ISSUE 8

Dear Parents/Carers

Welcome back to Term 3.

We are very excited to welcome our international students. I'm sure all your children have mentioned the new friends in their class. The international students are with us for around 2 to 8 weeks. It is a wonderful opportunity for our students to learn about other cultures and for the overseas students to experience life in an Australian school.

For the next 2 terms Caitlin Wightman will be working as teacher support and student welfare leader. Matt Dickins has taken over in her Year 6 class.

Parent teacher interviews are coming up on August 1 and the online booking will be open on Friday July 19. This is an opportunity for parents to discuss their child's report and discuss goals for the next semester.

There is a curriculum day planned for August 2. Teachers will be working on School Wide Positive Behaviour Support with Jo Braden, from Health Wellbeing & Specialist Services of the Department of Education.

Students will not be required at school on this day (2 August).

Grant is working hard with students preparing for the production. There is a buzz of excitement around the school. Keep September 17, 18 & 19 free for the performances! More detail will be sent out closer to the date.

Kind regards

Julie

RESPECTFUL RELATIONSHIPS

The statistics in Australia regarding domestic and family violence against women are very alarming, with evidence showing that in many cases young children are witness to this violence. The Royal Commission into Family Violence identified the critical role that schools have in creating a culture of respect to change the story of family violence for future generations. Respectful Relationships is a program made to combat this issue from an early age in schools.

Donburn Primary School is involved in the pilot program of Respectful Relationships implementation, making us one of the 1000 schools in Victoria involved in this important initiative.

The Victorian Government has invested \$21.8 million to support Respectful Relationships in Victorian schools. The Respectful Relationships initiative supports schools to promote and model respect, positive attitudes and behaviours. It teaches our children how to build healthy relationships, resilience and confidence. Curriculum has been developed to support this important Government program. The Resilience, Rights and Respectful Relationship program is a Teaching and Learning component which will be embedded in every classroom, and across the school environment. This is an evidence based program, which highlights the elements of Social and Emotional Learning (SEL) and effective approaches to promoting respectful relationships.

The Respectful Relationships whole-school approach recognises that schools are a workplace where all staff, children, families and visitors should feel equally respected, safe, valued and have equal opportunities. It aims to teach children that no matter their gender, they have equal opportunities. We know that changes in attitudes and behaviours can be achieved when positive attitudes, behaviours and equality are taught and lived across the school community.

At Donburn, we believe that by working together, we can create real and lasting change and help to address gender inequality and prevent family violence in the future.

YEAR 3 / 4 CAMP

On June 19, most of the Year 3s and 4s went on a bus to Camp Manyung. Camp Munyung is found in Mount Eliza. When we got onto the bus a movie started and it was Moana. After what seemed like 10 years, we finally got out off the bus!

When we got there we had to take one piece of luggage to the main hall. Then we had our snack and the camp leaders told us about the Camp Manyung rules.

The activities were tree rolling, UHF radios, flying fox, the giant swing and bush cooking.

The giant swing was 17 metres high. I pulled the rope once but it didn't work and then without warning, I just dropped. Next we went to dinner and we ate potato mash, beans, carrots and meatloaf. After dinner we had Red Faces in the hall. Mr Ryan was one of the judges and he kept giving people a score of 3 and 0.

It was cold and windy, and it rained a lot. The first night in the cabin was terrible because people didn't stop talking and I couldn't sleep, but the second night was great!

On the last day we said bye to Sam and Ellen (the camp staff) and went back to Donburn.

CAMP WAS AWESOME!!

By Justin, Alannah, Nicole, Shiny, Nate and Joey. (40)

YEAR 3 / 4 CAMP AT MANYUNG

From 19 to 21 June, the Year 3s and 4s had camp. It was held at Camp Manyung. There were multiple activities including bush cooking, the giant swing and lots more!

On 19 June, the Year 3s and 4s arrived at camp. When they arrived, they were welcomed by Sam and Ellen (the camp leaders). They found out the front-page winner of the camp booklet. 1st place was Tanvi from 4HS, 2nd place was Grace from 3K, 3rd was Adele from 4H and 4th was Simi from 3V. Later all students got placed into their cabins. Some were in Ragatta House and the rest were in the Main Camp.

Students were then sorted into groups. There were 8 different groups altogether. Once sorted, everyone went to their activities. Each activity went for 1 hour and 30 minutes.

All in all, every single Year 3 and 4 thought camp was amazing, and they are looking forward to camps in the future!

Kris and Adele 4H.

YEAR 3 / 4 CAMP

Camp Highlights!

At Camp Manyung my favourite activity was the GIANT SWING! Last year I went half way up and this year I went to the very top! I felt nervous and excited when I was being pulled up to the top, I felt very UN comfortable. Once I was at the top I was really scared and it took two tries to pull the rope, then it worked. I swung back. I closed my eyes at first, but then opened them and saw some DOLPHINS! Then I let go. It was the best thing ever! That was my favourite activity at Camp Manyung because I beat my fears and enjoyed it!

Tamika 4F

My favourite activity at camp Manyung was definitely tree-rolling! After we got harnessed we started the obstacle course for tree-rolling. It was a bit scary because we were quite high. We had different activities to do, such as, punching bags, see-saw, cheese holes and the octopus string. We had challenges while going through the obstacles, like being blindfolded and walking backwards with a partner. At the end, we go to go on the zip line which was really fun. I hope we go to camp Manyung again!
