Dear Parents and Guardians

There has been such a buzz around the school over the past two weeks! The production *An Absolutely Unreal Deal* was a resounding success. Everyone who attended was impressed with the standard of the student performance thanks to our music teacher Grant Puglia and his team of helpers. The confidence and enjoyment of all the students shone through! Last week there was a celebration party for the cast and now Grant is on leave with his family in Hawaii!

Last Friday we had teachers from Beveridge Primary School visiting Donburn to see the teaching of Literacy in action. They were very impressed with the consistent approach that they saw across the school and that the students were very engaged in their learning.

I received a lovely thank you card from Kay and Leo Violini commenting on Grandparents Day saying '...you did such a lot of work with the children to make it such a memorable day for us. There were a few happy tears in our row of proud and happy grandparents! Thank you for making our granddaughter's school life so happy and positive.' Congratulations again to Julie-Anne, Pauline, Rosita and Grant for organising this day.

The theme for Book Week this year is *Escape to Everywhere* and Foundation – Year 2 students had Davina Bell present to them and tomorrow the Years 3-6 students will have Adam Wallace, a cartoonist who is famous in New York but based in Melbourne. The dress up day tomorrow promises to be a fun experience.

Kind regards

Julie

WALK TO SCHOOL IN OCTOBER

Get ready, get set for Walk to School 2017!

Donburn has joined the hundreds of primary schools across Victoria for a fun month of walking, riding and scooting to and from school. By participating, we have a chance to win some great prizes from VicHealth and Manningham City Council!

So every time our local families walk, ride or scoot to and from school during October, you increase our school's chance of winning!

About Walk to School

Every October, VicHealth's **Walk to School** encourages Victorian primary school kids and their families to walk, ride or scoot to and from school every day. It's a great way for the whole family to increase their physical activity level. Plus, it is a chance to enjoy more time with your kids and meet other local families along the way.

Along with the health benefits, it also reduces traffic congestion, saves on parking, helps us connect with family and friends and saves the environment!

Part way is okay! If you can't walk the whole way, why not try parking the car a few blocks from your school and walk, ride or scoot the rest.

Last year, more than 144,000 kids and their families took part in the program walking the equivalent of two return trips to the moon and with your family's help, we can make 2017 our biggest year yet!

There are so many great reasons to participate in **Walk to School** this October and we're excited to be part of the fun because getting active is even more fun when we do it together in Term 4!

LIBRARY NEWS

Authors write reply letters, postcards and pictures to students at Donburn!

Teaching the art of letter writing has been a lovely exercise to do during the students Library lessons. The students have been very excited to receive some lovely reply letters from their favourite authors. So far we have received replies from...

- **Andy Griffiths** who wrote funny illustrated and personalised postcards to many students at Donburn!
- **JK Rowling** who sent the children a letter and some interesting facts about herself for students at Donburn to enjoy!
- **Ann James** who painted a very special signed picture for Riana.
- **Adam Blade** who sent Jayden a Beast Quest T-shirt and some book teasers!

As soon as we receive more replies I will continue to pass them onto the eager letter writing students at Donburn

Andrea attends a fantastic Professional Development Literacy evening at Genazzano College!

On 2 August I enjoyed attending a Professional Development forum on **'Readers, Stories and Literacy'**. It was held at the lovely Grange Hill Library at Genazzano FCJ College. I always love hearing and discussing new books to discover from The Kid's Bookshop. I also enjoyed listening to the brilliant Dr Pam McIntyre who shared her favourite books that help all children engage in reading and also assist in enhancing literacy development. I also met Susannah McFarlane who created the D Bot Squad series .for reluctant readers. I got Susannah to sign copies of the series and I look forward to reading the fun series with the students at Donburn. I also loved the gorgeous image Susannah shared at her presentation.

TARA AND CHLOE ARE GYMNASTIC CHAMPIONS

Right after the year three and four camp, I participated in the Victorian Championships. I competed in International Level 7. It was a great experience! I competed over two days, Saturday the 10th and Sunday the 11th of June. I placed 1st on Bars, 4th on Vault, 8th on Beam and finally 4th All Around! My team came 1st in Victoria. I was very happy and proud of my results.

Chloe

On the 26th of August, I took part in the Waverley Junior Classic, which was also the Trans-Bass team qualification. I competed in National Level 6. I placed 1st on Vault and Beam, 2nd on Floor and 3rd on Bars and 2nd All Around.

My team came 1st as well. Out of over a hundred gymnasts in my level, I made it into the Trans-Bass team of 6. I will now be representing Victoria at the Trans-Bass Challenge competition in Geelong at the end of this year.

I can't wait to be a part of the Victorian team, and compete against Tasmania and South Australia.

TAEKWONDO CHAMPION - IAN P

Ian P from 3W participated in the 2017 ATV (Australian Taekwondo Victoria) Selection Championships last Sunday (03/09/2017) which was held at the State Netball and Hockey Centre, Parkville.

This was the only Victorian event sanctioned by AT (Australian Taekwondo) and as such the only pathway to the World Taekwondo Federation. From the ATV Selection Championships, Ian won a gold medal from his division (Youth 8 ~ 11 Years old Boy 28Kg~31Kg) and he is now qualified for the Victoria Team for the 2017 National Championships.

Below are the Ian's two sparring results. Please give Ian a big Hi-Five when you see him in the school !!!

COOKING OKONOMIYAKI FROM OUR GARDEN

Year 4O had fun making Okonomiyaki (Japanese pancakes).

On Thursday August 24th Kathryn, Nadine and Miss O'Reilly helped us to cook the Okonomiyaki.

Our first step was to hear what the rules of a kitchen were and how to prepare the dish we were making.

Secondly, we had to go out to our garden to harvest the vegetables we needed. We then washed our hands and worked in three groups to prepare the ingredients.

One group needed to prepare the eggs, spring onions and spinach. The second group needed prepare the carrots and sweet potato. The third group prepared the brussel sprouts and coriander. Once they were cooked, we sat down as a group to eat our Okonomiyaki and prepare a leafy salad with homemade dressing and edible flowers. Once we ate we then helped wash the dishes, clean our tables and sweep the floor.

We had an incredible day thanks to Kathryn and Nadine for helping us!

News Update 11, 2017

'Cyber-Safety Corner'

Online Safety

The security of our online accounts such as email and social media are often in the media spotlight and a topic for conversation, and this week has been no different. This past week, various Australian newspapers have published articles suggesting that there was a recent attack on over 700 million emails world wide. It is an important reminder for all of us to update passwords regularly. Make sure you include upper and lowercase letters as well as numbers to ensure your password is as strong as can be.

This week is National eSmart Week.

Students from Foundation to 6 will be participating in some special activities. Stay tuned in to the next newsletter to hear from our Junior Team.

Created especially for Parents

There's a wealth of information for parents located at the website below. It's full of great tips and advice. The picture below is directly from this site:

<https://www.esafety.gov.au/education-resources/iparent>

The picture on the right give parents some valuable tips for keeping their children safe whilst using devices on the internet.

Jeremiah Juric and Robyn Fraser

Junior eSmart News..... Online Safety

The internet is more dangerous than you think! Some of the dangers are scams and cyberbullying, which means you should always think before you press on an ad and ask a parent before you download or sign up to a social media site. Many people just skip the terms and conditions not even knowing what they have agreed to.

Here are some ways to stay safe on social media sites and the internet.

- Use strong passwords that have upper and lowercase letters as well as numbers. You should do this so it's harder for hackers to access your account.
- You should also keep your firewall security and anti-virus software up to date. This is recommended as it will help block viruses that could seriously harm your computer.

PARENTS & FRIENDS COMMITTEE NEWS

Hello Donburn Families.

A big thank you goes out to the P & F team who worked tirelessly in the background ensuring that all events ran smoothly and efficiently whilst I was away.

I am pleased to report that the Cadbury Fundraiser and Father's Day Photo booth, were a great success this Term. There are a few more Cadbury boxes available to sell. Please see the ladies at the office if you are interested.

Donburn Spring Party

Candice from Photoboothique was used for our first ever **Father's Day Photo Booth** and we hope all the special men were happy with their photos. Well done to Bronwyn Milner and her team of helpers in ensuring a great event.

Book Club is also running well with two Catalogues per term and a steady stream of orders coming through.

The Colour Run is replacing the Lapathon this year and is the final event for Term 3. The children seem to be getting very excited about getting covered in powdered paint and being sponsored to do so! We are hoping for a lovely day and parents are welcome to come watch. Full details on what is required on the day, sponsorship and parental consent is available through Compass, this Newsletter and on the school Facebook Page (Donburn Primary Fundraising & Events). Of course, I am always contactable via mishc@tpg.com.au or 0413 213 054.

Next Term we are hoping to hold a Spring Party on October 20. If you are willing to be on the Committee or help in some way on the day, we would love to hear from you. Without a team of helpers, this event will not be able to run.

Wishing you all well for the remainder of Term 2.

Donburn Colour Fun Run

We're upping the fun factor for our Lapathon fundraiser this year, by adding a big splash of colour with our first **Donburn Colour Fun Run**. The Colour Fun Run is an event for all students to participate in, where they will complete laps around the oval in a fun environment, with music and coloured powder stations at various points around the course.

As in past years, students will be asked to seek sponsorship to contribute to Donburn's fundraising efforts for the year. This year sponsorship can be managed and paid online via GOFundraise. Students can obtain donations from family and friends, and earn exciting reward prizes according to the amount of money they raise. The excitement climaxes in a blast of colour with the whole school taking part in the Donburn Colour Fun Run, to be held on the oval on **Friday, September 15** starting at **2:00pm**

Student Safety and Allergy Information

All measures have been taken to ensure that this event is safe for all students. Teachers will be positioned at colour powder stations throughout the course to throw the powder at the children's torsos. As wind and other factors may cause powder to land on the face, the school has organised a pair of sunglasses for each child as eye protection.

Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use, the products pose a low level of toxicology risk. The product is considered safe for use. The colour powder used in the event is high-quality corn starch (98% corn starch and 2% food colouring). It is biodegradable, environmentally friendly and washes out of clothing. Should you wish to view the ingredient listings of the powders, please see the staff in the office.

Parental Consent

In order for students to take part in the Donburn Colour Fun Run, parents need to complete and return the Consent Form below.
