Dear Parents,

On Monday 14 September, the Victorian Government announced a series of landmark reforms to build and define Victoria as the Education State.

The announcements included a focus on strong school leadership, better teaching, more collaboration between teachers and schools and resources targeted at student need.

Next year all government schools will receive extra needs-based funding to better respond to every student's needs. We received \$12,738.

You can find out how much extra funding every government school will receive next year on the Find Your School's Equity Funding Amount website: <http://www.education.vic.gov.au/about/educationstate/Pages/schoolbudget.aspx>

Our teachers will receive training to implement the new Victorian Curriculum, which will include new subjects like digital coding and respectful relationships.

The government also set new state-wide education targets - goals for our students in areas like maths, reading, science, the arts, resilience and critical and creative thinking.

This is an exciting time for Victorian schools, and these new initiatives will inform our planning for 2016.

I encourage you to visit the Department's website to find out more about the Education State initiatives.

Next Wednesday 28 October Anne Vanderharst will be retiring from Donburn Primary School. Anne has worked at our school over the previous twelve years and she has positively supported and contributed to the educational programs across our school. We thank Anne for her wonderful work and wish her well for her next career as a Patient Transport Officer with the Royal Flying Doctors.

Friday 30 October is "World Teachers Day" and I would encourage all parents to acknowledge the outstanding work of our teachers on this day.

Regards ~

Kevin

Learning for living

Young Leaders Sustainability Conference

On Friday 16th October, our Sustainability Leaders and some other students had the privilege of attending the annual Lead 2 sustain conference held at Currawong Bush Park.

It was an action packed day where we discovered new ways to act Sustainably and gain more respect for the environment around us.

Some of the activities included: Animal handling, Trash Puppets, Bike Powered Smoothies, Fishing for Facts and Recycled Minibeasts.

We also listened to some inspirational speakers who told us stories of positive impacts we have had on the environment.

I had an awesome day! I loved making smoothies pedalling the bike to power the blenders. I made a puppet from recycled material and my favourite activity was the Animal Handling where we held snakes, lizards and a turtle.

Mitchell Yr6

I really enjoyed making the Trash puppets! I made a dinosaur wearing a hat, all out of trash! I also did Fishing for Facts. I had an amazing time and would love to do it all over again!

Josie Yr4

My favourite activity was the seed planting. I was able to make a pot out of newspaper and plant sunflower and bean seeds in it. It was really cool!

Kiara Yr4

My favourite activity was seed planting. I learnt a lot of new things and it was a great experience. Did you know that a torch won't power a solar panel because it isn't a UV light source.

Luke H Yr6

Young Leaders Sustainability Conference

My favourite activity was Mobile Energy. I really enjoyed having to cycle on the bike to create energy. It was cool to be able to switch on lights just by pedalling. We learnt so much and I had lots of fun!

Calum Yr4

My favourite activity was Fossil making. I made a clay fossil mould then poured plaster into the mould. The plaster was really lumpy but it made the fossil look even more real. I had a great day!

Dylan Yr3

My favourite activity was CSI Investigation. There was animal skulls and bones which we had to examine and paw prints to investigate. Many different schools were there and I saw some familiar faces. It was a lot of fun learning about the environment and seeing many different plants and animals. We all had a great experience!

Alyssa Yr6

The activity that I enjoyed the most was plaster casting because it was so cool! Our leader Sophie was so interesting especially how she made the plaster. We made a dinosaur mould out of clay and then poured the liquid plaster into it. I had an awesome time!

Lilly Yr4

My favourite activity was Fishing for Facts. We didn't actually go fishing but we had magnetic fishing rods and a container with plastic animals. We had to try and catch them using the rod. Behind each animal was an interesting fact. One of the facts that I never knew is that walrus walk on their teeth! I had an amazing time and I hope that I can go there again.

Jacob Yr5

YEAR 3 - HANDS ON SCIENCE

On Tuesday the 13th of October Anna from Hands-On-Science came to visit Donburn to teach all of the Year 3 students about day and night, the Sun, the Moon and all of the planets. We did heaps of fun and educating experiments and activities and we are going to tell you about some of our favourite ones.

We learnt a poem to help us remember the order of the nine planets closest to the Sun to the furthest away. This is the poem we learnt:

My – Mercury

Very – Venus

Excellent – Earth

Mother – Mars

Just – Jupiter

Showed – Saturn

Us – Uranus

Nine – Neptune

Planets – Pluto

By Natalie, Tahlia,

Angie, Xander and

Oliver Z.

At the 'Night and Day' science incursion we did heaps of fun and educating experiments. One of them was learning about the right speed the Earth has to orbit. To test this we had to use a funnel with a ping pong ball and then circle our hand. We learnt that if Earth was to orbit too slow it would get sucked towards the Sun and if it was to orbit too fast it would fly out of the Milky Way (our galaxy). In the experiment it was very challenging to get the right speed, but in the end we all managed to get it right.

By Keira, Angelique, Jessica, Angeth, Sophie and Erica.

Our favourite experiment was 'Marble Clouds'. We enjoyed it because it was interesting and awesome. We had a spinning disc that represented the Earth and a marble which represented a cloud. We placed the marble on the spinning disc and it spun outwards away from the Earth.

By May, Will W, Edmund, Dave and Rebecca.

YEAR 3 HANDS ON SCIENCE

To test the importance of air we got a plastic bag, a cup and a rubber band. The first time we just put the bag over the cup and we were able to easily pull it off. The second time we pushed all the air out of the cup and bag and put a rubber band around it to stop air getting in. When we pulled the second time it was really hard to pull because there was no air.
By Mitch and Thomas.

One of the things we learnt about was that the earth moves around the sun very slowly and the moon moves around the earth, but the sun doesn't move at all. We had a globe of the earth and a ping pong ball on a stick. We cast shadows on the globe to see how the moon moved around the earth and how the earth moved around the sun. We had so much fun.

By Amelie and Adriel.

The experiment was to make the lid of the tube pop off by using a fizzy tablet and water to create gas. It took about 10 seconds to get the lid to pop off the tube. We liked the experiment because we enjoyed waiting for the lid to pop off. We also liked counting how many times the lid could pop.

By Dylan, Miah, Will H, Zach, Lauren and Mia.

Foundation Swimming!

For the first three weeks of this term the Foundation students have enjoyed participating in the swimming program. They have loved learning important techniques such as bubble arm, breathing arm, backstroke, freestyle and how to float properly in the water. A highlight for the students was swimming in the deep end with a life jacket on. Travelling to Aquarena on the bus and taking part in the swimming program with their classmates has been a wonderful experience.

Foundation teachers: Emma, Jess and Lauren

YEAR 6 NEWS FROM AHMAD

On the 2nd of October 2015 I went to a National Taekwondo competition held at the Super Drome in Adelaide. We had to wake up at around about 6:00 in the morning, as the drive took 9 hours to get there, including all the stops in between.

I was competing against 2 other people and I came first by 0.07 points. To get to this level, I needed to do a lot of training. This consists of two afternoons a week, every Saturday morning and even on the holidays.

To reach this goal, I not only had to train hard but I also needed to really enjoy what I am doing, which I do.

CANTEEN NEWS

Hi to everyone, for those new to the school my name is Vitina Bakker and I am the canteen manager.

We are very lucky at Donburn to have such a fantastic canteen with such wonderful low prices. We can only offer this service thanks to the contribution of so many beautiful volunteers, but like all years we have a large number of current volunteers not returning next year due to their children moving on to high school, or people returning to work.

It's this time of the year that I start to plan for next year and start to look for the volunteers we need to keep the canteen running.

For those who don't know I will explain how canteen works; Canteen runs on Mondays, Wednesdays and Fridays and I am there every day.

On Mondays and Wednesdays 2 volunteers are required and on Fridays 4 volunteers are needed.

Volunteer times are flexible.

For example, people can come in for the whole day, or from 09:30am to 12:00pm or 12:30pm to 03:00pm.

We are very flexible and understand that people are busy, but trust that a few hours a month is not too much to ask. With the help of volunteers we are able to keep our prices low and the children get to enjoy delicious food from a wide variety compared to a lot of schools which only have a limited menu.

There are many benefits to volunteering. You get to meet other parents in the school, you get to enjoy a free lunch, cold drink or coffee and tea, and our children will love seeing you in canteen. It's always a special day for the kids when they see their mum/dad at the canteen window. Please consider helping and being part of the school community, the children really love the canteen but the school depends on your volunteer help to run it.

If you have any questions please ring me on 0434 140 739 or you can come and see me in canteen on Mondays, Wednesdays and Fridays.

You can fill in the canteen roster reply slip and hand it in to Marg or Chris at the office, and I will contact you A.S.A.P.

Thank you
Vitina Bakker:

PARENTS AND FRIENDS ASSOCIATION

Next Parents and Friends committee meeting is on
Friday 20 November at 9.10am in the staff room. ALL WELCOME!

Lapathon - Every year the children ask for sponsors to encourage (pay) them to do laps of the oval. They come together in their House colours, by year level and make their way around the school oval in any way they can, running, jumping, skipping, dancing etc. to some music.
Please look out for more information in your child's school bag.

Donburn Primary School Lapathon

The P&F committee would love parents/carers to attend on the day of the lapathon and would also appreciate help with this event on **Friday 6th November 2015**.

Children to wear their house colours, suitable running shoes, hat and water bottle.

PRIZE

House Colour prize – 1,000 bonus points for the week to house with most laps

Help is required to

- Help the children collect sponsors and encouraging family and friends to sponsor your child.
- On the day manning the school house colour tables at the start/finish point, by ticking their tally cards and encouraging them to drink
- General encouragement and cheering of the children as they do their best.
- Distributing Icy Poles to all participants at completion of their lap time allocation.

Any questions please contact Tammy Muller P&F President muller@subs4u.com.au

Please return this slip if you can help

Please indicate your availability to help with the Donburn lapathon by ticking one or more boxes and returning this slip to your child's teacher. Thank you!

I am able to help out with the lapathon on Friday 6th November 2015

9am to 11am

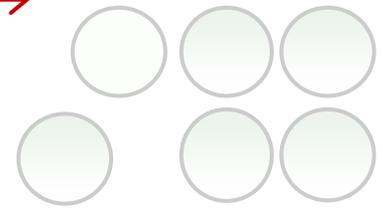

11.20am to 1.30pm

All day

Donburn's Sustainability Project

Rubbish Free!

October 2015

Donburn is holding a Waste-Free Lunch Challenge.

In November we will ask that your child's lunch contain only items that will be eaten, composted or recycled.

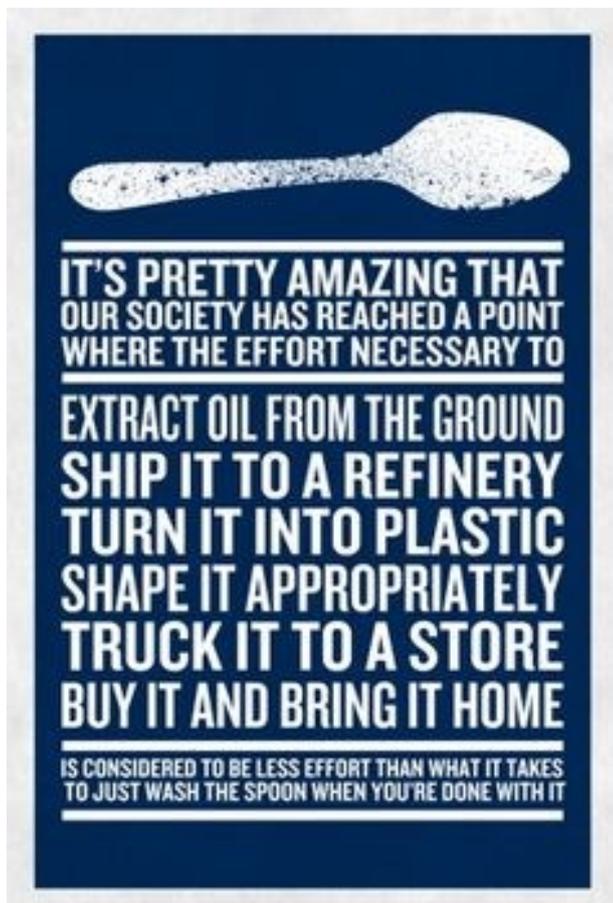

Get your DONBURNIAN by email?
Contact: donburn.ps@edumail.vic.gov.au

Re-usable plastic containers come in all shapes and sizes for lunches and snacks

Example of lunch	items with waste
MORE RUBBISH	LESS RUBBISH
Sandwich in disposable wrap or bag	Sandwich in snug fitting reusable container
Small packets of chips or biscuits	Buy larger and divide into reusable containers
Muesli bars	'trail mix' (no nuts) into reusable containers
Small fruit containers	Buy larger and divide into reusable containers
Snack packs	Raw vegetables in small containers (with dip)
Wrapped cheese sticks	Cut cheese from a larger block in reusable container
Plastic fork or spoon	Pack a fork or spoon that you can wash and use again

Did you know...
 Almost 99 percent of everything we buy becomes waste within six weeks of purchase. Every wheelie bin of waste we produce from our home, equates to 70 wheelie bins of waste from the mining, manufacture, production and sale of the materials in that bin.

As a result, the waste we're sending to landfill is increasingly diverse and toxic. It is also more difficult to dispose of. Every three months, the Victorian economy produces enough waste to fill the Melbourne Cricket Ground completely – from the playing field to the top of the stands. While recycling rates are increasing, our population and consumption rates have also increased, causing the amount of rubbish we produce to stay the same.

- The average household throws away almost 13,000 pieces of paper each year.
- Most is packaging and junk mail.
- One tonne of paper uses 13 trees, 2.5 barrels of oil, 4100kWh of electricity, 4 cubic metres of landfill and 31,870 litres of water.
- ✓ Get a 'NO JUNK MAIL' sticker
- If everyone in Australia recycled their newspaper every day, we could save almost 2 Million trees per year

The amount of energy saved by recycling ONE ALUMINIUM CAN can run your TV for 3 hours!

eSMART

News Update 1

Our school is proud to announce the newly formed eSmart Schools committee. Members of this committee will work together to assist Donburn in gaining eSmart School status.

eSmart is an initiative designed by the Alannah and Madeline Foundation and is designed to keep children safe in a digital, technological society.

eSmart is also about finding positive ways to use technology for learning and recreation.

We warmly welcome to our committee the following staff and parents.

Marwa A, Maria D, Jackie L, Lindy R, Dionne D, Amy T, Caz D, Marina R, Evan T, Sue F, Julie H, Emma H, Lynette H, Kris P, Robyn F,

Our next committee meeting will be held on Friday October 30th at 8:15 am in 4F classroom.

Please see this space for further news as it unfolds along our exciting journey.

Best regards,

Robyn Fraser

LIBRARY NEWS

The Donburn Library are having a stocktake.

The children all love to read and the library just love to lend books.

We ask that any books that your child may have at home that have not been borrowed recently, please bring those back to the school library for stocktaking.

Beth and Andrea

OCTOBER IS WALK TO SCHOOL MONTH

We are encouraging all Donburn students, families and teachers to walk to and from school throughout October to participate in the annual 'Walk To School' month, sponsored by VicHealth and the Manningham City Council.

We know there are many benefits of walking for children - to learn active habits for a lifetime of good health, improve fitness, build friendships and help reduce traffic and pollution.

Teachers will help students to record their efforts on classroom calendars each day. There are great prizes to win from the local council and students can sign up online at Walk to School to win weekly prizes from Cricket Victoria and the Melbourne Stars.

How can our family start walking?

There are lots of ways for children and families to enjoy walking as part of their routine, and we encourage you to find an option that suits your family. You might like to:

- walk with your child to and from school and enjoy the chance to talk, help your child learn road safety skills, and get to know the local neighbourhood together.
- arrange for your child to walk with other families or friends, giving them time to socialise and share their journey.
- drive part of the way to school and walk the rest, particularly if you live a long way from school, or have limited time.

Mix it up – if your child enjoys riding their bike or scooter, that's great too!

Find a way to **Walk to School** this month. This is a free, easy and fun way to help kids get the 60 minutes of exercise they need each day. I'll see you on the footpath!

Beth McInnes

SPORTS NEWS

Athletics

On Thursday, 8 October, eight of our students competed in various events at 'Manningham Division' level at the Bill Sewart Athletics track in perfect conditions. We had some impressive results with three students advancing to the Eastern Metropolitan Regional level which was held last Thursday at the Bill Sewart Athletics track in hot conditions. Some personal best results were achieved.

Manningham Division:

Hayley H (Year 6) - 10th in the 800m

Sina E (Year 6) - 12th in the 800m

Ruby M (Year 5) – 1st in the 1500m and the 800m.

Ella B (Year 5) - 2nd in hurdles

Ellie M (Year 5) - 3rd in shot put

Kaleb D (Year 5) - 4th in long jump

Ashton M (Year 5) - 3rd in high jump

Phoebe R (Year 4) - 2nd in high jump & 4th in long jump.

Eastern Metropolitan Region:

Ruby M (Year 5) – 1st in the 1500m and 3rd the 800m.

Ella B (Year 5) - 5th in hurdles

Ruby now progresses to the State Athletic Championships on Monday 26 October. Best of luck, Ruby!

Excellent achievements by all!

Hoop Time Basketball Finals

Our girls Year 3/4 All-star teams are competing in the Regional finals at the Nunawading Basketball Stadium next Tuesday 27 October.

Best of luck to the team.

SCHOOL BANKING

School Banking is available each week on Tuesdays. If you wish to open an account, kits are available from the office or any Commonwealth Bank.

Thanks,
Melanie Barrett

SICK BAY ROSTER

**Thank you helping with the sick bay washing roster.
Your support of the school in this way is greatly appreciated.**

BASKETBALL 2015

CLOSING DATE FOR TEAMS FOR 2016

20 NOVEMBER 2015

All teams need to be registered by then!

To start a Basketball Team for the 2016 Summer Season -

- Have a chat with the parents in your year level to round up 7 or 8 Players.
- Nominate 1 parent to Coach and 1 parent to be Team Manager
- Contact the Committee and complete registration forms (located at the office).
- Give your team a name.
- Choose a training time.

For any questions about registering new teams, please contact the committee.

COMMITTEE MEMBERS NEEDED OR SCHOOL BASKETBALL WILL END

The current committee are unable to continue in 2016 and therefore need volunteers to take over the Secretary, Treasurer and Uniforms positions.

Secretary is responsible for liaising with the school basketball competition co-coordinator and team managers, registering new teams, preparing newsletter notices, and organising presentation night at the end of the year along with the treasurer and uniforms person.

Treasurer counts all money taken, balances team kitty money at end of seasons and distributes kitties at the start of seasons. There are two seasons per year.

Uniforms arranges tops and shorts for new players and ensures there is a stock of sizes available.

These positions require only minimal time and are necessary for Donburn to be able to offer school basketball to your children. If you are interested in any of these positions or have any questions please contact the outgoing committee.

For all enquiries, please contact us on the numbers below:

Lyndell Oxley (Secretary) (M) 0404 840 939

lyndell.oxley@gmail.com

Leanne Renehan (Treasurer) (M) 0402 056 989

Caroline Greenwood (Uniforms) (M) 0413 354 408
