ISSUE 3

Dear Parents/Carers

Thank you to the parents for attending the Parent Information Evening last week. It was well attended and the feedback from parents was that they valued the presentations from the teachers outlining their plans for 2019. This is a wonderful opportunity to cement the partnership between home and school for the benefit of our children. Information booklets were available on the evening and teachers should have sent a copy of the booklet home to parents unable to attend.

Tonight, we will have parent teacher interviews. These interviews give parents an opportunity to discuss their child and any important information they wish the class teacher to know. Teachers will talk about how the children have settled into the school year and the student's personal goals.

There was much celebration on Friday 22 February as we welcomed the Chinese Youth Society of Melbourne into the school as they performed for Chinese New Year. The students were fully engaged and thoroughly enjoyed the experience.

We would like to welcome Lisa Sampson and Veena Somaya to School Council. They begin their roles at the first meeting of the new council in March. We are still looking for someone who would be interested in the role of Parents and Friends President. The Parents and Friends committee have planned lots of events for the year with many individuals already putting their hands up to coordinate each event. Please give me a call if you are interested, knowing that the former President, Michelle is prepared to support the incumbent president.

We look forward to having Julie back from her leave next week.

Kind regards

Jarod

A very warm welcome to 2019 to all Donburn families, with an extra special welcome to those students and families who are new to our school. I hope that all students have settled well into their new classrooms and their new routines and we look forward to a productive and enjoyable Term 1. School Council met for the first meeting of the year on Monday 18 February, with plenty to discuss.

Dept Education Major Building Project

It has been an absolute pleasure to wander down the corridor and into the newly renovated Foundation classroom areas and new toilet block. The building works have produced a fabulous light filled environment which is bright, open plan and provides play areas for the students. The toilets have finally received their much needed renovation and look amazing. If you have not had the opportunity to go and have a look at the outcome, I strongly advise you to do so!

There are some minor works continuing (including completion of the access area at the front of the main building), however these are anticipated to be completed in the near future.

School Wide Positive Behaviour Support (SWPBS) Program

Donburn Primary School is very excited to be participating in the SWPBS Program. This is a program auspiced by the Dept of Education and Training and is based upon the principle that improving students wellbeing at school can substantially improve their social and emotional outcomes.

It is a whole-school framework which provides the school with an approach to promote improved behaviour at their school and provide the school with a structured method and processes to improve behaviour. There will be an upcoming parent information session to provide you with further information. Date to be advised.

Parents and Friends Fundraising

The P&F committee and all parent helpers to an absolutely AMAZING job of raising funds for the school and running activities that all students love to be involved in. For the 2018 year, the P&F raised a total of \$24, 579... this is an OUSTANDING achievement! One hundred percent of these funds go directly back into the school and are used for purchasing equipment and resources for all students (eg technology and equipment upgrade).

A very big thankyou to Michelle Chryssafis and her team of helpers – you do an incredible job!!

School Council Membership

Our February meeting was the final meeting for some of our school councillors. I would like to take the opportunity to express my gratitude to Michelle Chryssafis for her outstanding contribution to school council – you have been a pleasure to work with and your presence on council will be sorely missed.

Donburn Primary School Annual General Meeting

I would like to invite every member of the Donburn community to attend our upcoming AGM – scheduled for Monday 18 March at 6.30pm – 7.00pm. It is a great chance to meet your school council members and to also hear about the progress and future direction of the school.

Kind Regards,

Caitlyn Green - School Council President - 0425 757 832

CHINESE YOUTH SOCIETY OF MELBOURNE

Donburn students would like to thank the members of the Chinese Youth Society of Melbourne (CYSM) who came to our school to do a special presentation for us to enjoy and learn more about Chinese New Year celebrations. It was fabulous!

The lion is a symbol of power, wisdom and good fortune. It was very noisy when the lion entered the hall, to the sound of huge drums, gongs and symbols being played. This extremely loud noise is to scare away the beast and often fireworks are also let off. The lion weaved its way to the stage to the excitement of the students and upon finding a lettuce, tore it apart, throwing pieces into the audience. This is considered good fortune if you caught any. At the end of the performance we were amazed to see that one of the performers was Madison from Foundation AE. Another lucky student Lily received an orange in the shape of a pig, which represents wealth.

SWIMMING CARNIVAL YEARS 3, 4, 5 AND 6

Two weeks ago we held our annual swimming carnival for all Year 3-6 students. Final results were: Buffalo 423 points, Kosciusko 391 points; Hotham 376 points; Oberon 315 points.

A huge thank you to all the parents who assisted with on the day as officials to ensure the carnival ran smoothly.

The school team consisting of 35 children was selected from the fastest 50m swimming times. Last Thursday, these children represented Donburn in the District Swimming Carnival . All competitors performed admirably, placing our school a credible third out of the eight in the Doncaster District. Final results were: Doncaster Gardens & Templestowe Valley equal first on 184 points, Donburn 181 points, Doncaster 152 points, St. Gregs 134 points, St Charles 73 points, Donvale 6 points and St Kevins 2 points.

A special congratulations to Thomas H, Bridget H (Year 6), Tyler L (Year 5), Nate B and Lily Y (Year 4) who are competing at the Manningham Division next Monday in individual events. Also to the 12 year boys relay team (Thomas, JP, Joel B and Aaron Z) and who progressed to the next level. A fantastic effort!

Thank you to also to Teresa Li and Elena Yu who assisted at the District carnival and to all the many parents who supported and cheered on our students!

Well Done to the 9/10 boys relay team (Tyler Li, Nate B, James H and Campbell C) and Thomas H who all progressed to the Eastern Metropolitan Regional Carnival on 15 March. Good luck, we wish you well.

SWIMMING CARNIVAL YEARS 3, 4, 5 AND 6

On Wednesday 13 February the Year 3 to 6s participated in the swimming carnival in the outdoor pool at Aquarena. We all sat down in our house colours and cheered as we waited for our races to start. The races were freestyle, backstroke, breaststroke, butterfly, kickboard/noodle races and relays. We could participate in the 25m races or the 50m races. We all tried our hardest and everyone did a really good job.

In the end Buffalo won the most points at the carnival and Kosciuszko came second. Congratulations and well done to all the students who went to compete at the District carnival.

Good job everyone who participated and thanks to all the staff and parent helpers for giving us a fun filled day!

SUMMER SPORT

Our Year 5 and 6 students will be competing in the first round robin on Thursday, 7 March. Most matches begin at 9:40am and are being played at the following venues:-

Rounders at Rieschiecks Reserve

Softball at Doncaster Oval (Leeds St)

Cricket at Donvale Reserve

Basketball at Bulleen Basketball stadium

Hot Shots Tennis at St Kevin's PS

Parents are most welcome to come and support the children. Please let us know ASAP if you can assist with managing a team as we have a lot more teams this year with the large number of students in Years 5 and 6.

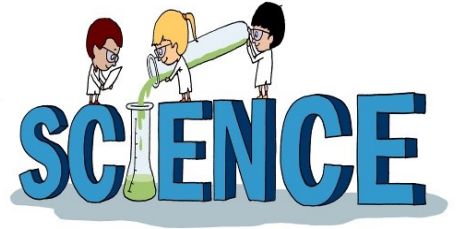

YEARS FOUNDATION TO 6 SCIENCE TALENT SEARCH

DESTINATION MOON!!!

The Science Talent Search is on again for 2019! The theme for this year is Destination Moon: more missions, more science.

I will be running a meeting for students who are interested in the Science Talent Search later this term but in the mean-time if you want to find out more, please have a look at the Science Talent Search website found at:

<http://www.sciencevictoria.com.au/sts/forStudentParent.html>

The closing date for entries will be in May and although that seems like ages away, it is great to start thinking of ideas and brainstorming now!

The Science Talent Search is run by the Science Teachers' Association of Victoria. It is open to students from Foundation to Year 6 and involves students completing a project in their own time at home. There are a number of different categories in the competition and students should choose one of the following sections to focus on: Creative Writing; Posters/Scientific Wallcharts; Working Models; Inventions; Experimental research; Videos; Games; Computer Programs or Science Photography. There are set topics for Creative Writing and Posters/Scientific Wallcharts sections only and further details can be found on the website. Last year we had a number of winners of bursary awards and all students found it a very positive experience.

Please come and see me if you have any questions. I look forward to meeting with lots of students later in March. Start thinking about 'Destination Moon'!

YEARS FOUNDATION AND THEIR BUDDIES

GYMBUS PICNIC

On Friday 8 February, Donburn hosted the annual Foundation welcome picnic. The event was a fantastic opportunity for new families to connect with other families and staff members in the school community. The new Foundation students and their Year 6 buddies had a wonderful time playing in the Gymbus. The students had so many positive things to say about the lovely evening and all the Foundation students keep asking when the Gymbus is coming back to school!

EARLY ACT AT DONBURN

On 18 February, a special visitor came to Donburn Primary School to see our EarlyAct committee. Her name was Stephanie Urchick, from the Rotary Club of Houston, Texas. Donburn was lucky enough that we were one school out of 6 to have Stephanie visit.

On the day, we had a conference in the staff room. Kathy Monley and Russell Gurney from Rotary were also there to support our ideas. Some of the things we talked about were the three committees of EarlyAct and our latest projects. Some of these include the Doncare food drive, the Wheelchairs for Kids and an ongoing project of a bike shed. There were many other ideas such as to raise money to help fight Polio disease and to buy school supplies for overseas students who don't have any. Stephanie also helped inspire us to become involved in bigger projects.

We all loved Stephanie's visit, and hopes she enjoyed her time in Australia.

| * Noah B, Campbell C and Jyn Yi T 4F | * Leo S and Ken X 6J |

Abigail Koh and Robyn Fraser

Introducing our eSmart Captains - Alina and Dylan

Hi to all! My name is Dylan and I'm your eSmart Captain along with Alina for 2019.

This year I look forward to working with the eSmart reps and teachers. We hope to make Donburn a safe place online; and everywhere else as well.

If you were wondering, the student eSmart user agreement will be out soon and this year, the new '*Mobile phone policy*' will also be a part of the agreement. This can be read on the Donburn website under policies.

Our next eSmart meeting is in the library at 1:40pm on Wednesday March 13. See you then.

By Dylan K - 6C.

Hi everyone, my name is Alina and I am going to be Donburn's eSmart captain for this year. I am really excited to be working with the rest of the committee and I am ready to ensure that our school stays internet safe. I will be there for you whenever you need help.

By Alina M - 6J

Please be on the 'lookout' for our 'Student User Agreement' for 2019 to come home soon. Please discuss this with you child to ensure they fully understand what is expected of them as we aim to ensure competent 'Global Citizens'.

The Student user agreements will need to be returned to school signed, before your child will be able to access ICT whilst in class.

Thank you for assisting us to educate informed 'Junior Global Citizens'!

YEAR 6'S GO TO LA-PORCHETTA

On Tuesday 19 February all Year 6s walked from Donburn P.S to Tunstall Square La-Porchetta. We could smell the amazing smell of heavenly hot chips and pizza while we waited to be seated. We walked in past the kitchen where we saw all different types of dishes. Starters, mains and desserts. It made our tummies rumble as we all found a seat next to our friends. Before long, the pizza, drinks and chips were placed on every table.

You could hear people laughing their heads off and all the pizza crunching. It was the best moment of our lives. When all the pizza was gone and our glasses were empty and everyone was full, it was time to go back to school. We strolled out thanking the staff and chattering about the wonderful food. We walked back to school thinking about the amazing lunch we had enjoyed.

TRAFFIC SAFETY AT DONBURN

At Donburn we value the safety of our students. We have 453 students from 350 families and vehicle traffic near our school has increased at drop-off and pick-up times. Parents and carers, please ensure you park your car with care and consideration of students, their families and our neighbours.

Please **DO NOT** park across driveways or in the teacher carparks in Pine Way or Colchester Drive.

Take note of the **parking restrictions** in the local streets to avoid fines. You may have to park further along the street and walk up to the school to drop-off or pick-up students. Please use the paths instead of walking across the carparks with your children, for safety.

As a reminder, restrictions are defined below, as taken from the VicRoads website.

Thank you for your cooperation to ensure that everyone is safe.

Beth McInnes - The Active Travel Committee

No Parking signs

If there is a 'No Parking' sign, you can stop for 2 minutes in that area:

- if you are picking up or dropping off passengers or goods
- if you stay within 3 metres of your vehicle.

If you stop in, or partly in, an area showing a No Parking sign and you are not picking up or dropping off passengers or goods, you are considered to be parked and can be fined. This is the case even if you stay with your vehicle.

This applies at the 'Kiss and Go' areas on Colchester Drive and Aintree Avenue.

No Stopping signs

If there is a 'no stopping' sign, you are **not allowed** to stop or park your car in, or partly in, that area for any reason.

Dropping off or picking up passengers or goods in a 'no stopping' area is **not** permitted..

Permit zone

Only vehicles displaying a valid permit (issued by the relevant authority) can park or stop in a permit zone.

Azalea Avenue is a Permit Zone. Do not park in this street.

TRAFFIC SAFETY AT DONBURN

Kiss & Go
signs on
Colchester
Drive

PLEASE NOTE :

There is **NO U-TURN** when
you leave the
'Kiss & Go' area
(see circle, right).

There are 5 parking bays marked
'Kiss & Go' on Colchester Drive outside
the school.

You can park between the signs **for 2
minutes only** and you must stay with
your car.

This is useful for morning drop-offs. The
children should leave the car from the
passenger side.

If students take longer than 2 minutes
to come to the car at pick-up, **you must
move your car** from the 'Kiss & Go' area
and park further along the street, taking
note of parking restrictions.

**PLEASE HELP ALL OUR
STUDENTS STAY SAFE**

Kiss & Go zone Understanding the rules

**Kiss & Go zones are for your child's safety, your
convenience and to minimise congestion and confusion.**

Kiss & Go rules

- Kiss & Go zones and 'No Parking' zones operate under the same conditions.
- You may stop to drop off or pick up children for a maximum of **2 minutes**.
- Driver must remain in or within 3 meters of the vehicle.
- Zone applies only during the hours of operation stated on the No Parking Sign.

Remember...

- **Do not leave your vehicle**
To assist with traffic flow, drivers should remain in the car whilst children get in and out.
- **Be timely**
If your child does not get in or out of the vehicle within 2 minutes you must leave and re-enter the Kiss & Go zone.
- **Stay in sequence**
Drop off or pick up your child close to the top of the zone, allowing vehicles following you to enter the zone in an orderly manner.
- **Child safety**
Please ensure children get in or out of the vehicle on the kerb side. The back seat is the safest seat for children to travel in, regardless of the make of the vehicle. Ensure children have their restraints securely fastened before driving off.
- **No U-turns**
Do not do U-turn in busy school zones. They are dangerous and put children at risk.

**Kiss & Go Zones need cooperation to ensure the safety of
all children. Please drive carefully around school zones.**

STUDENTS WITH SEVERE FOOD ALLERGIES - ALERT

Dear Parents/ Guardians,

We have students at Donburn with severe food allergies to peanuts and nuts. Due to the severity of these allergies to nuts, we are asking that you be mindful of this when sending food into the classroom.

If you decide to send in treats for birthday celebrations, please notify the teacher in advance, and send in healthy, peanut, tree-nut free treats.

We appreciate your cooperation in keeping our students safe!

If you'd like to discuss this matter further please come and see me.

PARENTS AND FRIENDS EVENTS

Dimbura
Parents & Friends
Association

The Parents and Friends Committee held their first meeting and AGM on Friday 22 February and it was wonderful to see a number a new faces attend. I am pleased to report that we raised just short of \$25,000 for 2018, which goes straight into our children's education. A tremendous effort by the team and school community.

Unfortunately, the positions of President and Vice President remain vacant and nominations are still welcome. If you are interested in either role, please see Julie or myself and we can have a chat. As President, you are required to head the monthly meetings (generally held on a Friday morning in the school staffroom) and report twice a term to School Council, all the time being supported completely by fellow members of P&F. Thank you to Sathya Pethu who will be our Secretary and to Reena Mori & Sherly Wong who will be sharing the role of Treasurer.

The P&F are happy to note that we are still moving forward with events and thank our members for their time and organisation. Events will be announced via Compass or flyers as they are due.

It is never too late to join the committee or assist in events. Pre-schoolers are very welcome at most events and for new families, it is a wonderful way to meet other parents.

Regards, Michelle Chryssafis - P & F Member

"Mother's Day stall preparations have started already.

A big thank you to all the mums that came last Friday and to help with the preparations for the stall.

It was great to see lots of new faces and everyone's help was wonderful.

Hope to see you all when the products arrive and packaging day.

Thanks, Erika (P&F)

Peaceful Kids

"Peaceful Kids" is a Mindfulness and Positive Psychology based program to lessen anxiety and stress and increase resilience in children.

This program is for primary-school children who suffer from anxiety (does not need to be diagnosed) and gives children the skills, practice and support to utilise coping strategies that lessen the symptoms of anxiety and stress.

This program helps children to build their emotional resilience so they are better equipped to deal with the day to day stresses that life brings them.
