16 December 2020

ISSUE 7

Dear Parents/Carers

I am thrilled to announce that the Minister of Education has approved funding of \$155 125.00 for an 'Upgrade to current staff area and facilities' at Donburn through the 2020- 21 Minor Capital Works Fund. The upgrade will be for the staff toilets which are the original facilities from when the school was built almost 50 years ago.

We hope to begin the assembly on Thursday at 2.30 pm to provide an opportunity to finish the year off in style! Due to the Covid restrictions we will run an outdoor assembly on the asphalt between the main building and the Year 1 & 2 area. Students are invited to bring a cushion from home to sit on and also may want to wear rain jackets because the forecast is for light rain. In line with Sunsmart policy all students will require a sunhat. Parents are welcome!

Please make sure you wear a mask and social distance.

Students will be dismissed at 3.30 pm on their last day- Thursday 17 December.

On Monday our students visited their 2021 classrooms, spent time with their new teachers and classmates doing some getting-to-know you activities. With the transition to a new class on everyone's minds, it is important that you help develop your children's resilience about meeting new people and experiencing new things. If you have conversations with your child/children about the benefits of a new class and teacher, it assists them to commence the coming year with a positive mindset.

Next year we will have twenty-one classes and I am expecting a school enrolment of around 480.

A very warm welcome to Samantha Johnstone (Year 3) and Alison Tobler and Tara Gibbs who are our new tutors for 2021.

Sadly Anna Papamichael (PE teacher) is retiring and Esther Tsang (EAL teacher) is moving on. We wish these members of staff all the best in their future endeavours.

The 2021 classroom teachers are as follows

Foundation Ellen Kiel Abigail Koh Nicole Veis

Year 1 Veronica Gogos Jodie Baruta Amy Thompson/Brian Whitehouse

Year 2 Kris Pepper Evan Terry-Whyte Lynette Hookey/Lauren Maher

Year 3 Marina Redmile Mark Whitehead Samantha Johnston

Year 4 Robyn Fraser Jenny Ota Sophie Hartman-Smith

Year 5 Caitlin Wightman Ashleigh Walker Julie-Anne Tseregounis

Year 6 Matt Dickins Meika Hubble Petra Berglund

On Tuesday night we celebrated the Year 6 Graduation online. This is always a wonderful evening for our Year 6 students and their families. A highlight was the sharing of a meal together in the beautifully decorated staffroom. After this the students sat together in the hall and watched their Graduation Ceremony which was streamed live for their families to watch at home. All students introduced one another very confidently and the teachers and school captains gave a positive overview of their primary school days and they all performed beautiful songs. Thank you to the Year 6 teachers- Matt Dickins (leader), Meika Hubble, Petra Berglund, Grant Puglia, Cathy Marani, Andrea Perrin and Mandy Gebert for preparing the students for this evening.

Thank you to Cathy Marani and her helpers who organised and served a beautiful Graduation Dinner in the staffroom and hallway. Thank you to Sarah Dickins for the balloons and decorations for the Graduation Evening.

Special thanks to Will Dunlevie, Brodie Wolst, George Vlachos, Michael Chryssafis Lilly Amor and Emily Steel, for helping around the school over the last few weeks!

As we reach the end of an incredible year – I would like to take the opportunity to reflect and say thank you to all of the members of the Donburn School Council. Council has embraced the virtual meeting environment and continued to meet twice a term over the year and we have continued to provide the governance and oversight of the school and activities listed below.

The following people make up the dedicated school council team. They work tirelessly and contribute hours of their own time to ensure that Donburn Primary School continues to provide caring, nurturing and positive education for all our children. This wonderful group of people are a pleasure to work with and I thank each and every one of you. Thank you to; Erika Kennedy, Stelios Georgiou, Naden De Luca, Sanobar Arefeen, Wei Liu, Elena Lee, Veena Somaya, Lisa Sampson, Lianne McNaughton, Julie Hoskin, Jarod Ryan, Caitlin Wightman, Ashlyn Kent, Meika Hubble and our minute secretary Nena Sadler

School Council Activities over 2020

Building and Ground Works

We have continued to have a busy time with improvements to our buildings and grounds over the year, as we were able to progress many works whilst the students were not on site. You will have noticed the upgrades and rock placement along the area between the Grade 4 classrooms and the front entrance – the children are loving sitting, climbing and walking on these! We have had the exterior of the buildings repainted, new perimeter fencing installed, upgrades to the CCTV system, ongoing gardening and maintenance work and of course the installation of the “gaga pit” at the outside the Grade 4 portables (this has been a consistent favourite activity of children when they go on camp and a request from Junior School Council!). Of course, we are now reaping the rewards of the work done on the oval at the end of 2019 – and our oval surface is lush, green and a lovely space for the children to enjoy.

Education Sub-Committee

We are very fortunate to have an extremely active, dedicated and productive education sub-committee – led by Erika Kennedy. This group have done an incredible amount of work in policy & procedure development, archiving and ensuring that all our policies are up to date and in line with Dept Education requirements. This is incredibly important work that goes on behind the scenes – and is vital in ensuring our children have a safe and effective learning environment. A huge thank you to Erika and her team!

Out of school hours care

Camp Australia will continue to provide the before and after school hours service to Donburn Primary School into 2021. We look forward to an exciting sessional program and a continued relationship with Camp Australia.

Canteen

In late 2019 and early 2020, School Council commenced a review of the canteen processes, ordering systems and menu. We had made significant progress towards updating our canteen and then COVID hit – which paused our plans. We will pick this up again in early 2021 and will be providing more healthy food options, improve efficiencies and streamline the service...watch this space!

Parents & Friends (P&F) Activity

P&F activity has been reduced due to COVID this year, however the dedicated P&F team will be back in action in 2021. They are always keen for more helpers, so if you are interested, please contact the office.

As we are coming to the conclusion of what has been an incredible year, I would like to extend a heartfelt thank you to the following people:

All of the amazing teaching and support staff for your amazing ability to “pivot” and “adapt” to the challenges of 2020. You continued to teach, support, guide, motivate and nurture our students through the most difficult of environments – whilst maintaining smiles on your faces. Thankyou for all of this...

Our wonderful admin team (Nena and Karen) who managed to continue to field calls, questions, manage IT breakdowns – all whilst ensuring the school continued to function. Your patience and ability to manage multiple tasks at the same time never ceases to amaze me!

To Julie Hoskin and Jarod Ryan who have led Donburn through this incredible period. You approached this with great wisdom and a calm and flexible approach – but with uncompromising focus on student and staff safety and wellbeing. Thankyou to you both – the students are back learning and thriving.

Merry Christmas and Happy Holidays

I would like to take this opportunity to wish all of our wonderful staff, our students and their families a very Merry Christmas and a happy and safe summer holiday. To those families and students who are leaving us for high school, we wish you a smooth transition and a future full of adventure. To those families and students who are returning in 2021, we look forward to a happy, calm and ‘routine’ year ahead. Stay safe and enjoy a well earned break.

Kind Regards,

Caitlyn Green - School Council President - 0425 757 832

COMPUTER SCIENCE WEEK

Computer Science Week ran from December 7 - 13. This year more than any other in recent memory we have seen the critical role that technology plays in our lives. During Computer Science week students have been interacting with technology in many different ways. We have been using iPad's, our Sphero robots and our skills in coding to navigate around an obstacle course. This activity, apart from being lots of fun, also develops problem-solving, critical and creative thinking skills.

We have also been using the fantastic website code.org to create amazing musical animations as well as designing and coding our very own playable games. At Donburn we don't like to sit back and let the computer or iPad tell us what to do, we tell the technology what to do! So we don't need to ask Google or Siri we can just ask one of Donburn PS student software engineers!
