6 November 2019 ISSUE 13

Dear Parents/Carers

Congratulations to the students below on receiving awards at the Science Talent Search. The boys were presented with bursaries at La Trobe University last week and Jarod Ryan proudly attend this event. Ashleigh Walker, the Science Talent Quest coordinator has a report in this newsletter.

Oscar S 4O Isabella T 6J Joshua A 6J Arlo S 2P	Major Bursary (Rock It: Build It) Major Bursary (Lunar Space Adventures) Major Bursary (Beyond the Event Horizon- A Model of a Black Hole) Major Bursary (Destination Space- Moon Buggy)
Aarush K 4H Anastasia S 1A Lilly M 1A Sienna M 3V & Mila P 3V	Minor Bursary (Moon Science) Minor Bursary (Destination Moon: Foiled Again) Minor Bursary (Walking on the Moon) Minor Bursary (Blasting Off to the Moon)
Luca S 3R Aaron Z 6M	Distinction (Mission to the Moon) Distinction (Race to the Moon)

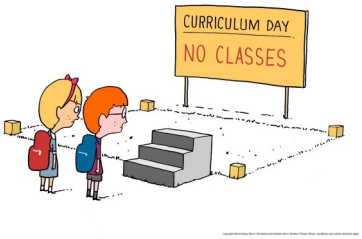
Congratulations to all the students who competed at the Regional Athletics on 17 October, there is a report in this edition outlining the students' successes!

Also it is getting to the busy social time of the year. Teachers are commenting on students coming to school tired and requiring more sleep. For optimal learning it is important that students come to school well rested and prepared for the challenges of the day! Please ensure that your children are getting 10 – 12 hours sleep per night. There is more information in the newsletter about the importance of sleep!

THE DONBURNIAN

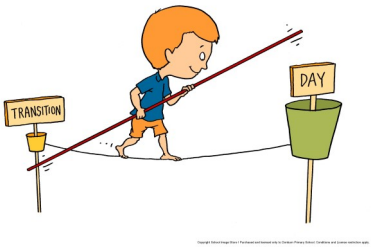
Donburn Primary School

As I mentioned in the previous newsletter we are making our plans for 2020 and would appreciate families emailing the office at donburn.ps@edumail.vic.gov.au if they are not planning to return to Donburn in 2020.



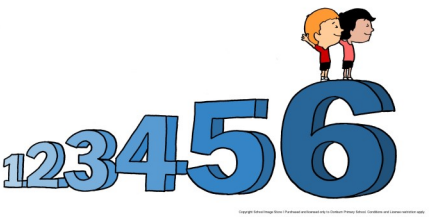
Curriculum Days are planned for Monday, 25 November 2019 and Friday 20 December 2019. Students are not required on these days.

The transition of our new Foundation students for 2020 starts this Friday 8 November at 2.00 pm.



The current Year 5's, 2020 Year 6 students are eagerly awaiting the arrival of the new students and they are looking forward to helping them settle into Donburn School life!

A wonderful learning opportunity for all involved!



Kind regards

Julie

No over counter sales will be available on wet days or hot days.

Wednesday volunteers needed PLEASE contact **Vitina on 0434 140 739.**

IMPORTANCE OF SLEEP AND IMPACT ON LEARNING

Recently we have been alerted to late night communication between students via text and social media, having a detrimental effect on their sleep and consequently their learning.

Below are some helpful tips on creating a strong bedtime routine which leads to better sleep and better overall health.

Jarod Ryan - Assistant Principal

YEAR 6 FOUNDATION BUDDY PRESENTATION

On the 30 October, the Year 6s presented their buddy books to their Foundation buddies. We had 10 weeks to write, prepare and publish our buddy books. We all worked really hard to complete our books, each trying our hardest to finish on time.

By Ella and Tanvi 6J

YEAR 5 ARCHITECTURE PROJECT

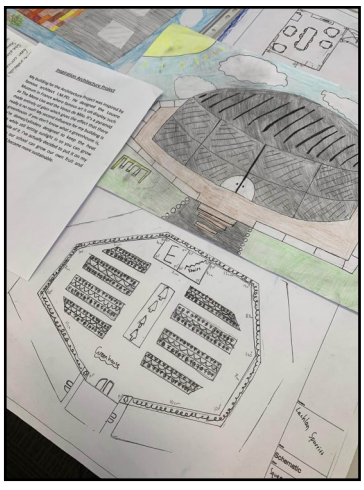
The Year 5s did their Architecture Projects over the course of Term 3 in class. We needed to create another building on the basketball court for 100 more students. Our buildings needed to be sustainable and have both staff and wheelchair access. We had to include toilet facilities for both students and staff, office space for each classroom, bag and storage areas and an outdoor play area. Kylie came in and talked to us about what architects do and explained how to design a building. She showed us some pictures on some buildings she created. These are the steps that we used to create a full project:

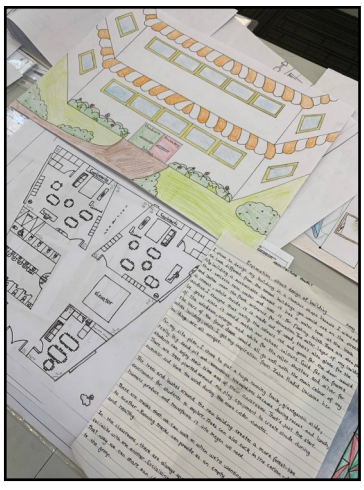
- Design the shape of our buildings
- Design our floor plan and site plan
- Design our 3D external elevations
- Do all the maths (calculate the perimeter and area of both floor plan and site plan, measure the internal angles of our floor plans,)
- Do all the literacy (write a design brief on why you chose to draw your building and what inspired you).

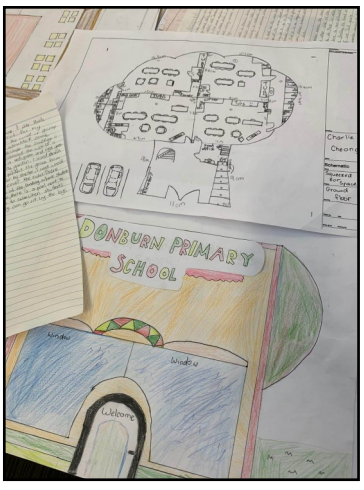
The winners of the Architecture Project were Lachlan S, Atiya A, Chloe F, Allie H, Laura W, Maya D, Anny L, James W, Jannelle L and Charlie C.

A big thanks to Kylie (architect) for giving us inspiration for our buildings. Also a big thanks to Mr Ryan and Mrs Hoskin for judging all our work and all the staff that helped us too. We loved working on our Architecture Projects!

By Anny L, Atiya A and Lachlan S







DONBURN'S 'KID CRAZY' SINGING GROUP VISIT KINDERS

During the year 'Kid Crazy' travelled to many different kindergartens around our area to perform songs and dances in front of the young children.

Everyone put in their full effort during rehearsals and the actual performances. We've all enjoyed dressing up in our onesies and seeing so many smiles on the children's faces as we perform.

We would like to thank our amazing music teacher Grant for giving us this opportunity, we have all had a fantastic time putting the show together.

By Emmi K, Mackenzie C, Xin Ran H, Stazi D, Harrison S, Bridget H, Ava T, Ellie A and Michael G

FANTASTIC RESULTS IN THE SCIENCE TALENT SEARCH

In Term 3 this year, we had a record number of students from Donburn enter the Science Talent Search. The Science Talent Search is run annually by the Science Teachers Association of Victoria and the theme for 2019 was 'Destination Moon: More Missions, More Science.'

We had 21 students, ranging from Foundation to Year 6, complete either a poster, a game, a piece of creative writing, an invention, experimental research, a computer program or a working model. We had entries in nearly all categories and all students who entered should be very proud of their efforts and achievements. We received outstanding results, with all students receiving either a merit, a Distinction, a Minor Bursary or a Major Bursary.

Special mention to the following students who received Minor or Major Bursary awards and attended the Science Talent Search Exhibition and Presentation Day at La Trobe University on 28 October:

Year 1 - Lilly M, Anastasia S

Year 2 - Arlo S

Year 3 - Sienna M, Mila P

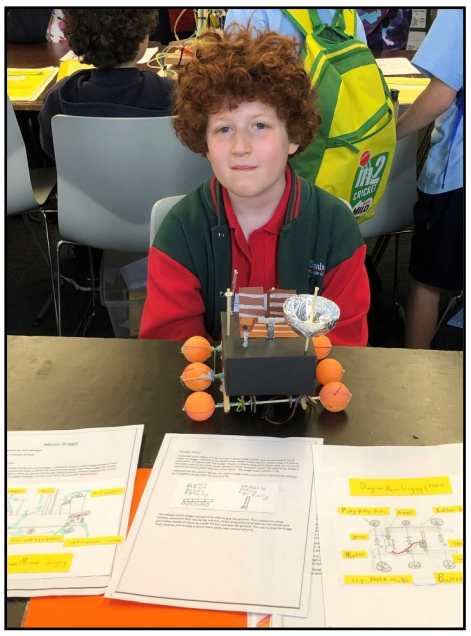
Year 4 - Oscar S, Aarush K

Year 6 - Isabella T, Joshua A

Additional congratulations to Isabella T for her 'Lunar Living Complex' entry in the Inventions Category which has now been entered in the National BHP Foundation Science and Engineering Awards for 2020. Well done Isabella!

Ashleigh Walker

Science Talent Search Co-ordinator

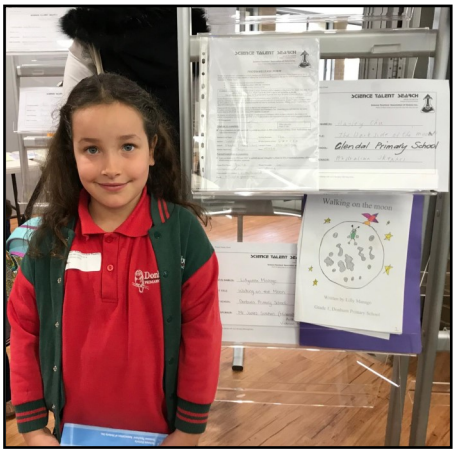


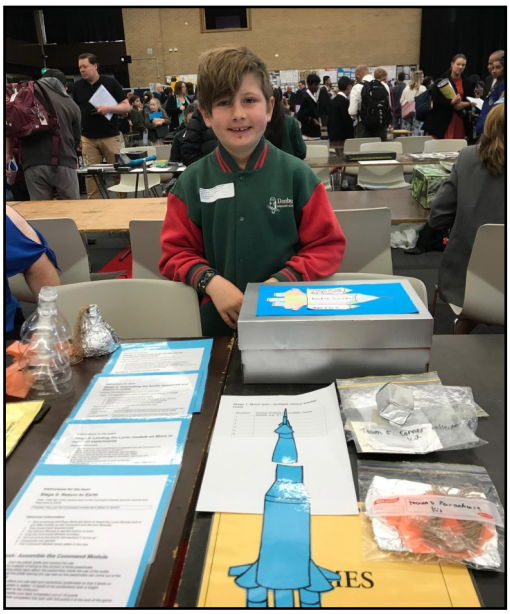
FANTASTIC RESULTS IN THE SCIENCE TALENT SEARCH

The Science Talent Search Presentation Day

On Monday 28 October, nine students went to La Trobe University for the Science Talent Search Exhibition and Presentation Day to get their awards. We received an award for our experimental research entry called, 'Blasting Off to the Moon.' Some students got major awards and some students got minor awards. Every student got a medal and a cheque for the amount of money they won. Lots of different schools from all over Victoria came to participate in this wonderful event. It was a day to remember for us all.

By Mila and Sienna, Year 3





YEAR 6 STALL - THURSDAY 14 NOVEMBER

The Year 6 students are very busy preparing for the Year 6 Stall which will be held on Thursday 14th November.

During lunch time there will be food, games and products for sale ranging from 50c to $5.

See you there!

FOUNDATION SWIMMING SAFETY PROGRAM

For the first three weeks of Term 4, the Foundation students went swimming every Monday, Tuesday and Wednesday afternoon. There were so many highlights, including wearing life jackets, jumping in the deep end, wearing goggles, getting better at different swimming strokes and enjoying the big bus ride! We also loved the fun activities on the last day and felt very proud of ourselves when we were able to swim through the seaweed tunnel or under the big mats. We can't wait to go swimming again when we are in Year 1!

By Foundation AE, AW and MW

YEAR 2 EXCURSION TO HEALSVILLE SANCTUARY

On Tuesday 15 October, Year 2 had an excursion to Healesville Sanctuary. Read on to find some of the highlights of the excursion.

The Vet Hospital

At Healesville Sanctuary, they have a vet hospital, which looks after sick wildlife and the animals that live at the sanctuary. On the day we visited, there was a Tasmanian Devil in the operating theatre. He was getting a skin check for a rash under his front arms. At the same time, they were also checking his teeth. In another room there was a magpie having a bath. They were washing its feathers with morning fresh. In the hospital, there was also the future vet section. We could dress up as a vet or a zookeeper and treat the soft toy animals. You could bandage or wrap up the toys or give them an injection. Aidan gave his dad an injection. Hayley was looking at the x-rays of the turtle, snake, bat and bird. We had a lot of fun in the animal hospital but also enjoyed the rest of the sanctuary. By 2P

Land of Parrots

We went to a giant cage called the Land of Parrots. Green and brown trees and branches were spread around the enclosure and it was filled with colourful birds. They were chirping and squawking everywhere. At the far end, there was a little desk where you could get birdseed and nectar. We held plates with nectar on it, and tiny birds jumped on our plate. It was exciting, but it also made us a little nervous. A big yellow bird landed on Maya's head! The Land of Parrots was one of the most amazing enclosures in Healesville Sanctuary. By Maya, Lily Jean, Rosy and Daniel 2TW

YEAR 2 EXCURSION TO HEALSVILLE SANCTUARY

Spirits of the Sky!

We were all excited to watch the ‘Spirits of the Sky’ show. We heard through speakers a storyteller, who told us the history of the land. Throughout the show we learnt lots of fun facts about birds from the bird keeper. We saw a Black Kite bird that flew really close over our heads. Some children’s hair moved, as it was so close. It pretended to fly away but came back.
A cockatoo named Kevin was talking to the bird keeper. He was very clever because he knew the difference between left and right. Kevin also made the sound of a cat meowing. There was a bird called Milly that cracked open a fake emu egg by using a rock. Next the barn owl did some tricks, such as doing loops over our heads. All the birds were all well trained.

We all thought that the ‘Spirits of the Sky’ show was inspiring, impressive, educational and most of all spectacular. By 2H/S

Celebrating 'Walk To School' month

On Wednesday October 23, students and teachers celebrated 'Walk To School' month by wearing **Crazy Socks** to school.

The socks were amazing!

There were coloured socks, striped socks, spotty socks, odd socks, short socks, long socks and socks decorated with pom poms and eyes!

Congratulations to the winning classes for

The Golden Runner Award 2019

Week 1 - 6M

Week 2 - 5J

Week 3 - 6C

Week 4 – 6J

SUSTAINABILITY AT DONBURN - GARDENING CLUB

Hello families,

Term 4 is now in full swing and our garden is flourishing more than ever. **Garden Club** has been very popular especially with the introduction of warmer weather. Students from all year levels have contributed to helping our garden grow. We have been busy watering, weeding and collecting produce which is now ready to cook and eat.

A special thank you to Kathryn and Dionne for making this possible.

If you would like to help or your children would like to attend, Gardening Club is every Tuesday from 1:40pm – 2:30pm.

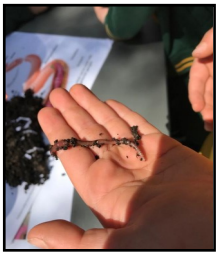
Thank you
The Sustainability Team

SUSTAINABILITY AT DONBURN - GARDENING CLUB

SUSTAINABILITY - CURRAWONG BUSH PARK

Our Sustainability representatives from Years 3-6 were fortunate enough to recently attend Currawong Bush Park along with other local primary schools. We were welcomed by Uncle Bill who performed a spectacular Welcome to Country. Students were split into various groups, getting to know and work with students from the other local schools. Students were immersed in nature all day across different activities such as composting, tree planting and creating solar race cars. Students engaged in critical and creative thinking while at the same time helping our environment. See below for photos of our amazing day out. We are already looking forward to next year's excursion!

Thank you
The Sustainability Team



SUSTAINABILITY - CURRAWONG BUSH PARK

PE AND SPORTS ATHLETICS

Eastern Metropolitan Region Athletics

Our school had 8 students who qualified to compete in the EMR Athletics. Once again, in miserable, windy and freezing conditions the children achieved some good results.

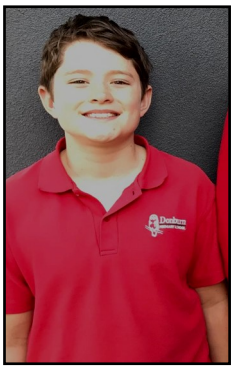
Ava T jumped 1.25m in high jump, as did 7 other competitors, with the winner jumping 1.30m. Ava also jumped 3.59m for long jump coming sixth overall.

Malcom P threw 9.41m in shot put in fourth position.

Chloe F jumped 7.50m in triple jump coming a credible twelfth and Campbell C threw 16.59m in discus, finishing thirteenth.

Our 9/10 year old girls 4x100m relay team (Lilian L, Maya C, Stephy Z & Scarlett K) unfortunately had to run twice as the timer didn't work when they ran the first time. They finished second in their heat both times, however, as it was a timed race with 2 heats, with their time of 1:07.68 they came fifth out of 16 schools.

Congratulations and well done to all students. A great effort in extremely tough conditions!



Year 3/4 Footy Gala Day

Some of our Year 3 and 4 students have chosen to participate in the Footy Gala Day which is on tomorrow at Leeds St Oval. It's a fun day aiming to teach children basic skills and team work.

All parents are welcome to come and watch and support our students.

Anna Papamichael - PE and Sports Teacher

PE AND SPORTS ATHLETICS

T20 Cricket

Our school entered 3 boys and 1 girls teams for the T20 Cricket competition which was held at Donvale Reserve on Thursday 31 October. In extremely hot conditions we had some excellent results with all children displaying great sportsmanship.

A huge thank you to Dionne Dearman who was so kind and thoughtful, buying icy-poles to help cool the children down!

Sophie and I (Ashleigh C) were the captains of the girls team, the Donburn Diamonds. We played 3 rounds with a win and two losses so we played off against Donvale Swifts for the final placing of third and fourth. We won that match, 108 runs to 48 runs so we were third overall. In the final match, Ashley L starred by catching 3 balls. Allie H bowled superbly and I did pretty well with batting, scoring 18 runs in an over. Overall the team played really well with great sportsmanship and ball skills. Sophie P & Ashleigh C

Will D and I (Leo S) captained the A boys team, Donburn Renegades.
We played a total of 3 rounds with a final. We lost against Doncaster Gardens Thunder by 10 runs but won our other 2 matches. So we had a rematch against Thunder for the final. We batted first and all played well scoring heaps of runs. In fielding, Jared W and Joel made some magnificent catches and Jamie did a fantastic throw to run out a player. It was a close match with us only losing by 11 runs. Will D & Leo

PE AND SPORTS ATHLETICS

T20 Cricket

James and I (Aakash) were in charge of the B boys team called Donburn Heat. We won all of our matches to get to the finals. In the final we played against Doncaster Gardens Rockets. They batted first and scored a total of 103 with 25 extra runs for dismissals. We scored 108 with 35 extra runs for dismissals. Josh G batted brilliantly all day and the whole team bowled and fielded really well. We were the champions of the B Team Competition.
James E & Aakash

Moosa and I (Daiwik) were responsible for the C boys team called Donburn Lions. We had two rounds, winning one and losing one. We then played St Greg's Blues and beat them. Everyone played really well together. Karam got three wickets in a row when bowling and Daiwik got 24 runs off two balls! We all were outstanding fielders, with Damon catching 4 balls. We were the champions of the C Boys teams! Moosa & Daiwik

YEAR 2 HOCKEY CLINIC

Wow! Monday 14 October was so much fun because we participated in a hockey clinic. The Doncaster Hockey club came to show us how to play. I actually enjoyed playing hockey more than I thought! We learnt how to hold the stick and some basic skills then we played a game called Hocktopus which is basically ‘Octopus’ which we have played before. We also played Number Hockey. I thought it was fantastic!
Jayden 2HS

On Monday we were lucky enough to participate in a hockey clinic organised by Ms Papamichael. We were shown how to dribble the ball using the stick. My favourite activity was Hocktopus. There were 2 taggers with no ball but just a hockey stick, the other runners had both. The taggers had to take the ball from the runners. It was great fun!
Parmida 2HS

We learnt some new skills during the Year 1/2 Hockey Clinic. We practised how to dribble and passing the ball. I was partners with Brandon. During the last game of Number Hockey, my team won! I was so happy! I had such a wonderful time.
Owen 2HS

We played Number Hockey. It was my favourite because we had to call out numbers then try to get the ball in the goals. I found dribbling the ball tricky because we could only use one side of the stick. It was very fun!
Arlo 2P

YEAR 2 HOCKEY CLINIC

I really enjoyed playing the game Hocktopus because it was very fun but challenging to control the ball. It was pretty complicated to lean over the ball and my back hurt a little bit but I started to get use to it. I really wish I could play hockey again sometime soon.
Sam 2P

I really enjoyed playing hockey and learning new skills. I would really like to have some more spare time to join a hockey team. It really is a fun sport!
Charlotte 2P

The hockey clinic taught us how to hit a hockey ball using a hockey stick, which was tricky. I liked it because we got to do Hocktapus and some other fun things. I feel that hockey is a bit tricky but I think I could practise and get better.
Harlan 2TW

We learnt how to dribble the ball using a hockey stick. They taught us to use the flat side of the stick instead of the round side. We then got given an information sheet on how to join Doncaster Hockey Club, which I thought about but I just don't have enough time on the weekend.
Hamish 2TW

I really liked Hocktopus during the hockey clinic. It was really tricky and got harder as the game progressed. We were able to practise using the stick and keeping control of the ball. I really enjoyed being part of the hockey clinic. Thanks Ms Papamichael for organising it.
Alexis 2TW

YEAR 3/4 HOCKEY CLINIC

Years 3 and 4 had a hockey clinic with two people from the Doncaster Hockey Club. We started off by practising how to do the basics, like how to hold the hockey stick, how to hit the hockey ball and a simple game of Hockey Octopus.

When we didn't really know what to do, the people told us to try and get the hockey ball to the other side of the basketball court. After a few practises we had a quick race. We also learnt how to switch sides of the ball, how to hold the hockey stick and how to stop the hockey ball.

We played hockey octopus by picking 3 taggers and everyone had their own hockey stick and a hockey ball, except for the taggers who just had a stick. The people who weren't taggers tried to get the stick and the ball across the basketball court. When the taggers got the ball the person became seaweed.

After doing everything we got to ask some questions about the 2 hockey players and their life. They were interesting people. We found out a lot more about hockey and the Doncaster Hockey Club. It was challenging for some of the students but for some of them it was easy as cake. Overall everyone enjoyed their experience playing hockey and tried their best.

By Cass, Zoe. D and Zoe. L! 4H

DONBURN'S OWN GOLF CHAMPION

On 24 October Tanvi participated in a primary school golf tournament. It was held at the Craigieburn Golf Course. Tanvi came second with a score of 45, only missing out on first by 1 point. She has qualified to go to Latrobe (her scholarship club) on
11 November.

Good luck Tanvi
