Dear Parents/Carers

Welcome back to Term 4! The year is definitely flying past.

A big welcome to Nena Sadler, our new office manager! Nena is enjoying meeting all the students and parents and is settling in to her new position very quickly.

Congratulations to Naden and her team of helpers for organising the wonderful Spring Party on the last day of Term 3. It was a very happy occasion and the whole school community had a fun time participating in all the activities. A great way to further develop our community spirit!

Catherine Gerhardt from Classroom Connections has been booked to speak to parents on the importance of *Raising Digital Citizens*. The evening will be on Thursday 27 October from 7.00 pm – 8.30 pm. Catherine is a very engaging speaker and this is an area many parents are grappling with their children. Please mark this date in your diary and try to attend. I'm sure you will find it very worthwhile.

Thank you to John Conte for the beautiful seats he has built that have been placed around the basketball courts. The timber is magnificent! John was assisted by Paul Wines, Cameron Viney and Bjorn Bayliss. Thank you to all these dads. A job well done!

A curriculum day has been scheduled for Friday 28 October. This will be a pupil free day.

We have a very busy and full term ahead. Please keep note of the diary dates each week so that you can make the most of all that is planned!

Kind regards

Julie

THANK YOU FROM MARG

Dear Donburn Community

I wish to thank you all for a fabulous farewell.

At the student run assembly on my final Wednesday afternoon, the students sang with gusto the 'Margaret' song (to the tune of Petula Clarke's 'Downtown'). It was so, so special and the song still rings in my head - thanks Grant!

Thanks to Fay Davidson who played the bag pipes in fine style as I was escorted out of assembly!

Thanks to the students and teachers of each class, for the book which has so much content and is providing me with interesting reading. I marvel at the creative art work! A great keep sake.

Thanks to Kris Pepper for the presentation of a candle stick that was skilfully handcrafted by her father-in-law. A piece of wattle from a fallen tree in the school grounds was the source of the timber. Another piece of original Donburn memorabilia.

A number of videos with comments by students and teachers and whole class performances are very moving (an odd tear has been shed) - sincere thanks to those involved.

A very special afternoon tea with delicious food provided by the staff. Great to have my family present and to see the many ex Donburnian's who returned.

AND THANK YOU, I absolutely love the ring, a gift from the whole community.

I feel blessed to have worked at the very BEST school in Manningham for 17 years. Thanks to every one of you for making Donburn what it is today.

Sincerely

Marg Hanna

YEAR 3 RETHINK WASTE WISE EDUCATION CENTRE EXCURSION

Last Wednesday, the 5 October, we made our way to visit the Rethink Education Waste Wise Centre in Banyule. At the Centre, we had the opportunity to take part in an educational program aimed at exploring waste minimisation in the environment.

We learnt about how we can avoid creating waste by reusing and recycling. This included looking at items we use in our daily lives and how they can be used for different purposes along with shopping wisely to minimise waste and learning how recyclable items are reprocessed and made into new items.

We really enjoyed our time at the centre.

Thank you to Douglas, The Material Girls' and Rethink for having us for the day.

Luke (3W) putting his recycling knowledge to the test in the recycling quiz.

Malcolm (3M) and Xin (3W) learning how to shop waste-wise when at the supermarket.

Mackenzie (3J) representing the 'Bin Busters' in the recycling quiz.

YEAR 3 HANDS ON SCIENCE INCURSION

On Tuesday 10 October, the Year 3 students participated in a Hands on Science incursion about night and day.

We had great fun conducting simple experiments that explained many of the functions of our Solar System, including how the moon reflects light, why shadows occur, why planets orbit the sun at different speeds and how a rocket launches.

We were amazed that all of these exciting experiments were conducted using such simple household items like torches, plastic bags, shiny paper and funnels.

We are looking forward to learning even more about night and day during our science unit for this term.

Year 3 Teachers -
Jeremiah Juric,
Amanda Wilson,
Lauren Maher

FAIRY TALE DRESS UP DAY

Throughout Term 3 the Foundation students thoroughly enjoyed learning about many different Fairy Tales.

On Thursday 15 September, the Foundation students had their Fairy Tale Dress Up Day. The students came to school dressed as their favourite fairy tale character.

It was wonderful to see the creative and colourful costumes the students wore.

On the day we had a class party to celebrate all the amazing work the Foundation students have completed throughout our unit of work on Fairy Tales.

Thank you to all the parents who contributed to the class party. A very big thank you to Tiffany Podrug who made the day extra special by face painting all of the Foundation students.

We had some beautiful looking butterflies, tigers and Spidermen!

THE GREEK FLAG

This flag was bought from Athens, Greece to give to the school from Markus and Damon L.

The Greek Flag has 9 horizontal stripes in blue and white. It also has a white cross on the blue square. The white cross symbolises Eastern Orthodox Christianity.

According to a popular tradition, the 9 strips represent the 9 syllables of the phrase "Freedom of Death".

The 5 blue stripes for the syllables of "Eleutheria" (Freedom). Markus & Damon

TVD's Rock Donburn

Last Friday our fantastic vocal group the TVD's {talented voices of Donburn} performed two concerts to all the children at our school. The group is made up of 12 very talented children from Years 5 and 6. They have been rehearsing for over three months and were so excited to finally get to perform the show. All the choreography was created by the children and they have worked incredibly well as a team to put the show together. The kids of Donburn were rocking to such hits as 'Video Killed the Radio Star, Wannabe, Me Too, You're the One That I Want, Rollin' in the Deep, One Call Away, Dancing Queen and many more. The Donburn kids were a great audience and loved singing and dancing along to the songs.

The TVD's will next perform at Donvale Primary School on November the 3rd followed by a night time concert for all parents and friends at 7pm on November 22nd. Tickets will be out soon so stay tuned.

Lastly a huge congratulations to Tiana, Ella, Samantha, Ellie, Avalon, Gemma, Jessica, Caitlin, Jacob, Kali, Kiara and Claire. You are all amazing.

Grant Puglia - Music Teacher

Next year all Year 5 and 6s will perform in our musical as well as two children from every junior grade.

It is a few months off yet but if anyone is available to help out with costuming, learning lines, production etc. it would be great to hear from you.

LOGAN IN THE BENDIGO NATIONAL CLUBS GYMNASTIC COMPETITION

"On Thursday 15th September I travelled to Bendigo to compete for my Gymnastics club BTYC in the National Club Championships. Our events were held on Friday and Sunday with 6 routines performed per day by each state.

The athletes from BTYC were the only Victorian representatives in the competition of 99 athletes over Levels 3 and 4 MAG.

Day 1 of competition was very enjoyable and I had my strongest individual results for the year. Day 2 was even more exciting because my team took the title of National Champions for Vault. Vault is one of my favourite routines.

It was great to compete against athletes from all around Australia and I am looking forward to competing at this event again next year."

Logan M.

Last week we celebrated National eSmart Week. Our Student Committee were very active in delivering some appropriate cyber safety messages. Students were engaged in a variety of discussions and activities. Keep your 'eyes open,' for our 'eSmart Cyberhero wall' which is currently being organised

Regards, Emma Hopkins and Robyn Fraser

'Cyber-Safety Corner'

The use of technology tools to keep your child safe online

There are so many technological advances that can enhance the experience for your child online and help keep them safe, both within the site or app and for their devices. A great way to keep your child safe online is to use parental controls and install filtering software to help block unwanted content and pop-ups and to restrict access to specific content and pages.

Filtering software

There is a wide range of filtering software products available on the market. Some available features of these products include:

- customisable content filtering on web browsing
- multiple profiles
- setting internet usage time limits
- activity monitoring
- remote access to software
- multi-device, browser and operating system applicability
- white and black listing of websites
- social network monitoring
- GPS location monitoring
- invisible mode
- contacts monitoring
- email/SMS alerts
- apps blocking
- calls/SMS monitoring

Some of the filtering products available on the Australian market include:

[Qustodio](#), [Norton Family](#), [NetNanny](#), [PureSight Surfie](#), [CYBERsitter](#), [McAfee](#)

'Kids Cyber-Safety Corner'

POP UPS (Part 2)

There are some very false advertisements saying your computer is infected with a virus and that you should download their software to remove it but mainly they are trying to scam you and lie. They will later install viruses on your computer. Just do not trust any software except the ones in the store or ones that your parents use. We recommend Norton. They will also make some fake comments saying that the software worked perfectly and helped them tremendously but these are all fake.

The second method is to press the big red button on the right corner, if you're on Mac or Macintosh you have to click the red X in the left of the pop up. Make sure you click the X button, not the advertisement itself. If you click on the advertisement, do not download anything they ask you to download. If there isn't a button to exit out of the page, then try method one. They cannot hurt or harm your computer as long as you do not download anything they ask you to. If they say you will win something like a very high class phone or a voucher, it is most likely a scam and they will tell you to do a 'Human Verification.' But really what this is, is leading you to another advertisement website and then it will lead you to another one for them to maximize their earnings and money.

Brought to you by: Ewan and Erfan eSmart Junior Committee

SUSTAINABILITY FUNDRAISER

Donburn's Sustainability Committee have chosen 'Living Fundraisers' to help us raise some funds to create sustainable gardens at Donburn.

Living Fundraisers provide Australian made, organic and healthy products that are also good for the environment. Please fill out form below to receive your Growing Kit. Check some examples out at the office.

Sustainability Committee: Jarod Ryan, Chris Kovits, Amanda Coddington, Lauren Maher, Mike Todd, Lynette Hookey, Peter Redmile, Kathryn Manago, Laurene OConnor, Debbie Kyriacou and Merinda Hochmann

FLOWERS, HERBS, VEGETABLES AND FRUIT TO SELL OR KEEP

Participating Donburn families will receive a carry bag containing vegetable, flower, herb and fruit Growing Kits to sell (10 kits in a bag).

Please fill out and return the form below with your preference for number of Growing Kits you prefer in your bag, or that you wish to opt out of this fundraiser.

Each individual plant sells for just \$6. (10 plants in each Kit, total value is \$60)

You could also share a bag with a friend or take more than 1 bag. The plants will keep well unopened for 12 months. Great for Christmas presents.

Please return monies and any unsold kits to the School Office by 18 November.

DETAILS	
DURATION	21 October to 18 November

PARENTS AND FRIENDS ASSOCIATION

Donburn Primary School Lapathon

Lapathon is one of our most successful fundraisers. Children run laps around the oval and are sponsored by family and friends either for each lap they run, or a dollar amount for participating in the event. Sponsorship forms will be sent home for this purpose.

The P&F committee would love parents/carers to attend on the day of the lapathon and would also appreciate help with this event on **Friday 11th November 2016**.

Children to wear their house colours, suitable running shoes, hat and water bottle.

PRIZE

House Colour prize – 1,000 bonus points for the week to house with most laps

How can you help?

- Help the children collect sponsors and encourage family and friends to sponsor your child.
- On the day manning the school house colour tables at the start/finish point, and ticking their tally cards and encouraging them to drink as they go past.
- General encouragement and cheering of the children as they do their best.
- Distributing Icy Poles to all participants at completion of their lap time allocation.

Any questions please contact Adi Garcia P&F President adigaria@optusnet.com.au

Please return this slip if you can help on the day

Please indicate your availability to help with the Donburn lapathon by ticking one or more boxes and returning this slip to your child's teacher. Thank you

I am able to help out with the Lapathon on Friday 11th November 2016

9am to 11am 11.20am to 1.30pm All day

SICK BAY ROSTER

A clean bed is greatly appreciated by children who need to rest and recover in the sick bay. We therefore need parents willing to wash the sick bay bedding on a weekly basis.

We are looking for more volunteers to be placed on the Term 4 roster please.

NAME	CHILD'S NAME	CLASS

ATHLETICS

The District Athletics carnival was held last Monday at the Tom Kelly Doncaster Athletics track. In cool, windy conditions, fifty-two children represented our school achieving high level results.

Final results were: 431 - Doncaster, 316 - Donburn, 303 – Templestowe Valley, 261 – Doncaster Gardens, 195 – St Gregs, 163- Doncaster, 90 – St Kevins.

In the same week, fifteen children progressed to the Division Athletics Carnival which was held last Thursday at the Bill Sewart Athletics track. The children competed in more pleasant conditions with 6 children now competing at the Eastern Metropolitan Regional Athletics tomorrow.

We wish Kaleb D., Ruby M., Ella B., Tara F., Baran D. & Bridget H. all the best in their events tomorrow.

Thank you so much to all the parents for helping out the school team and transporting children to and from the carnivals.

TUNING IN TO KIDS
EMOTIONALLY INTELLIGENT PARENTING

Would you like to learn tips and strategies to:

- Be better at talking with and understanding your child?
- Help your child learn to manage their emotions and deal with conflict?

Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses

A six session FREE parenting program for parents, grandparents & carers of children aged 0 - 12 years

WHERE: Doncare Suite 4, Level 1 687 Doncaster Road Doncaster

WHEN: Wednesdays 2nd November to 7th December 2016 9.30am to 12.00noon

BOOKINGS ARE ESSENTIAL.

CONTACT: Julia from Parentzone on 9735 6190 or 0400 866 495
