MESSAGE FROM EDUCATION DEPARTMENT

Dear Donburn parents

As part of the Department of Education and Early Childhood Development's Health and Safety Management Plan, new labelling will be installed at our school.
The labels remind people to contact school reception prior to undertaking any works at the school, to ensure they have up-to-date information from the school's asbestos register.
Asbestos - which was used extensively in building materials in the past but is now banned - is considered safe unless damaged or in poor condition.
The new labels form part of a comprehensive program to ensure Victorian government schools remain safe.
Children's safety is our number one priority. That is why we are taking this extra step as a precaution.

Kind regards,
Julie Hoskin - Principal

HAVE YOU APPLIED FOR THE (CSEF) CAMPS, SPORTS AND EXCURSIONS FUND?

Parents are reminded that if you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for the CSEF.
A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements.

The annual CSEF amount per student is:

- $125 for primary school students
- $225 for secondary school students

How to Apply

- Contact the school office to obtain a CSEF application form or download from the CSEF website. Applications close Friday 2 June.

NEW FOOTY GOAL POSTS - VOLUNTEERS NEEDED

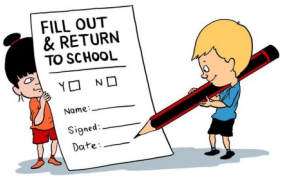
The school has purchased new goal posts for the oval. We need these to be fitted and need some willing volunteers to help with this job. Specifically we need someone with experience in mixing and laying and concrete who also has a concrete mixer they would be able to supply.

We also need some extra hands to help with laying the concrete, assembling and positioning the goal posts.

Note: we will be digging the holes with a machine (not by hand!!).

We are aiming to do this on a Sunday and will need between 4-5 hours to finish the job – even if you can spare a few hours it would be appreciated.

Please contact John Conte on 0413 288 425 or aerochute@hotmail.com



I am able to help install new goal posts.

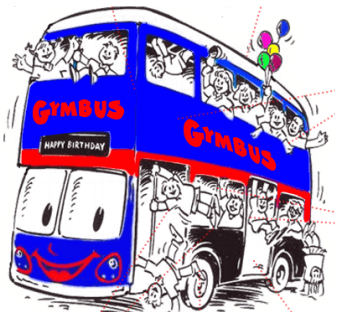
FOUNDATION AND BUDDIES FAMILY PICNIC



On Friday evening Donburn hosted a very enjoyable Foundation welcome picnic.

It was a great opportunity for the families new to Donburn to meet other families within the school community as well as the Donburn staff.

The children had a wonderful time playing in the Gymbus and everyone who attended enjoyed the beautiful weather .

Overall it was a fabulous evening and all the Foundation students keep asking when the Gymbus is coming back to school!

PLANTING TOMATOES

At the end of 2016 eighteen small tomato seedlings went home over the summer holidays with Donburn children.

We were excited to see twelve plants return at the start of the year. They were planted in the school vegetable patch by a group of year 1 students at the end of the first week of school – let's see how many tomatoes we can grow!

The students also harvested sunflower, parsley, carrot, cabbage and onion seeds that we will propagate later this term.

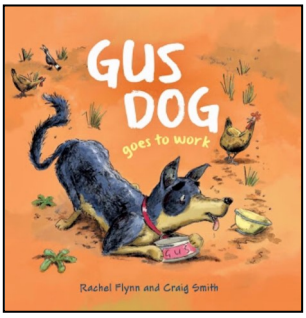
LIBRARY NEWS

Library is open in the Mornings- Early bird gets the worm!

Did you know that the Library is open between 8.45am-9am every morning Monday- Friday. Parents and students are welcome to visit and borrow books each morning. It's a great chance for all the book worms to browse and borrow on a more regular basis than once a week in their Library lesson.

Help needed to contact books!

Are you good at covering books in contact? We need your help! We are lucky enough to be getting lots of lovely new picture, chapter and information books. It would be great if you could help me to contact some new books. Please visit me in the Library to learn more. Hope to see you soon.

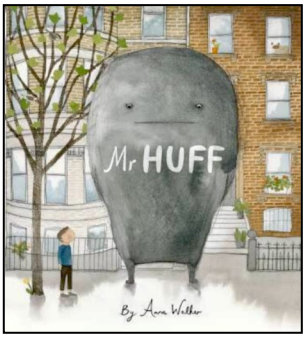


'Gus Goes to Work' Picture Book Launch

On Saturday 11 February I was lucky enough to attend a book launch at The Little Bookroom in Carlton North. The book is called 'Gus Goes to Work.' It is a gorgeous book about a sheep dog who one day decides to go to work on his own after he can't find his owner Tom the shearer. The author Rachel Flynn really captures country life in Australia. The talented illustrator Craig Smith taught us how to draw a sheep dog and a cow! There was also a sheep dog pup and adult dogs who were also enjoying the story. Rachel and Craig signed a copy of the book which we have to enjoy in our Donburn Library!

CBCA Book Award Winners

I would like to share some news about award winning picture books in our Donburn Newsletter. Each book has been selected by the 'CBCA' which is the Children's Book Council of Australia. I will share these wonderful books that are all available at our lovely Donburn Library.

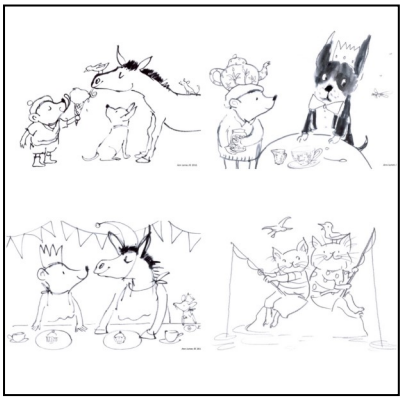


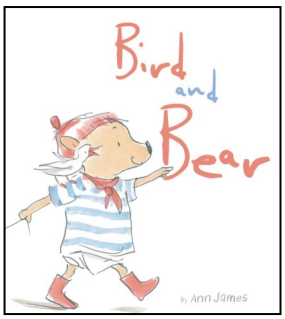
The first book I would like to share is called 'Mr Huff' by Anna Walker which can be enjoyed by all ages. It is a gorgeous book that explores how kids deal with the worrying feelings and anxiety that accompany a bad day. It demonstrates to children that it is always good to have hope for tomorrow and helps them cope with being in a huff or bad mood. The illustrations teach children how colour reflects feelings and emotions and can depict the characters moods. Overall it guides children how to feel better in bad situations. It also allows them to celebrate happiness and the good things that happen to them each day. It is truly a story to cherish.

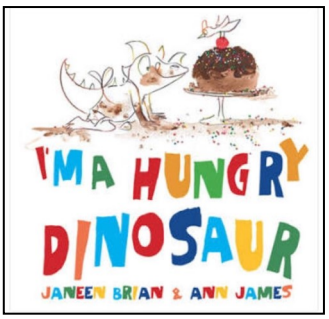
Ann James Colouring in Competition Runner Up Winner….is Amelia L in Year 1 at Donburn!

At the end of Term 4 last year in our Library lessons we did an author study on the talented and well-loved Australian illustrator Ann James. Ann has illustrated more than 60 children's books, some of which she also wrote. These included 'Bird and Bear,' 'I'm a dirty dinosaur' and Ann illustrated Margaret Wild's highly commended 'Lucy Goosey'.

As part of 'Reading Australia's' 3rd birthday they celebrated by releasing exclusive colouring sheet for 4 weeks. So there were 4 different colouring in sheet designs for Foundation- Year 6 students to colour with their own individual imagination and artistic flair.





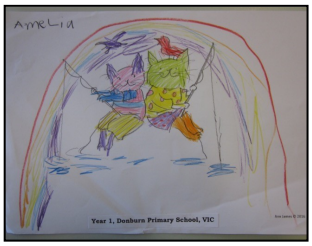


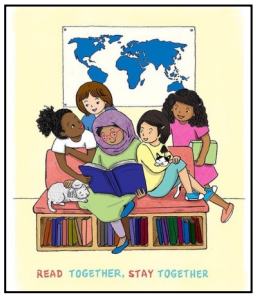
LIBRARY NEWS

Please find below a collage of some examples of the students work which reflects a diverse range of gorgeous artistic talent.

I love the way each entry is different and special in it its own unique way. It shows the way students can use their imagination and how they each interpret and colour the same image.

Amelia L was chosen by Ann James to be the runner up award winner and she will receive a book by Ann James as her prize. We are very proud of Amelia! What a talented young artist! To the right is a picture of Amelia and her winning entry!





Lastly I wanted to share this beautiful artwork below by @aramkimart.

This image is so gorgeous and reminds us that readers all unite through their love of reading. Books can connect, bond and allow us to share stories all together in harmony.

Andrea - Librarian

TANVI READS HER WAY TO A BIG PRIZE

It all started on the holidays. I went to my local library at The Pines and borrowed some books to read. When we were there we found out that the Summer Reading Club was on and I decided to enter into it. The aim was to read as many books as possible over the holidays. I managed to read 90!! All of them were chapter books. My favourite ones were from the 'Rainbow Magic' series.

On the day of the award ceremony mum picked me up from school and took be to the library. I got a huge shock of surprise when they announced me as one of the winners!! When the librarian gave me a paper bag it was heavy… I looked inside and… I WON AN IPAD!!! 1 of 8 IPads was in my bag! IPads were given as the prize to the top 8 readers and I was one of them!

Looking forward to continuing our eSmart journey with you,

P.S. Please be on the 'lookout' for our 'Student User Agreement' for 2017 to come home soon. Please discuss this with you child at home to ensure they fully understand what is expected of them as we aim to ensure competent 'Global Citizens.' The Student user agreements will need to be returned to school, signed, before your child will be able to access ICT whilst in class. Thank you for assisting us to educate informed 'Junior Global Citizens!'

Warm regards,

'Cyber-Safety Corner'

The Importance of Maintaining Privacy

Parents please discuss with your children the importance of maintaining their privacy whilst online. It is vitally important that our students know how to be a safe and respectful 'global citizen.' This involves never posting private or sensitive information on the internet or on social media. Posting photos of themselves requires parent approval. Posting or uploading photos or videos of others requires the permission of their parents/ guardians

The ***Office of the Children's eSafety Commissioner*** has developed a website which provides valuable information for parents and children about staying safe and being responsible when they are online. The Office of the Children's eSafety Commissioner hopes to encourage behavioural change - where Australian children and young people act responsibly online – just as they would offline. Their goal is to create an environment in which cyberbullying is truly unacceptable. To achieve this, they hope to both educate and help prevent harmful online behaviour from occurring in the first place.

Go to the following link to see the wonderful resources available on the 'iParent' section of the website - https://esafety.gov.au/education-resources/iparent. The iParent portal provides information for parents who wish to keep on top of their children's technology use. While children might seem to be tech savvy, they still need a parent's guiding hand to help make sure their online experience is positive and safe.

HAPPY CHINESE NEW YEAR

Our mission at Donburn Primary is to develop critical thinkers and passionate learners who can move fluidly and confidently across cultures.

In Chinese astrology each zodiac year is associated with an animal sign, plus one of the five elements. 2017 is the year of the Rooster, and the element is fire. Students are enjoying learning about the Chinese New Year traditions.

PARENTS AND FRIENDS ASSOCIATION

Parents & Friends Committee AGM and 2017 Welcome

Welcome to everyone for an exciting year ahead at Donburn Primary. The P&F AGM was held last Friday, February 10 and it's my pleasure to introduce the committee position holders for 2017:

President: Michelle Chryssafis Vice President: Bec Siddiqui
Treasurer: Jan Wijesekara Secretary: Bronwyn Milner

As a committee, we are always pleased to welcome back familiar faces, but this year, we are particularly pleased to warmly welcome many new faces.

As I go into my 5th year on P&F and my first as President, I look forward to working with a great bunch of parents who have come on board with such wonderful enthusiasm and fresh ideas. I also sincerely appreciate the enthusiastic support of Julie & Jarod who have embraced he numerous new ideas and feedback and are just as excited for the year ahead.

This year we are aiming to create a Community Feel with our fundraising efforts. Our regular events: The Stalls (Mother's, Father's & Christmas), Chomp 'n' Chew & Chocolate Drive will all run in some form throughout the year. The 5c challenge, introduced last year, will also run. A number of events with a community feel are currently being discussed and will be announced in due course.

We are looking forward to another successful year of fun and supportive events for the school and if you have any ideas or feedback (what event would you like to see/go?), I'd love to hear from you.

The next P& F Meeting will be held on Friday February 24 at 9am (Staffroom) where we will outline the timeline of events for the year. We try our best to run the meetings for no longer than an hour. Pre-schoolers are most welcome as are more new faces.

Finally, a warm thank you from myself to those who elected me into this role, and those who have already approached me wishing me all the best. I've no doubt that I am surrounded by a great team and look forward to putting on some fun events through the year, whilst continuing to meet new families.

Regards,
