ISSUE 2

Dear Parents/Carers

It has been a busy start to the school year. All the children were very excited about school photos yesterday and the day was very smooth.

The information in the media about coronavirus has made it very clear the importance of personal hygiene. We are reminding the children to wash their hands thoroughly and there is sanitiser and soap available throughout the school.

It is important to remember this at all times and if your child has a cold or temperature please do not send him or her to school. Also if they have gastroenteritis they should not come to school until 24 hours after the symptoms stop. We had some long periods of students being constantly ill last year and coming to school and passing on illness to others. Please do the right thing for your children as well as the other members of the school community.

The Year 6 leaders have been elected. We were very impressed with the quality of their speeches and also the way the Year 3-6 students took the process seriously, listening attentively and considering who to vote for. Ryan Smith, State Member for Warrandyte came to our assembly to present leadership badges to the School Captains, House Captains and Music Captains. Caitlyn Green, School Council President will present the badges to Junior School Council Captains, eSmart Captains, Sustainability Captains, Library Captains, Art Captains, Drama Captains, Chicken Captain and Flag Bearers.

Thank you to Danny Eckhardt, (Archie Year 6) for donating four new chickens. They are settling in very well thanks to TLC from Archie!

The Gymbus night was very well attended. It is lovely to see all the children enjoying playing together giving the parents an opportunity to develop their new friendships. Grant's karaoke was well received.

There was much celebration on 13 February around Chinese New Year with a visit from the Chinese Lion by the Chinese Youth Society of Melbourne. The performance was amazing! A big thank you to Melody Lau for organising this great event!

We had a very enthusiastic Parents and Friends meeting on Friday 6 March 2020 and elected a new committee:

President	Naden DeLuca
Vice President	Lisa Abbey
Treasurer	Wei Liu
Secretary	Monica Riazati-Keshe

The next Parents and Friends meeting will be 13 March at 9.00 am in the staffroom. ALL WELCOME!!!

The elected School Council positions have been finalised. Thank you to the following for nominating:

<i>PARENT REPRESENTATIVES</i>	Wei Liu
	Sanobar Najamul Arefeen

<i>STAFF REPRESENTATIVES</i>	Meika Hubble
	Ashlyn Kent
	Caitlin Wightman

There will be also co-opted members to be announced after the March School Council meeting.

The AGM for School Council will be held at 6.30 pm on Monday 23 March 2020 in the staffroom. All welcome!

Thank you to all the parents for supporting the Parent Information Evening. It was great to see such a good roll up considering the torrential rain and hail we experienced on the evening. Thank you to all the teachers for the planning and preparation for this evening.

Parent Teacher Interviews for Wednesday 11 March 2020 are open on Compass. Please make a booking on line and if you cannot commit to that date contact the class teacher for another time. Jodie Baruta, Year 1B will be attending a professional development next week therefore her interviews will be 23 March 2020.

Kind regards

*Julie*

## FOUNDATION GYMBUS WELCOME PICNIC

The Foundation and Year 6 Gymbus Picnic was held on Friday 21 February. It was a wonderful evening with beautiful weather which was a relief after we were rained out the week before! The night was a great opportunity for the families new to Donburn to meet other families within the school community, as well as the Donburn staff.

The children had a wonderful time playing in the Gymbus, singing songs with Grant and running around with their Year 6 Buddies.

Thank you to everyone who came and made the night such a terrific success.

Ashleigh, Ashlyn & Nicole - Foundation Teachers

## DONBURN PERFORMING ARTS

It has been a great start to the year in the Performing Arts paving the way for much excitement in the months to come. We have a number of performance groups this year and all are already busily rehearsing for their respective shows.

### Kid Crazy

**Kid Crazy** is our infant touring performance group. These nine Year 6 children perform a Wiggles, Hi5 type show to many of the Kinders and preschools around Manningham. All of these very talented children auditioned for the group last year and have been combining dance, voice, drama and story telling in their weekly rehearsals. We are all having so much fun and the little children are going to adore them once we start touring. Well done to Katherine, Emma, Christopher, Chloe F, Zoe R, Jessie, Joe, Gia and Lachie.

### The TVD's

The **Talented Voice of Donburn** have just commenced rehearsing and for the first time it is wonderful to introduce Grace, Lily, Maya, Charlotte X, Charlotte M, Alexis and Daniel as our first Year 3s ever in the group. They will be mentored by Aleisha, Ariana, Richard and Vanessa from Year 6.

These children will put together a variety show that we will take to Gardenvale Primary school later in the year as well schools in our local area. The highlight will be our night time concert in our hall which will be open to the public. The Year 6 children will work with the Year 3s helping them gain both confidence and performance skills.

## DONBURN PERFORMING ARTS

### The Cg's

The Cg's feature 13 children from Year 4 and 5. They have commenced rehearsing an old time show. They will be learning songs and dances from the 1920's through to the 70s that we can take to the Aged Care and Retirement Villages in Manningham.

Songs include the Irving Berlin hit Alexander's Ragtime Band, songs from the musical Showboat through to the Mamas and Papas California Dreamin' plus many more. It is a joy to watch these children with the elderly and these shows always present many memorable moments.

### The Donburn Orchestra

I am so proud to announce the formation of our very first Donburn Orchestra. We so far have 21 members and instruments include keyboards, piano, clarinets, violins, xylophones, glockenspiels and cellos. We rehearse every Monday and our first piece has been the theme from the 'Man From Snowy River' movie. The children are all so talented and the sound they have produced in the first few weeks has been amazing. I can't wait to show them off to everybody. Stay tuned.

### The Senior Choir

Our awesome Senior Choir this year has 73 members and their start to the year has been fantastic. We have some exciting times ahead and we are very busy preparing for them. On March 17<sup>th</sup> we will be travelling to Beverly Hills Primary to perform with both the Beverly Hills and Old Orchard Primary choirs. It will be a fantastic day. A week later on the night of March 25<sup>th</sup> we will celebrate Harmony Day by performing in a special concert organised by former Manningham Mayor, Dot Haynes at the Manningham Municipal

---

## DONBURN PERFORMING ARTS

Offices Ballroom. Our songs will be 'All Over the World' by ELO and 'He Aint Heavy' by the Hollies. We will be joined by many community groups from all over Manningham. It will be an amazing show.

### The Junior Choir

Our Junior Choir has 65 members with 20 Year 1 children making their debuts this year. Already these children are producing a beautiful sound and their never ending enthusiasm is matched by their amazing little voices. So far we have rehearsed 'No Matter What' by Boyzone, Lollipop, a Beatles Medley and the closing song from an almost forgotten Australian TV classic Adventure Island which was written by John Michael Howson. It is going to a fabulous year with this fantastic choir.

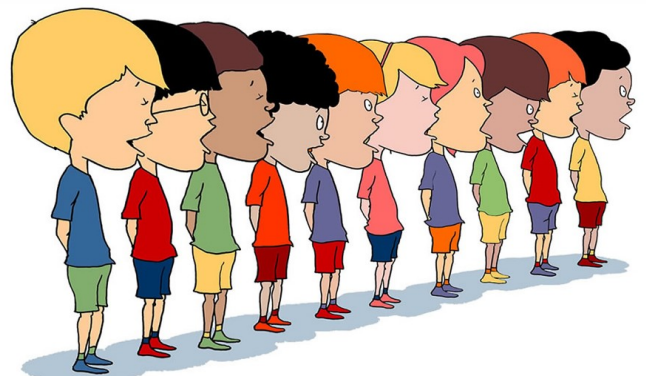

### Assemblies

We have had many requests from children who want to perform at assembly and lunchtimes have been filled with long lines of children wanting to rehearse. We started off the year with Maddy Williams and Chloe Soputro performing 'Dance Monkey' with our brand new wireless head mikes. We have also featured the amazing Abby H with Miley Cyrus's 'The Climb' at our captains award ceremony. There are plenty more eager and enthusiastic stars rehearsing and waiting for their big day.

It is a pleasure to work with such enthusiastic, happy and talented children.

See you at Donburn Show real soon.

Grant Puglia

On 13 February 2020, the Chinese Lion from CYSM (Chinese Youth Society of Melbourne) came to perform a presentation to Donburn Primary School. They performed with the Chinese Lion to bring good luck to us for the year. The Chinese Lion spat cabbage and mandarins at the audience and danced to the cymbals and the drums which provided the beat.

Overall, the Donburnians thoroughly enjoyed the performance!

## FOUNDATION YEAR - HEALTH ASSESSMENT INFORMATION

Cathy Pataki is a visiting primary school nurse from the Department of Education and Training and she will be attending the school on 23 - 25 March, to conduct the Foundation Year health assessments and to see other children as requested by parents or teachers (with parents' consent).

The purpose of the visit is to provide all children in their first year of primary school with the opportunity to have a health assessment; to link children, families and school communities to services available in the community; and to provide information and advice that promotes health and wellbeing.

Parents of students (other than Foundation students) who wish their child to be seen by the school nurse need to complete a Referral form that is available at the school office. This completed Referral form needs to be returned to the school office by 17 March, 2020.

Thank you

## SOMERS CAMP

On February 18 2020, 160 children got together from 10 different schools from around the district community for a massive nine day camp in Hastings.

The 14 Donburn students that attended Somers camp had a great time.

“I made lots of new friends!” said Dakota S.

There were lots of amazing activities such as the challenge swing, high ropes course, surfing, orienteering, indoor archery, flying fox, boating and many more.

“My favourite activity was the flying fox because it felt so cool going really fast in the air with my new made friends!” said Gia A.

“BMX track was my favourite because we were free to go as fast as we wanted” shouted Dereson K.

Each night we did different cool activities like the bush dance where we had to dance with the opposite gender. But the most favourite night for everyone was the Disco night because we got to have a dancing competition. The best Donburn dancers were Dakota S, Dereson K, Matthew H and Brodie W.

Every night there would be a group that would get to see amazing nocturnal animals with the red lights in a giant cage. It was spectacular! The food was great because we had a different meal each day for lunch and dinner “ I loved the dining room food the best part was the fish and chips on Friday” said Matthew

There were a lot of people that unfortunately got homesick but the fantastic visiting teacher helped the sad homesick people cheer up to their bright and cheerful selves.

On the last day people said goodbye to their friends and some even asked for their contact details. Finally we got on the bus, desperate to see our loving families again.

Learning For Living

## CYBER SAFETY PROJECT PARENT EVENT

### Focus: Safe online and social media practices

For children today, growing up digital is a whole new world. Learning safe practices and strategies for maintaining a positive digital reputation starts in the home. It takes a village to raise a child, so understanding what your children are learning at school is crucial in ensuring the messages are consistent and ongoing.

This session aims at providing parents and families with the insights and important information about popular social networking and online gaming platforms for young people today. Building a positive and healthy family environment where digital use is encouraged but managed effectively can be a tough balance. We will discuss ways you can ensure your children stay safe through making use of an application's privacy settings and help them to build positive digital habits through your family's digital user agreement.

### WHAT YOU WILL LEARN

- ✓ Discover the ins and outs of Instagram, YouTube, Snapchat & TikTok
- ✓ Uncover mobile apps and games that can be potentially harmful
- ✓ Explore strategies that foster positive digital experiences for children
- ✓ Discuss ways to manage digital wellbeing for children at home

# TRAFFIC SAFETY AT DONBURN

At Donburn we value the safety of our students. We now have 480 students from 374 families and vehicle traffic near our school has increased at drop-off and pick-up times. Parents and carers, please ensure you park your car with care and consideration of students, their families and our neighbours.

Please **DO NOT** park across driveways or in the teacher carparks in Pine Way or Colchester Drive.

Take note of the **parking restrictions** in the local streets to avoid fines. You may have to park further along the street and walk up to the school to drop-off or pick-up students. Please use the paths

instead of walking across the carparks with your children, for safety.

## No Parking signs

If there is a 'No Parking' sign, you can stop for 2 minutes in that area:

- if you are picking up or dropping off passengers or goods
- if you stay within 3 metres of your vehicle.

If you stop in, or partly in, an area showing a No Parking sign and you are not picking up or dropping off passengers or goods, you are considered to be parked and can be fined. This is the case even if you stay with your vehicle.

**This applies at the 'Kiss and Go' areas on Colchester Drive and Aintree Avenue.**

## No Stopping signs

If there is a 'no stopping' sign, you are **not allowed** to stop or park your car in, or partly in, that area for any reason.

Dropping off or picking up passengers or goods in a 'no stopping' area is **not** permitted.

## Permit zone

Only vehicles displaying a valid permit (issued by the relevant authority) can park or stop in a permit zone.

**Azalea Avenue is a Permit Zone. Do not park in this street.**

# Kiss & Go zone

## Understanding the rules

Kiss & Go zones are for your child's safety, your convenience and to minimise congestion and confusion.

### Kiss & Go rules

- Kiss & Go zones and 'No Parking' zones operate under the same conditions.
- You may stop to drop off or pick up children for a maximum of **2 minutes**.
- Driver must remain in or within 3 meters of the vehicle.
- Zone applies only during the hours of operation stated on the No Parking Sign.

### Remember...

- **Do not leave your vehicle**  
To assist with traffic flow, drivers should remain in the car whilst children get in and out.
- **Be timely**  
If your child does not get in or out of the vehicle within 2 minutes you must leave and re-enter the Kiss & Go zone.
- **Stay in sequence**  
Drop off or pick up your child close to the top of the zone, allowing vehicles following you to enter the zone in an orderly manner.
- **Child safety**  
Please ensure children get in or out of the vehicle on the kerb side. The back seat is the safest seat for children to travel in, regardless of the make of the vehicle. Ensure children have their restraints securely fastened before driving off.
- **No U-turns**  
Do not do U-turn in busy school zones. They are dangerous and put children at risk.

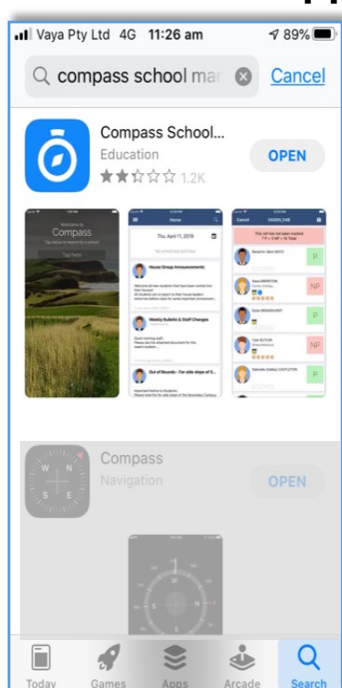

Kiss & Go Zones need cooperation to ensure the safety of all children. Please drive carefully around school zones.
