 3.40pm-4pm

**Monday 15th August**
Before school at 8.30am-8.50am  
After school at 3.40pm-4pm
Book Week is from Saturday August 20th - 26th, 2016.

This year the Children’s Book Council of Australia is celebrating its 70th Anniversary! The Book Week theme will be ‘Australia the Story Country’.

To help celebrate Book Week we are going to have a Donburn Dress Up as a Book Character Day and Parade on: Friday 19th August 2016.

Please come to Donburn dressed as your favourite book character!

We will be having a whole school book parade where we can celebrate ‘Book Week’ and our love of reading!

Happy Reading!

Andrea & Sue

**Kids Cyber-Safety Corner**

The Dangers of Pokémon GO

When you are on Pokémon go you have to be careful about roads, other people, cars and strangers following you.

Some people do dangerous things to just get a Pokémon, these include:

- Being so immersed in the game that they are not aware of their surroundings.
- Some people drive while playing which is very dangerous.
- Kids need to be careful to not put Pokémon Go ahead of other important things like sport, friends and family.

By Jemma and Annie. (Junior eSmart Committee)

---

5 things to know about Pokémon Go! As with any video game, it’s important you understand how it works, communicates with other players and offers in-app purchases. Pokémon GO offers a range of parental controls to limit playtime and password protect the game.

1. **In-App $$$ Transactions**

   The game’s in-app purchases can be blocked with parental controls and are also subject to other limits set-up on your smartphone. If you’ve not checked out how this works it’s important to set-up before handing your smartphone to a child, as purchases can be as much as $99.99 in one transaction.

2. **Stranger Danger**

   One of the novelties of playing Pokémon GO with the kids is coming across other families playing the game. It’s worth considering this if your children plan to play the game on their own. How they react to strangers may be different if the other person appears to be playing the same game.

3. **Walking into Things**

   Because the app visibly directs the player to the next Pokémon, they can be overly distracted by the screen or not consider other real world risks like cars and bicycles. There have been multiple reports of physical injuries, some very serious, encountered whilst playing the game.

4. **Children’s Details**

   Pokémon GO requires players to create a User ID and enter an email address before they can play. Children should be very careful about what information they put in their profile.

5. **Lost Children**

   Although the game leads players around a real world map, it’s important that young players don’t stray too far or get lost. Setting some ground rules about how far they can go is important before they start playing.
LUNCHTIME CLUBS AT DONBURN

**MONDAY**
- Lego Club with Ms Walker
- Library with Andrea

**TUESDAY**
- Chess Club with Miss O’Reilly and Mr Kovits

**5/6 HOOP TIME - EXTRA CURRICULAR**

On the July 21, the Year 5/6’s participated in the Hoop Time Basketball competition. There were seven teams that participated. They were the Rookies, Future stars and All Stars. Everyone played really well, demonstrating good sportsmanship and teamwork. Congratulations to the All Star boys and All Star girls for making it to the next level. We would like to thank Nunawading basketball Association for providing the courts and for making the Hoop Time day possible. Also a big thanks to the referees, and all the teachers and parents for coaching and supporting us on the day. Well done to everyone who participated. GO DONBURN!

By Emily and Kiara

---

**JUNIOR HOOP TIME - EXTRA CURRICULAR**

On the 19th of July, students from Year 3 and 4 were selected in seven different teams to play at the Junior Hoop Time tournament at Nunawading Basketball Centre. Students had the opportunity to ‘lace ‘em up’ and test their skills against teams from 5 different schools in the eastern suburbs. Donburn’s contingent featured 2 All Star teams, 2 Future Stars teams and 2 Rookie teams, with the All Star Girls winning all their games and advancing to the next stage of the Hoop Time tournament, which will be held in Term 4.

A big thank you to Jen Hanrahan, Christine Viney, Kerrie Demarte, Rich Spurritt, Sonia Heliotis, Brendan Renehan, Stacey Budge and Cathy Brennan for volunteering and assisting throughout what was a very busy day. Well done to all the students who participated and good luck to the girls who are advancing to the next stage.

Jeremiah Juric

**SPORTS NEWS**

**Girls Soccer**

Last week our girls senior soccer team played a District final against Serpell Primary School at Donvale Reserve. Played in freezing conditions our girls were very competitive but were beaten by a stronger team. Thanks to the parents who braved the elements and Sharon (teachers aide) who came to the game.

**Visiting Coaches from SEDA**

The local SEDA group will be running a sports clinic for our Years 3/4 children on Thursday morning August 18 at school. More details will be sent home next week. Brendan (Acting PE Teacher)
**CANTEEN**

Please remember snakes need to be ordered with your lunch order and will not be sold over the counter. (80c)

Hash Browns are available for 80c in your lunch order.

Please volunteer a little of your time to keep those lunches coming.

Thank you,
Vitina (0434 140 739)

---

**SCHOOL BANKING ON TUESDAYS**

School banking is done at Donburn by parent volunteers and the school receives a commission from the bank on the money banked.

Banking is done every Tuesday, so don’t forget your bank books and start collecting your tokens for some new prizes. If you would like to apply for a bank account, you can visit any Commonwealth branch or apply online.

---

**SICK BAY ROSTER**

A clean bed is greatly appreciated by children who need to rest and recover in the sick bay. We therefore need parents willing to wash the sick bay bedding on a weekly basis.

Thank you for your support in Term 3, 2016

**SECOND HAND UNIFORM**

Open Monday 2:30pm - 3.30pm in the office.

If you would like to sell any Donburn uniform clothing at the second hand uniform shop, please leave at the front office. (Any uniform clothing left with no details will be assumed to be a donation.)

Uniforms are sold with no return or exchange. If you are not sure about pricing we will price it for you. Due to health regulations we cannot sell school bags or hats and we do not accept *Stubbies* clothing.

10% commission of the sale goes to the school Inquires can be made at the front office.

---

If anyone has found a missing black lunch order bag (sticky beaks bag) please return to Foundation M. Thanks.
Asthma Management in Winter and Spring:

Asthma is one of the most common chronic childhood conditions, affecting 1 in every 10 children in Australia. Emergency admissions and hospitalisations peak during the winter for children with asthma and flare-ups are often more prevalent during the winter and spring. Good management however can help children with asthma and their carers get through this tricky time of year with more confidence.

Here are a few tips for parents and carers:

- make an annual appointment for an asthma review by your child’s doctor
- update your child’s Asthma Plan at the start of each year and provide a copy to the school
- talk to the teacher and other key staff about your child’s asthma – their usual triggers, symptoms and medication
- provide an in-date blue reliever puffer and spacer for use at school (clearly labelled with child’s name and date of birth)
- help your child understand the importance of taking their preventer medication every day, as prescribed
- ask their doctor about having a flu vaccination
- encourage hand washing and covering one’s mouth when coughing to help prevent the spread of germs

School sports and asthma:

Physical activity acts as a major trigger in up to 90% of people with asthma. Exercise Induced Bronchoconstriction (EIB), commonly known as exercise induced asthma, is the temporary narrowing of the lower airways, occurring after vigorous exercise. People with poorly controlled asthma are at a higher risk of EIB due to the sensitive nature of their airways. This may result in episodes of coughing, wheezing, a feeling of chest tightness/discomfort or shortness of breath, often worsening 5-10 minutes after exercise.

To ensure your child can safely participate in sports and exercise at school, the first step is to make sure their asthma is well controlled. If your child is requiring their reliever medication more than twice a week, it is a good idea to see their GP for a review as this may indicate poorly controlled asthma. Also provide the school with an Asthma Plan from the doctor, particularly before a sport carnival or excursion. The plan will include any instructions for EIB (e.g. use of their asthma reliever prior to physical activity). You can help them check that they are using their asthma devices correctly by watching our videos on the Asthma Australia website.

For support with your child’s asthma please contact your local Asthma Foundation on 1800 ASTHMA (1800 278 462) to speak with one of our Helpline staff.

Asthma app:

The new Asthma Australia asthma app brings together a raft of resources in one convenient place to help you ensure your child’s asthma is managed as well as possible. Sections include information on medications, device technique videos and Asthma First Aid in an emergency. The app is free at the iTunes store (Android coming soon).

For secondary aged students:

Young people with asthma

Asthma Australia has established a Facebook page, Young People with Asthma – Australia, to provide the latest information and research for these young people and their supporters. We recently commenced posting profiles to share young people’s stories and experiences. Refer to the page for details if you have a child who might want to share their asthma story. We are also setting up a Q&A function where an Asthma Educator will respond to young people’s questions through the page.

For primary aged students:

Asthma Kids

Looking for a way to help your child understand more about their asthma or about a friend with asthma? Asthma Kids is an online, interactive tool to help primary school aged children understand what it’s like to have asthma and what they can do to help. Check it out at www.asthmakids.org.au
