28 June 2017

Thursday	29 June	Student Reports accessed through COMPASS only
Friday	30 June	No canteen this day Assembly 2pm End of Term 2 (2:30pm Finish)
Monday	17 July	First day of Term 3
Monday	17 July	"An Absolutely Unreal Deal" tickets on sale
Friday	28 July	Curriculum Day - No school for students
Monday	7 August	Curriculum Day - No school for students
Thursday	24 August	"An Absolutely Unreal Deal"
Friday	25 August	"An Absolutely Unreal Deal" (tickets go on sale term 3)
Wednesday	13 September	Donburn House Athletics Years 3-6
Friday	22 December	Curriculum Day - No school for students

Dear Parents and Guardians

We have had a wonderful few weeks at school with lots happening. Many of you might have seen the Donburn students in a wonderful segment on The Project on Channel 10 on Friday evening. The children were very humorous in deciding what is cool and what is not. Well done to all the children who participated on the day. There is also an article in the Leader Newspaper about our wonderful singing group, Kid Crazy.

Huge congratulations to Vitina and the canteen team for gaining a 5 Star Food Safety award during the week! Vitina works very hard to ensure the canteen runs smoothly. Well done!

On Tuesday we celebrated 'Blue for You' which was an idea formulated by the Junior School Council to help raise awareness for a condition called AADC, which affects Nathan in Year 4. The children were right behind the day, which was capped off by a paper planes competition at lunchtime. A huge thank-you to the students for contributing on the day as this money will go towards vital research into supporting people with this condition.

On Thursday we had another brilliantly run Chomp and Chew. The children were thrilled to be wearing their sporting clothes and were raving about their delicious lunch. A huge thanks to Bronwyn and all the parents who assisted on the day!

Semester Reports will be going live on COMPASS on Thursday afternoon. Please be reminded that reports should be accessed through the web browser. We are sure you will enjoy reading about your child's progress. Parent/Teacher Interviews will be conducted during week 3 of next term. More information on how to book an interview will be sent home week 1 of term 3.

I would also like to take this time to thank Jenny Turpin who has been a wonderful support throughout the last few weeks while Julie has been on leave. Julie is due to return in the second week on Term 3.

On behalf of all the staff at Donburn Primary School, we would like to wish everyone a safe and happy holiday. We look forward to a very productive second semester.

Kind regards

Jarod

'BLUE FOR YOU' DAY

A big thank you to everyone for their support and contributions towards the 'Blue For You' day. Everyone looked brilliant dressed in blue and the students enjoyed participating in the blue paper plane competition. Congratulations to Andy, Dereson and Dylan who were the winners of their division.

Well done to the Junior School Council for all the work they put towards organising the event and a special thank you to the Blacker family for donating the blue jellybeans. The winner of the jellybean competition will be announced at assembly this Friday.

Approximately \$650 was raised. All the money raised will go towards research into AADC, a condition which effects Nathan in Year 4.

Thanks you kindly for your support and generous donations,

The Junior School Council

TERM DATES AND CURRICULUM DAYS

CURRICULUM DAYS 2017

- 28 July
- 7 August
- 22 December

Term 3	Monday, 17 July 2017	Friday, 22 September 2017	10 weeks

2018 FOUNDATION ENROLMENTS

Siblings of current Donburn students can now be enrolled for 2018.

Please let the office know via phone or email if you have a child enrolling in 2018

Your child must turn 5 prior to 30 April 2018.

Donburn Primary Ph 9841 8099 or donburn.ps@edumail.vic.gov.au

GARDEN CLUB

Exciting times in the garden last week. We were busy thinning carrots and picking broccoli ready to cook something delicious with this week. We were also hard at work harvesting sunflower seeds, pulling out all the tiny black seeds from the head of the stems! Lots of fun was had digging in our new digging patch too!

Caitlin Wightman

GROWING FOOD FOR THOSE IN NEED

Last week, Anne, from the Salvation Army in Doncaster East, gratefully received two huge bags of very fresh lettuce leaves and silverbeet from our raised vegetable gardens. The vegetables were given to families in need as part of the Salvation Army's food bank program.

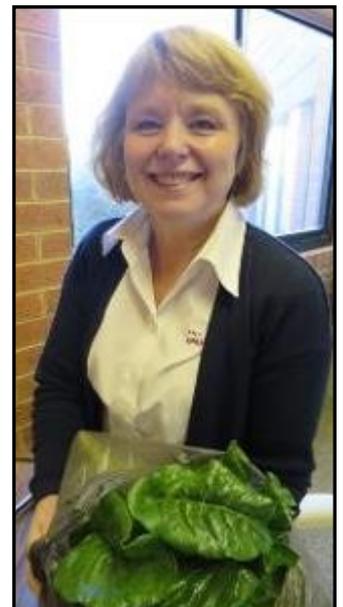

Donburn is part of the Doncare Schools' Food Network. The Lord Mayor's Charitable Fund and Manningham Council funded our raised vegetable beds and schools are partnered with one of six food banks in the region to provide fresh produce to families in need.

Many thanks to the Gardening Club for taking such good care of the vegetables! Stay tuned to see what we grow next!

Ashleigh Walker

Our lovely lettuces and silverbeet prior to harvesting.

Anne from the Salvation Army

YEARS 3/4 AT CAMP MANYUNG

On Wednesday June 7th until Friday June 9th the Year 3 and Year 4 students from Donburn Primary went to Camp Manyung. We needed three buses to get us all there. When we got there, the Manyung staff introduced themselves and talked to us about where everything was.

We were soon allowed to make our way to our rooms and we unpacked our bags and chose the beds we wanted. We were put into groups and the activities began. We were all in different groups. Some of the group names were Dolphin, Shark, Penguin, Turtle, Whale and lots more.

In all, there were eight activities. They were Tree Rolling, Bush Cooking, Flying Fox, Geo Caching, UHF Radios, Giant Swing, Bike Education and Initiatives. At night, we did a Night Walk and Red Faces.

We had an amazing time at our very first school camp, the weather was great and all the activities were so much fun.

Thank you to all the Donburn Staff, dads, mums, grandmother and Manyung Staff who helped to make it a great camp.

By 3R

Camp Manyung was an awesome experience. At camp, one of our favourite activities was Red Faces. It was a stage performance where you tried to impress the judges and audience with your act. Michael G from Year 4 came first. Another fantastic activity at camp was the Giant Swing. It was 18-metres high! Most of the class thought it was scary at first, but found it really awesome after they did it. We loved Camp Manyung.

By 3J

Camp was absolutely awesome! We had the most spectacular time doing lots of cool activities. We loved the 18m Giant Swing even though it was a little terrifying! Geo Caching was an interesting activity. We got to use a GPS to find lots of treasure around camp. The best thing about camp was Red Faces because our faces were red from laughing! The food was delicious too. We can't wait to go next year.

By 3W

YEARS 3/4 AT CAMP MANYUNG

Tree Rolling

Tree rolling is a universal course that tests your skills and abilities. On the second turn, we went blind-folded or backwards. When you're doing tree rolling, you have a harness on. Tree rolling has a whole lot of different obstacles. Tree rolling had punching bags, seesaw, squid legs and cheese holes. At the end of the tree rolling course there is a little zip line that was like the Flying Fox.

Josh R, Emmi K, Luke H, J.P. R and Malcom P 40

Tree Rolling

Tree rolling was one of the best activities! It was so high we could nearly touch the sky! We started with the punching bags and then moved on to the see-saw. When we walked on it, the end dropped and it gave us a scare! After that, we went through the seaweed alien fingers. We then ate our way through the cheese bridge. Next we went blind-folded. We had a guide so we didn't fall off. Then, lastly, we went on the mini zip line!! The zip line was like the flying fox, only shorter and more fun!

Tree Rolling Rocks!

Alina M, Izzy T, Luke B and Dylan K.

Initiatives

Initiatives was held by Katherine and Miss O'Reilly. Initiatives had two characters, Wendy and Neville. All the students had to swing across the broken bridge. Next was Simon's spider web, where we all had to help each other avoid the sticky black web. Students then asked the chooks, "Do you know where Neville is?" We asked the camp worker if he had found Neville. He replied, "Yes." We had to do many activities in order to find Neville. We found Neville on the floor next to the office.

James E and Will D 4G

Initiatives

In initiatives our goal was to find the sea slug toy named Neville. His best friend was Wendy the seahorse. To find Neville we had to complete a series of challenges. One was we had to swing across the broken bridge, get everyone through a spiders web and the name of the spider was Simon. Another one was get a tennis ball across a path of pipes to get to a bucket. We also had to get across a 'swamp' with ropes and wood. Last but not least, two people had to get people across a fallen tree without touching the floor. It was so much fun!

Jamie B, Mackenzie C, Sophie P and Tara I 4O.

YEARS 3/4 AT CAMP MANYUNG

Bike Education

Bike Education was tough but fun. We learnt how to use mountain bikes including braking, gears and how to ride a bike. The students who couldn't ride at first, mastered it by the end. Firstly, we practised using the brakes and gears. We went on a course around Camp Manyung. When we were riding our bikes, there were hard up hills and easy downhill parts. In the bush there were lots of roots, trees and a few people crashed into bushes. Overall, camp was great fun!!

Harrison S and Dylan. H 4G

Flying Fox

The Flying Fox is a downhill 120 metre ride. We needed a harness on so we didn't fall off! The words to describe the Flying Fox are flying forward, epic, killer fun and super fast! It was an extremely awesome experience! Best Ride EVER!

Sam M, Ryan L and Ilia P 4F

Flying Fox

The flying fox is an amazing activity that is fast and has a fantastic view. It swings amongst the forest. You have to put on a harness as well as wear a helmet to go on the ride. There's a ladder that you need to climb and safety clips to clip you on. When you are on the Flying Fox you can see different activities like the giant swing. The flying fox is like a normal swing but faster and more fun.

Leo S, Jessie L and Daniella 4G

YEARS 3/4 AT CAMP MANYUNG

Giant swing!

It's fun to be on the Giant Swing. You can go as high as you want on the swing. You have a great view so that meant you could see the whales! That's because it is 18 metres high! We had a great time when we were on the swing. The after feeling is AMAZING! It is very high but still cool.

Rose, Ashleigh, Seth and Damon 4O

Giant Swing

The giant swing at Camp Manyung was an eighteen-metre-tall swing. You were strapped onto a harness and were raised up by a group of students pulling a rope. When you felt comfortable you would tell the students to stop pulling the rope. You would then pull a small rope and be released and swing up high.

Trent M 4G

Giant Swing

At Camp Manyung we went on the Giant Swing. It was really fun and scary! The Giant Swing was 18 metres high. We put on a harness, safety glasses and a helmet. You could see the sea from the very top of the swing. There was a lot of wildlife around. We even spotted a whale! When you got off the swing your legs and feet felt like wobbly jelly! It was high flying FUN!

George V, Will P, Conrad L, Marie J and Izzy M 4F

YEARS 3/4 AT CAMP MANYUNG

Bush Cooking

At Camp Manyung one of our activities was Bush Cooking, where we cooked damper and toasted marshmallows. The ingredients in the damper were flour, water and flavouring if you desired. Damper tasted like bread and some people added a spread on their bread. At the end, we toasted marshmallows and it was delicious!!

Ashley L, Abby D, Melody L, Ayden. H, and Mitchell W 4G

Damper

We made damper with water and flour. We squished the damper onto a stick and cooked it over the warm fire. You could put butter, jam, Vegemite or honey on the damper. Then we had fun cooking some marshmallows. Some people's marshmallows caught fire and they went black! Damper making was a delicious feast!

Gilbert Z, Zack G, Xavier E and Jared W. 4F

YEARS 3/4 AT CAMP MANYUNG

GeoCaching

On the 7th of June, the Year 3 and 4's went to Camp Manyung.

One of the activities we did was GeoCaching. GeoCaching is all about using GPS' to locate the small wooden treasure boxes. There were 15 boxes to find. Inside each box was something different, like: dice, sticks, marbles, soldiers, letters and fake money. We had to work as a group of three or four. We had to try to find all the treasure boxes. It really was 'Treasures Galore!'

Caroline C, Hannah C and Averlie P 4F

Tree Rolling

Tree Rolling is an obstacle course going from tree to tree testing your skills and ego. The obstacles are punching bags, seesaw, jellyfish maze, split platform, cheese holes and a mini zip line. The second time you had a go you were blind-folded with someone guiding you. You wore a harness that strapped to a line above. The fourth time was the best because we went on the mini zip line.

Kosta A and Sam M 4G

Red Faces

Red Faces is when you perform a play, song or dance at camp, to an audience. Stazi and I performed a song called 'Islands of Oceans'. It was lots of fun performing in front of the Year 3 and 4 students. We both sang really well and we came second. We were extremely proud of ourselves, as we both scored two 10's and one 7. We both tried hard and achieved our best possible goal. Yay!!!

Stazi D and Tanvi 4G

YEARS 3/4 AT CAMP MANYUNG

Bike ED

Bike ED is when kids learn how to ride bikes. At bike ED we learnt how to brake and to change the gears on a bike. We also learnt how to control a bike. We got to ride on an off road dirt track. There were three different parts of the track, they were up hill, flat and downhill. A couple of people crashed. We had lots of fun at bike ED.

Thomas H, Matt L, Aakash D, Joel B, Seungbin S, Erin L. 40

Bike Ed

First, we got our bikes and fitted our helmet to keep our head safe. Next, we headed down to the basketball courts to get ready to practise our bike riding. In addition, we started doing laps around the basketball court about five times. We were shown how to change gears, which meant we could ride in our favourite gear. Moving on we did some weaving through some cones and coming to a complete halt. Then, using the skills that we had learnt we rode up and down hills to test our skills. Finally, some of us finished by going on a bike ride around the camp! Bike riding was great!

Bridget H, Joshua A, Aaron Z and Samantha H 4F

WOORABINDA CAMP

The First day

On the first day of camp, we stopped at a paddock. We were split up in to four coloured groups. In my group (orange), I only knew three people from Donburn and heaps of people from different schools. We walked into the bush and we had to collect sticks to cook our food. We were shown how to make a fire. We had to collect more sticks and someone in our group lit the fire. We made our own lunches. Sausages, potato, pumpkin, carrot and seasoning wrapped in foil and cooked in the coals of the fire. It was the best first day of a camp.

By Erica and Carla

The Night Activities

We stayed at Woorabinda for four nights. On the first night, we had tabloids and everyone had to fill out a 'Who Am I?' sheet. On the second night, we had the disco and everyone had fun while they were dancing and playing games. The third night was a night hike. We found many animals, including a tawny-frogmouth and some possums. The last night was campfire night. There were 5 groups, red, orange, green, blue and rainbow. Each group got a box with a script and materials for a skit. After a bit of practicing, everyone performed their skit. Blue group was the funniest. Afterwards we had smoores and in the marshmallow, there was beetroot juice. Everyone had a great time at Woorabinda.

By Mia D and Miah B

Narracan Safari

The Narracan Safari was canoeing. Firstly, we learned how to paddle before we got into our canoes. We saw a lot of wildlife. Someone parked in the wrong place and got stuck in the mud. Everyone got very muddy! We learnt about the trash that campers threw in the water. Someone even found a vacuum cleaner's nozzle and a glass bottle. We had learnt so much while canoeing on Lake Narracan. Woorabinda was the BEST!

By Amelie and Demi

The Farm

When we were on our way to the farm, we were all excited to meet the animals. Firstly, we met the cows named Daisy and Treasure. Later we saw the llama she was called Snow White. Afterwards we had fruit for afternoon snack. Then we were split into two groups, one of the groups handled little chicks and ducklings. The other group picked up all of the animals' poo. The farm was amazing!

By Adriel and Sam R

WOORABINDA CAMP

Archery and Art Activities

In Archery, the teachers helped us use the bow properly. If you were lucky, you could compete in a mini competition against the other group. Then we did Art. It was a lot of fun because we got to make friendship bracelets, paper turtles and mandalas and listened to some music while we did it.

By Connor and Dave

High ropes course

The high ropes course is so cool!

It was quite different to all the other activities and many people pushed their limits to finish the course. The start was probably the most interesting part of it because you walk off a platform and a cord takes you up like a zip-line!

By Ewan.H (Zach.H was here in spirit!)

The Quest

On the last day we did an activity called the Quest. Each group was divided into 3 smaller groups. The Marines had to canoe to get granny's secret recipe pouches. The Early Settlers had to plant a tree and build two fires. The Hunters and Gatherers got to do archery and hunt. When everyone was together, we got to open granny's secret recipe which was to make a cup of tea. After Zayn tasted it he said a mystery word. Ours was "an inferno of blandness". After Zayn tasted the tea we got to eat lunch which was a roasted potato with cheese, salad and coleslaw. In the end, Green group won the Quest, even though they left Elvin behind. Camp Woorabinda was so much fun!

By Tahlia

Environmental Studies

Environmental Studies was one of our favourite activities on the whole camp. It was awesome that we could handle reptiles like the Shingleback Lizard named Fluffy. They were fun to handle and very interesting. There was another Shingleback who was named Harriet, but she needed to sleep until June 30th. We loved the activity.

By Clancy and Rocco

Zip lining

At Camp Woorabinda, one of the amazing activities was the zip line. There were full body harnesses. We were split up in to pairs. The pairs helped each other put the harnesses on. The pairs went down the zip line together. We got three goes. You could do whatever you wanted to do. You could race each other. IT WAS SO MUCH FUN. GO WOORABINDA.

By Oliver P and Edmund

PE / SPORT AT DONBURN

INTER SCHOOL WINTER SPORTS

SPORTS DATES

18 July

Years 3/4 Hoop Time

20 July

Years 5/6 Hoop Time

1 August

Girls Football - Regional

13 September

Yrs 3-6 School Athletics

19 September

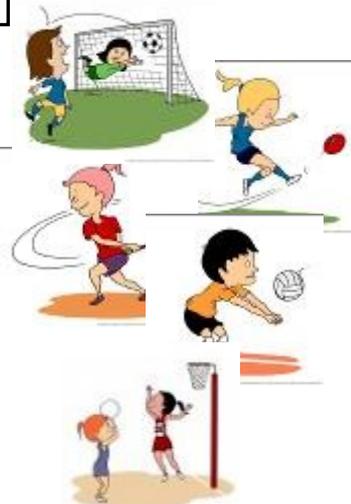

District Athletics

The second winter sport round robin was held last week. The Girls netball team played in the Grand final and won 11 – 4 and now will compete in the Manningham Division Finals early next term. The Mixed netball team played in the Grand final but lost 2 -11 and the Soccer A team competed in the semi-final but were defeated 0-3.

Anna Papamichael - PE Teacher

Other results were:

SPORT	WINS	LOSSES	DRAWS
Boys Soccer A	2	1	1
Boys Soccer B	0	3	1
Girls Soccer	2	1	2
Girls Netball A	3	0	0
Girls Netball B	2	2	0

Girls Volleyball	0	2	0
Boys/Mixed Volleyball	1	0	1
Football	1	2	0
Girls Teeball	0	6	0
Boys Teeball	2	3	0

McDonald's Basketball Hoop Time Competition

Our school has entered the Hoop Time Basketball competition that is run by Basketball Victoria, early in Term 3. Basketball Victoria runs three different levels of competition to ensure all children have a fair go:- 'All-stars', 'Future Stars' and 'Rookies'. Both 'Future stars' and 'Rookies' teams are mixed.

Trials for these teams are currently being held during lunch times and sport sessions and teams will be finalised by the end of the term. Traditionally, the amount of interest far exceeds the number of places available. After the 'All-Stars' teams are finalised, the other teams are filled by interested Year 6 students for the Year 5/6 competition and Year 4 students for the Year 3/4 competition. If there are any remaining spots, Year 5 and Year 3 students are then randomly selected. Some students may miss out this year but will get their opportunity next year. If your child does miss out it is a great opportunity to talk about resilience with them. Please see me if you have any questions or concerns.

The competition days will be held at the Nunawading basketball stadium the first week back after the holidays on the following days:

Year 3/4 - Tuesday, 18 July Year 5/6 - Thursday, 20 July

CROSS COUNTRY RESULTS

Congratulations and well done to all the children who participated in Manningham Division Cross Country which was held at Yarra Valley Racecourse on Tuesday, 13 June. From that day, Mia D ran 5th and Amelie 12th (11 girls) and earned the right to compete at the Eastern Metropolitan Regional Cross Country. They both performed admirably last Tuesday finishing 25th for Mia and Amelie 73rd.

News Update 9, 2017

'Cyber-Safety Corner'

Computer Updates

Updates are incredibly important to your computers health for a number of reasons. These include:

- Solving problems with software - No software runs at an optimal speed all the time. Often the creator makes improvements that can be accessed via updates.
- Ensuring safety with communication platforms, like email - Updates make sure that all of your communication platforms are secure and that information cannot be accessed by unwanted third parties.
- Some software needs regular updates. Performing updates ensures that all software is kept up do date and safe from the latest virus or security issues.

Although updates often seem like a hassle. It is vital that we resist putting it off, and click the 'update' button. Think of it as a way of keeping your computer healthy!

Created especially for Parents:

There's a wealth of information for parents located at the website below. It's full of great tips and advice. The picture below is directly from this site:

<https://www.esafety.gov.au/education-resources/iparent>

The picture on the right give parents some valuable tips for keeping their children safe whilst using devices on the internet.

Jeremiah Juric and Robyn Fraser

Junior eSmart News.....

Making Updates for Computer Safety

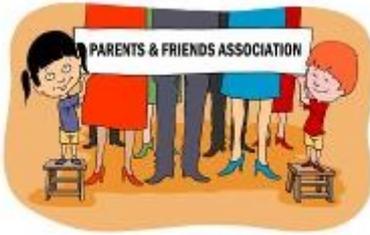

When you are on a computer, after starting it up you may see a pop up that says 'update available'. It is important to update your computer since it allows the computer to run smoothly and minimises the chance of viruses attacking your computer. Updating your computer also means there is less chance of your computer glitching.

Another way of making sure you are safe when on the computer is to check for a padlock on the screen when accessing websites. This generally means that the website is safe to browse.

PARENTS & FRIENDS COMMITTEE NEWS

CADBURY CHOCOLATE DRIVE

Money, along with any unsold chocolates, is due back to school by Friday 21 July.

The chocolates each sell for \$1. Please ensure that you return the money you've raised with your child's name and class clearly marked on the envelope, so we can be sure to mark your family off. If you have unsold chocolates, please return them to school as soon as you can, as we have families who will be happy to sell extra chocolates.

We will have extra boxes available to sell, and there will be a prize for the family that sells the most chocolates. Please drop by the office to collect another box if you're able to sell extra.

P & F thanks all participating families for their generous donations and support of the 2017 Chocolate Drive.

Monday 21 July
CHOCOLATE DRIVE
Money due back to the school office.

THANKS FOR THE CHOMP 'N 'CHEW

Another successful Chomp 'n Chew was held last Thursday. It was great to see the children arrive at school representing such a variety of sports including basketball, netball, football, soccer and hockey. Without the help and support of around 15 parents leading up to and on the day and the grade 6 class who helped out on the day, such an event is not possible. So thanks again to all those who helped. The students certainly enjoyed the day.

AN ABSOLUTELY UNREAL DEAL

Tickets for Donburn's performance, "An Absolutely Unreal Deal", go on sale in the first week of term 3.

Performance Dates:

Thursday 24 August

Friday 25 August"

SECOND HAND UNIFORM UPDATE

When donating items please ensure they are in good, clean condition. Dirty, stained and damaged clothing will no longer be accepted.

VOLUNTEERS PLEASE!

Please watch this space for jobs which need to be done around the school. We need your help to get these done. The jobs may be large or small but the majority of them will only take up a small amount of your time.

SCHOOL BANKING VOLUNTEER NEEDED

1 HOUR
PER
WEEK

Calling for volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires volunteers to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Tuesday

If you are interested in volunteering for this great program, please fill in the tear off section below and return it to the office. OR email your details to donburn.ps.edumail.vic.gov.au or just let the office know.

Yes, I would like to help with School Banking!

CHICKEN SITTERS NEEDED PLEASE

15
MINUTES
IN THE
HOLIDAYS

Once again we are looking for CHICKEN SITTERS

Every day over the July school holidays.(July 1 to 16)

- Check on the chickens' food and water. Collect eggs
- Clean the coop (twice a week)

Apply at the office. There is a roster at the office and details of what needs to be done. Please leave your phone number and we'll have details of keys and what to do. (Please note phone numbers will be given to all volunteers.)

CANTEEN

1 - 3
HOURS
PER TERM

Canteen (Monday, Wednesday and Friday) is a vital resource to our school and a great way to make friends with other members of the Donburn community. *Huge thanks to Kirsten Fry* for filling in when I need help. Canteen days are only possible with volunteer helpers.

Please contact me if you have any questions or would like to volunteer for 2017. Vitina Bakker: Mobile no. 0434 140 739

SICK BAY ROSTER

15
MINUTES
PER TERM

A clean bed is greatly appreciated by children who need to rest and recover in the sick bay.

Thank you to these parents washing the sick bay bedding. Please contact the office if you would like to be added to the roster.

Looking for your people to wash in Term 3 please.
