ISSUE 2

Dear Parents/Carers

Monday was a very exciting time in the Foundation area with all the new students arriving dressed in their school uniforms eagerly looking forward to starting school. The Foundation students have settled in well and are working beautifully.

The Year 3-6 swimming program has been very smooth. The feedback has been positive from the pool and the students are looking forward to the House Swimming Carnival at Aquarena. This is always a fun day with the children racing against one another. There are events suitable for swimmers and non-swimmers.

Please remember:

- The school day begins at 9.00 am. It is important that students are at school and settled in their classrooms by 9.00 am.
- Also morning drop off should not be prior to 8.45 am. The playground is not supervised until 8.45 am and classrooms will be open at that time.
- Please be mindful of our students when driving to school in the mornings and afternoons. There are clear traffic guidelines sign posted. There should be no parking in the staff car parks. Common sense and care should be taken at all times. Our children are very precious!

We are still looking for a volunteer to help run our uniform shop. The commitment is a couple of hours either at drop off or pick up time once a fortnight. If you are available please contact the office.

Kind regards

Julie

WORKING WITH CHILDREN CHECK / CHILD SAFE

The Victorian Government is committed to the safety and wellbeing of all children and young people. As part of the Victorian Government's commitment to implementing the recommendations of the Betrayal of Trust report, which found that more must be done to prevent and respond to child abuse in our community, there is a new regulatory landscape surrounding child safety, underpinned by the new PROTECT Child Safe Standards.

At Donburn, we are confident that all Child Safe standards are being met and that all children are safe and cared for. In line with the Child Safe practices, all volunteers within the school, including parents who are assisting, must have a current Working with Children Check. This procedure is to ensure all children are safe.

To obtain a **Working with Children** card please go to <http://www.workingwithchildren.vic.gov.au/>

Upon receiving your card please provide the office with a photocopy before commencing any work with children.

For any more information please feel free to contact either Julie or myself.

SUSTAINABILITY AT DONBURN

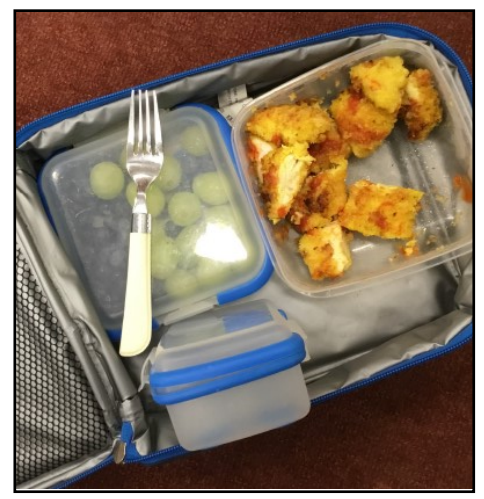

Hello everyone, we have started the year with a positive attitude towards sustainability having kicked off our new initiative, Nude Food Tuesdays. Nude Food is food without excess packaging, allowing Donburn to reduce the amount of plastic within the school environment and is a great step in the right direction towards reducing waste. We recommend using durable and reusable containers for school lunches which will also help us minimise waste. We have had great success with each class contributing to this great environmental challenge. See progress photos below. In the meantime, if you're unsure of what's recyclable here's a chart to get you started.

Did you know? Australians use up to 10 million plastic bags every day (4 billion every year!)

If you have any suggestions or questions, please contact the office to speak to Nicole. I would love to hear any clever sustainable hacks you've currently implemented at home so that we too can trial them here at Donburn.

YEARS 3 - 6 SWIMMING PROGRAM

3R at Swimming

All Year levels from Year 3 to 6 have been going swimming from Wednesday 30 January until Friday 8 February. We will have 8 days of the Swimming Program.

Every year level go swimming at different times during the morning.

The Year 3 students leave Donburn at 12:15pm and our swimming lesson starts at 12:45pm. We go to Aquarena Swimming Pool for our lessons and we are split into 7 groups.

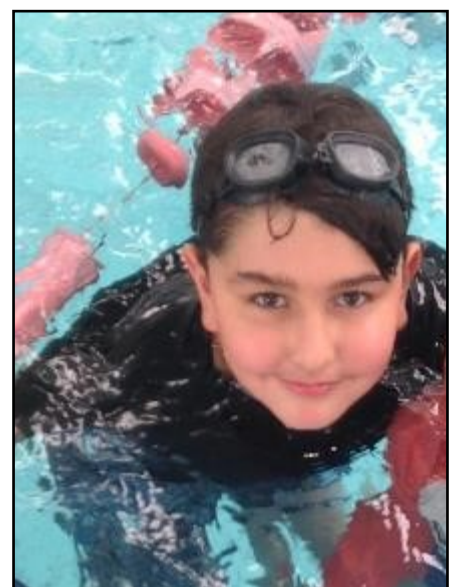

In our groups, we learn all about Water Safety and we also learn lots of different strokes, such as Backstroke, Freestyle, Breaststroke and Survival Backstroke.

Swimming is lots of fun and we can't wait until the last day which is Fun Day, when we will go on the water slides and on the jumping castle.

We also can't wait for our very first Swimming Carnival, next Wednesday at the Aquarena outside pool.

We hope you can all come and watch us swim our best at the Donburn Carnival.

YEARS 3 - 6 SWIMMING PROGRAM

Year 3K at Swimming

In the first two weeks of the year, all of the Year 3's did a swimming program at Aquarena in Templestowe Lower.

We got there by bus and were split into groups.

Some of the skills we were taught were freestyle, backstroke, butterfly, stingray dive, mushroom float, survival backstroke, dolphin kick, soldier kick and how to enter the pool safely.

This Friday, we will do some fun activities and we can't wait! We hope there is an inflatable obstacle course!

By Year 3K

Year 3V at Swimming

Term 1 kicked off with a splash in 3V. We travelled to Aquarena Aquatic and Leisure Centre every day from 30 January until 8 February with all the Year 3 students. We learnt some exciting swimming techniques including survival backstroke, dolphin kick, freestyle, torpedo and how to scissor kick! We couldn't have done this without our wonderful swimming teachers Holly and Maggie. Thank you also to the parents who showed their wonderful support during swimming.

Our Junior eSmart team have been extremely active this term. They have worked in liaison with School Council to establish a mobile phone policy for Donburn. The students were excited to help and contributed lots of great insight and input to this policy. Junior eSmarters have also assisted with including this information in the updated Student User Agreement, which will be distributed early in 2019!

Thank you to the Junior eSmart team with their help in discussing this with their classes and contributing to the discussions within our meetings!

Regards, Robyn Fraser.
