Friday	27 October	World Teacher's Day Assembly
Wednesday	1 November	Public Speaking Night - Year 6
Monday	6 November	Normal school day
Tuesday	7 November	Melbourne Cup Day Public Holiday
Friday	10 November	Assembly First 2018 Foundation Orientation Day 2pm - 3:20pm
Monday	20 November	School Council Meeting 7pm
Thursday	23 November	2018 Foundation Information Evening 7:30pm
Wednesday	13 December	Parent Helper Morning Tea
Tuesday	19 December	Year 6 Graduation
Thursday	21 December	Last day for 2017 (3:30pm dismissal)
Friday	22 December	Curriculum Day (no students this day)

Dear Parents and Guardians

Congratulations to Michelle and her team of helpers from the P&F on a wonderful afternoon last Friday. The Spring Fair was a great event! The buzz around the school was very positive and everyone had a fun time. The event raised over \$2000.

Thank you to all parents who met with the panel for the School Review on October 12. The feedback was very constructive and will be used by Barry Soraghan, the reviewer when he writes up the report for Donburn. Students and teachers were also interviewed by the panel and their feedback was also valuable.

Leah A (6H), Raf T (6TW), Joshua A (4F) and Jacob (2K) all attended presentation ceremonies at LaTrobe University on Monday morning October 23 to receive their bursaries. They also visited the displays of entries. Great ambassadors for Donburn! Well done!

Leanne Renehan has run the uniform shop this year and we are looking for a new volunteer for next year. If you are interested, and have one afternoon per fortnight available to open the shop, you can contact Leanne on 0402 056 989 and find out more about the role.

We are starting to make our plans for 2018 and have included a form for families to fill in if they are not planning to return to Donburn in 2018.

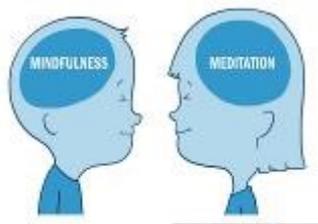

Jarod and I are continuing to meet with the architects and went to look at Boronia Heights Primary School on Monday to see their building program to get ideas for the Donburn project. Plans have not been drawn as yet but the architects are getting thoughts and ideas together. Building will not happen until at least the middle of 2018.

Friday 27 October is World Teachers Day and I would encourage all parents to acknowledge the outstanding work of our teachers on this day.

Kind regards

Julie

WALKING CLUB TUESDAY & THURSDAY 8:30AM

Walking club will be back again in Term 4!

Come and join Miss Brunetti, Miss Tseregounis and Miss Kiel on Tuesday and Thursday mornings from 8:30am for a mindfulness walk around the Donburn school grounds.

We will be focusing on using our sense of smell, sound, sight and touch in order to discover how to be mindful.

Our meeting point will be on the oval.

Hope you see you there!

SCIENCE TALENT SEARCH - EXHIBITION DAY

The 66th Annual Victorian Science Talent Search held their Exhibition Day at La Trobe University on Monday October 23. At the Exhibition Day, the projects of students who won a bursary were on display at La Trobe University's Union Hall. These students were also part of an awards ceremony, where each bursary winning student was presented with a medal and a bank cheque for their outstanding effort in the competition. The following Donburn students received a bursary for their entry and were part of Exhibition Day:

Joshua A 4F – Major Bursary (Inventions)

Raphael T 6TW – Major Bursary (Video productions)

Leah A 6H – Minor Bursary (Creative writing: picture book)

Jacob K 2K – Minor Bursary (Scientific wall chart)

Congratulations again to all the students at Donburn who submitted an entry into this year's Science Talent Search.

Lauren Maher - Science Talent Search Coordinator

SCIENCE TALENT SEARCH

PREPARATION FOR 2018

Discussion regarding the class structure for 2018 has already commenced.

For this process to be successful we would appreciate information regarding anticipated changes. If your family will **not** be returning to Donburn Primary we would appreciate notification as soon as possible.

Thank you for your assistance.

INFORMATION REGARDING 2018 SCHOOL YEAR

The following student/s will **NOT** be returning to Donburn Primary in 2018

Name/s:

.....

BUDDY BOOK NIGHT 2017

Wednesday night last week, the staffroom was a buzz with excited chatter as the Foundation and Year 6 students arrived in their pyjamas for their special Buddy Book evening.

As part of the Year 6 writing program, the Year 6 students wrote and illustrated an individualised picture storybook, based around a zoo setting, dedicated to their buddy.

The occasion commenced with our Librarian, Andrea reading a picture story book to all the students called 'Puddles are for Jumping'. Next, the Year 6 students proudly presented their own picture books to their buddy. It was truly a special moment, watching the happy expressions on all students' faces.

Andrea read a bedtime picture storybook to the students, where some of our younger students were beginning to show signs of sleepiness after such a happy and exciting time. Below is a reflection written by one of our Year 6 students!

Andrea Sertori- Librarian

Buddy Book Night 2017

Back in 2011, I started my journey through school, and in that year my Year 6 buddy gave me something I would remember forever, my buddy book. This book was especially crafted for me and I loved it, so I have kept it. Many years later, lots of people have left and lots of people have come into our grade, but the thing that I was most was looking forward to was being a Year 6 Buddy.

Finally, after 5 years of waiting, I got to do buddies and I have enjoyed it so much, with Charlotte being a bright girl. Then the thing I was most excited about this year, finally happened. The writing of a picture book for her. I had looked forward to this time for 6 years and it finally happened. I worked hard on my book and it was ready to present.

On the Buddy Book Night I was so excited to present my book and I was so happy when I read it to Charlotte. At the end of the night I felt extremely proud that Charlotte will have my picture book for a long time, until it is her turn to make a book for her buddy!

Michael W - Year 6

PE & SPORTS NEWS

FOXTEL TIM CAHILL ACADEMY

Last term we were privileged to have Robbie Anderson (who has worked with famous soccer players both in Australia and overseas such as David Beckham and Tim Cahill) take all our Year 3 & 4 classes for some clinics.

On September 20, the coach of the soccer team Everton came to Donburn to give some of the students some soccer tips. Every time we put our hands in our pockets or crossed them when he was talking we owed him 1 dollar each time we did it. He also spoke in different languages they were French, Spanish, Welsh and English. It was a fun day and thanks heaps to Robbie, the Everton coach

By Joel and Mackenzie 4O

Robbie taught us lots of control techniques for soccer and we played a game of follow the leader with our partner while dribbling the ball. We all got a t-shirt each and some of us got it signed. It was tons of fun!

By Alina and Izaiah 4F

PE & SPORTS NEWS

ATHLETICS

Thirteen students competed in the Manningham Division Athletics two weeks ago in both individual and relay events. There were some great performances with five students further progressing to the Eastern Metropolitan Regional Athletics.

Congratulations to Phoebe R (4th in high jump), Tara F (6th in triple jump), Demi R (6th in 200m), Mia D (16th in 1500m & 10th in 800m) and to Bridget H who competed in both the multi-class shot put and 100m. Baran D was also to compete but unfortunately missed the day due to illness.

These are great results for all children involved considering there are eight divisions in the EMR and within each division numerous districts made up of up to 8 schools.

Thank you also to all the parents who supported all children who participated.

HOT SHOTS TENNIS FINAL

Our Boys Hot Shots team played Serpell PS last week in the Manningham Division Final.

All boys played really well but unfortunately weren't good enough to progress to the next level. We won 2 matches out of the 12.

Thanks to both Troth and Anthony Yeung for supporting the boys on the day.

Anna Papamichael

News Update 13, 2017

'Cyber-Safety Corner'

Location Services and Geotagging

Geotagging is the process of adding a geographical location to the posts or photos you add to your social media page. While this may seem “cool” to check in to different locations on your Facebook or Instagram, it is important to think about and understand the dangers of doing so. Think to yourself, do you really want people you don’t know knowing your current location or where you have been that day? Most phones have the default setting of Location Services as ‘on’ and this is where Geotagging gets its information. Knowing this, it’s a good idea to go into the apps and settings on your phone to check the location settings and simply switching them to “off”.

Created especially for Parents

There’s a wealth of information for parents located at the website below. It’s full of great tips and advice.

<https://www.esafety.gov.au/education-resources/iparent>

The picture on the right give parents some valuable tips for keeping their children safe whilst using devices on the internet.

Jeremiah Juric and Robyn Fraser

Junior eSmart News..... Online Safety

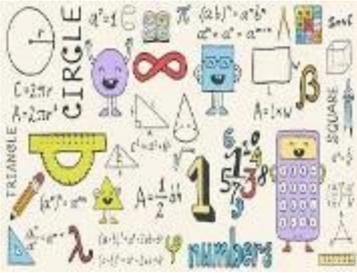

How to turn location services off.

iPhone: Leave the social media app and go to iPhone settings. Tap privacy and go into location services. Scroll down and tap the social media app. Select never or while using the app to choose location access.

Samsung: Use two fingers held slightly apart and pull down to the extended menu. Then tap the location icon to turn it on or off. Adjust location setting. Tap location. Use the switch to turn location off.

MATHS OLYMPIAD/GAMES

During terms 2 and 3 a very talented group of students from Years 3 to 6 have participated in 5 competitions that challenges a student's ability to solve mathematical problems in a creative manner as opposed to reaching a solution using a prescribed methods. The main aims of the competition are to:

- Introduce important mathematical concepts
- Teach strategies and develop flexibility for problem solving
- Encourage creativity and strengthen intuition
- Promote enjoyment of mathematics

The following students in Years 3 and 4 competed in Maths Games.

Richard A, Atiya A, Lily A, Jamie B, Christopher C, Charlie D, Joe D, Maya D, Will D, Chloe F, Luke H, Matthew H, Ayden H, Ariana H, Dylan H, Marie J, Jessie L, Trent M, Sam M, Alina M, Aadhithya P, Michael Q, Harrison S, Saanidhya S, James W, Jayden Y and Sean Z.

These Year 5 and 6 students competed in Maths Olympiad.

Lilly A, Adriel A, Jacob B, Chloe B, Zachary C, Tahlia D, Mia D, Tara F, Ewan H, Aaron K, Dicony K, Annie L, Xander L, Wooshin P, Sam R, Joe R, Aahana S, Brendan S, Calum S, Amelie S, Daran T, Dave T, Erica V, Michael W, Lauren W and Michael Y.

All students should be extremely proud of their efforts as the problems they faced required them to think creatively and persist. Dicony and Annie are also to be congratulated for achieving the highest individual scores in Maths Olympiad. Well done to all students involved.

Kris Pepper - Maths Olympiad Coordinator

KITCHEN GARDEN CLASSROOM

Thank you for your support of Donburn's Kitchen Garden Classroom!

We have been so excited to see the big selection of donated equipment for the kitchen. We will be sorting through it all this week and purchasing the final missing items to have our kitchen set up complete.

A big shout out to the Wu family (Mary-Jane and Mitchell) for your large donation of items.

Thank you also to all families that purchased plants, produce or corn on the cob from the spring fair. We had a ball putting it together and we can now finish setting up the kitchen.

Any equipment you would like to donate to support the kitchen garden program can be dropped off at the office.

Kathryn Manago and Naden De Luca

PARENTS & FRIENDS COMMITTEE NEWS

Last Friday the weather held for the Donburn Spring Fair. There was fun for all, with the giant slide and eventually the Chair-o-plane, teacher target, chocolate toss, soccer, face painting, karaoke, book and jigsaw stall to mention a few. Some students across various year levels got involved and also ran or supported stalls.

The cake stall provided something for those with a sweet tooth, while hot corn (from the Kitchen Garden), hotdogs and tornado potatoes provided something a bit more substantial.

A huge thankyou to the teachers and staff who supported this event, those people who helped plan it, those who donated, and to everyone who helped set up on the day, run a stall and/or pack up. Without these people such an event is not possible.

I loved making badges and going on both of the rides! The Spring Fair was the best!
Arlo - Foundation J

Whilst the Spring Fair was a fundraising event, a major aim of the event was to provide an opportunity for parents to come together in a social environment. It was great to see so many families and children of all ages enjoying the atmosphere and festivities.

Michelle Chryssafis

P & F President

My favourite thing at the Spring Fair was getting my face painted as a rainbow tiger.
Lily -
Foundation J

Spring Fair

Loved the slide and 'Wet the teacher'. So many things to do. It was a really fun night with all my school friends. Mikayla 6W

The tornado potato was delish. Throwing the sponges at the teachers was the BEST. Charlie 3W

I loved the tornado potato it was soo yum. The slide was so fun, I went on it 5 time! The food was delicious and everything was so fun. I can't wait to go next year. Zoey 3W

WALK TO SCHOOL IN OCTOBER

WONDERFUL WALKERS!

Congratulations to Class 4O,

inaugural (first) winners of the

'Golden Runner Award'

as the best walkers to and from school in the first week of Term 4.

WEEK 2 WINNERS!

Class 2B were the best walkers last week, so they hold the trophy.

Great effort 2B.

Keep walking, riding or scooting to and from school in October!

'Golden Runner Award'

Which class will win this week?

WELL DONE AGAIN TANVI

Congratulation to Tanvi for 3rd in the district round. She has qualified to play the Regionals Golf Victoria Tournament in Kew on 10 November.

Congratulations Tanvi.

CANTEEN

Canteen (Monday, Wednesday and Friday) is a vital resource to our school and a great way to make friends with other members of the Donburn community.

THE POWER OF FAMILY RITUALS

BY SABINA READ

Since our kids were infants, we have massaged and quietly tickled them at bed-time while listening to classical music CD “Music For Dreaming” playing softly in the background. This simple ritual had a multitude of benefits including creating a wind-down cue for our children that sleep time was approaching, strengthening the parent and child bond through touch, not to mention the calming of weary parents as we lay with our children and shared the soothing sounds of uninterrupted lullabies.

At The Family Peace Foundation, we are passionate about strengthening families and minimising family conflict using simple, evidence-based and accessible strategies and tools. One powerful practice known to strengthen families is the creation and practice of family rituals. Family rituals help to create a sense of belonging and identity, and are positively associated with a child’s socioemotional, language, academic and social skill development. When practiced regularly, rituals

strengthen the connectedness between partners, and parents and their children which helps build stronger family bonds.

With so many known benefits, some readers may be wondering what rituals are recommended to incorporate into family life. Luckily the answer is almost limitless!

While regular trips to Disneyland may rank high on your kids list as a ritual they would like to adopt, potent and meaningful rituals need only be enjoyable, accessible and able to be practiced regularly for them to become a sustainable thread in the fabric of any family household.

In fact, many families will probably already be involved in simple rituals such as meal sharing. Recent studies link regular family dinners with positive outcomes including lower rates of substance abuse, teen pregnancy and depression, as well as higher grades and self-esteem. **Regular family meals also lower rates of obesity and**

THE POWER OF FAMILY RITUALS

BY SABINA READ

eating disorders in children and adolescents.

There is no recipe for the perfect family ritual. Other rituals may include cooking special dishes to celebrate birthdays and other significant milestone events, going for a family walk after dinner, playing cards one night of the week, reading books in bed or on the couch quietly in each other's company, singing silly songs to pets, a secret family hand-shake, playing I-Spy on long car trips, watching Modern Family together on a Sunday night, sharing a jam donut at the footy, or story-telling while looking at old family photos.

Strong connections are built on the small, loving things we do and say regularly, not the one-off bells and whistles outings that end up on Facebook! Family rituals help build a sense of security and predictability, and say “this is who we are” as a family. When over the years, moments of uncertainty and insecurity inevitably visit us, a history of rituals provides a robust template of belonging and meaning to take into our adult years.

When a family practices and relishes a range of rituals, parents may also benefit from a big tick in the parental-efficacy box, and the knowledge that the family is connecting and delighting in its bite-sized, regular, ritualistic moments. Sometimes I joke that when our now-teenage daughters eventually get married, I'll lie down next to my new son-in-laws to tickle them off to sleep while playing gentle lullabies! But in reality, I'd be thrilled if our girls and their partners tickle and massage their own kids to sleep knowing that our sleep-time ritual lives on.
