Dear Parents and Guardians

Welcome back to Term 3. It is unbelievable to think that the year is already half over and our Year 6 students have only 6 months of primary school left. I would like to welcome back Jarod Ryan who has been appointed as Acting Assistant Principal for Term 3 & 4. Jarod is enjoying catching up with familiar faces and meeting new students and parents to the school.

There was lots of activity in the school over the holidays as the school was a polling booth for the Federal Election. Thank you to Bronwyn Milner (Zara Yr 1 & Will Yr 3) and Desi Georgiou (Katherine Yr 2 & Michael Yr 3) for organising the sausage sizzle. Their small team of helpers raised \$680.

Thank you to Kirsten Fry for doing a great job managing the Canteen for the first two weeks of Term 3. We look forward to Vitina returning next week.

The first parent morning tea was on Monday this week with the Foundation families. It was an excellent opportunity for parents to meet with Jarod and myself and give us feedback about Donburn. Next Monday, July 25 at 9.00am Year 1 parents are invited to meet with us in the staffroom and on August 1 it will be Year 2 parents. Please feel free to come along.

The creators of *Just Get Active* met with the teachers in the staff meeting this week to present a refresher of the program and next Monday they will present workshops to the students. The Year 3-6 workshop is at 9.00am in the gym and the Foundation -Year 2 is at 9.45am in the gym. Parents are very welcome to come and participate or watch!

The teachers are in the process of holding parent teacher interviews. This is an excellent opportunity for teachers to elaborate on aspects of your students progress that were mentioned in the reports.

The 2016 Parent Opinion Survey will be sent home to randomly selected families this week. These confidential surveys will take no longer than 20 minutes and the results are completely anonymous and are an important indicator of how well the school is meeting the needs of students.

**Congratulations to the following students for their excellent results in the ICAS Digital Technologies test.**

I would like to take this opportunity to thank Jenny Turpin for all her help and support at Donburn last term. It has been wonderful working with Jenny and learning from her vast experience. In the short periods she has been at Donburn Jenny has made an impact on all the students, staff and many parents. I wish Jenny all the best in her future travels and all the other plans she has for her retirement.

Kind regards

*Julie*

## EXCURSION TO CHANNEL 7 AND ETIHAD STADIUM

Last Wednesday 22 children from Years 4, 5 and 6 travelled into the city to the Channel 7 studios at the Docklands. Well known personality John Deeks was there to greet the bus and to welcome us in to the studio. What followed was an amazing tour through the wonderful world of television.

We visited the control rooms as well as the studios of Talking Footy and Game Day. Later we went onto the set of Seven Nightly News. Jacob even

got to sit on the mobile camera and move it up and down. We saw where Jane Bun presents the weather each night as well as where she keeps her shoes and Rhea G was able to manage the video screens in the Control Room. We took hundreds of photos in so many different places such as on the News Set and in the Interviewing room. At the end we made John quite emotional by singing the old eighties

Channel 7 theme 'Hello Melbourne.' He asked us to sing it three times and told the Channel 7 people upstairs listen. It was an incredible tour.

Following the Channel 7 tour we had lunch across the road on the docks before walking through Harbour Town to look at the Melbourne Star. We then had a long walk back to Etihad Stadium

to catch our 12.00pm tour of Etihad Stadium. We just made it and were met by Ron our guide. Ron took us to the \$10 000 seats that had their own video screens as well as into the coach's boxes and the clubrooms. We sang *Twinkle Little Star* like a footy song in the rooms before moving to the press room. It was there we staged a pretend press conference. Hayley was the Coach while Blaise and Ewan looked after the lighting. Hayley was amazing as Coach and Ron said it was the best Press conference anyone had ever done on his tour.

Finally it was time for lunch in the freezing wind outside the ground before we walked back down to Channel 7 to catch our bus back home. It was an amazing day for both students and teachers and an experience none of us will ever forget. Thank you so much to Mrs. Hookey for coming with us and a big thank you to the Donburn children who were so beautifully mannered and behaved. You were fine ambassadors for our school.

### MINECRAFT: Games Online Part 2

A very popular game that many children are playing online is **Minecraft**.

**Minecraft** is a construction game where players build block structures to protect against nocturnal monsters. Minecraft is a game which promotes problem solving skills and mathematical thinking. Below are a few facts to be aware of if your child is playing **Minecraft**.

\*People of all ages can play **Minecraft**. However, children under the age of 13 are unable to create a Mojang account without their parents' permission.

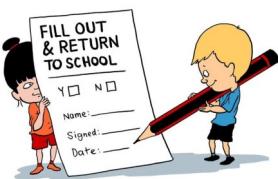

\*By default, if you are playing a demo version of **Minecraft** your email address will be displayed instead of a username. If you are playing with a paid version of **Minecraft**, your username, age and country location can be seen by other players in the game.

\*If you do not want to share any information with other players, you may choose to create and/or play on a private server.

\***Minecraft** are unable to moderate player behaviour or server content. All servers are privately run, and players are responsible for their actions server to server.

\***Minecraft** can be played for free by downloading the demo version of the game.

\*For a fee, you can purchase a paid **Minecraft** account that allows you to download the full version of the game. This would require credit card details to be provided online.

Over the two days we played 9 games, we won five and drew one. We had a lot of fun even though we lost. Our best game was when we won 6-0. Bessarian scored a goal from half way. Sera scored a goal to tie a match 3-3. Brendan and Soumar passed to each other and Brendan scored a goal!

### Girl's team

The girls soccer team played four matches including the finals. We lost our first game, drew our second and won our third game. We made it into the grand final and won 2-1 in overtime. We now advance to the next level and represent Donburn proudly. GO DONBURN!

### Boy's team

The All-boys team competed in eight games at Donvale Reserve. We won five games and lost three. A highlight was when our whole team lined up together as a wall and when the other team attacked, we sprinted towards them and stole the ball off them. We had lots of fun playing the 'beautiful game'!

### Team B

We played three games and unfortunately we lost two matches and drew one. We played fairly and had a fantastic time. Our team noticed that we improved a lot from the first Round Robin and we were very proud of ourselves. Overall, it was a great day.

### Mixed team

We played four games and we won the first one and lost the next three but we played really well as a team. Every school had great sportsmanship. Thanks Miss Thompson for helping us and being a great umpire.

### Mixed team

We played at Doncaster Secondary College. Unfortunately we lost all our games but some of the highlights were when Raf dived to the front of our side, skinned his knee and caught the ball just before it hit the ground. Also, Joe did some really good slams which tricked the opponent and just made it over the net!

## TABLE TENNIS

As part of the Sporting Schools program, Year 6 children had an opportunity to be involved in table tennis. Our school now has four brand new table tennis tables as well as the necessary equipment to play.

Some children went on to be coached in an advanced class by John from Manningham Table Tennis Club then participated in a tournament on Sunday, 26 June. I was able to briefly attend and the Donburn children performed very well.

Thanks,

## RUBY RUNS AT STATE CROSS COUNTRY

### School Sport Victoria -State Cross Country Championships Bundoora Park 2016

Last Thursday I competed in the Victorian State Cross Country Championships, running 3km.

Before the race I was really nervous but excited, as I knew I was competing against some top quality girls. In tough and wet conditions I ended up coming 6<sup>th</sup> out of 96 girls in the state.

I am very proud of myself and I am now the emergency for the Australian National Cross Country Championships, which will be held in Canberra.

I had heaps of fun and can't wait for more exciting opportunities in the future. Thanks to all of my friends, family and Donburn for your support during my journey.

We plan to have some rides, stalls, and activities for the children to enjoy and we are planning to cater for the whole school so there will be plenty for everyone to do. If you have something you would like to contribute eg. coffee/food van, face painting, art activities, sports activity you think the children will enjoy, please let us know.

Also if you have a business and can donate something as a raffle prize, please let me know. We will be advertising the businesses that are contributing throughout Term 3.

I would like to say a very big thank you to all the extra helpers we have had this year. Earlier in the year we started out with our usual team and when I put the call out for more help I was so thrilled to see new mum's and dad's stepping up and helping out with P & F. I hope they have found it is not as scary as they might have thought.

A special mention to Bronwyn Milner and Desi Georgiou for running the Voting Day Sausage Sizzle and for volunteering to do Chomp & Chew. Patricia Molesworth for helping out with the Stall's, Nadan de Luca for co-ordinating the Donburn Spring Party, and all the other new mum's that have helped bake goodies for our Crazy Hair Day and Bake stalls. We really appreciate your help and couldn't run these events without you.

We will be returning the last of the Entertainment Books, so if you want a book, please come to the office to purchase one. You can always purchase digital copies via the website link [www.entbook.com.au/185a392](http://www.entbook.com.au/185a392), but we will be returning the leftover books in around 2 weeks time.

Thank you all for your support and a special thanks to Wes & Nicole Minster, Stephanie Fua and Adi Garcia for your help on the day! Some Donburn children also got involved helping to serve customers - thanks guys! We also would like to thank Tasman Meats - Mount Waverley for supplying the sausages and donating 2kg free of charge.

We are proud to have raised \$680 and look forward to supporting the school again soon.

We will be asking for willing parent helpers closer to time.
