Donburn Primary School

12 September 2018

Dear Parents and Guardians

Congratulations to the P & F for the fabulous Father's Day event on Saturday September 1. It was a little touch and go with the weather but I think all the people who attended thoroughly enjoyed seeing the different cars, playing with the slot cars and having a bite to eat. Over \$1800.00 was raised.

The Scholastic Book Club which is also organised by the P & F has raised almost \$3000.00 worth of credits and the class teachers have been purchasing lots of books to use in their literacy programs.

On Monday August 27 the whole school participated in a 'Wheel Chairs for Kids' fundraiser day. We raised \$800 which will pay for 4 all-terrain wheel chairs, toys and blankets for children in need overseas. Congratulations to the Donburn EarlyAct Club and thanks to Mark Whitehead and Meika Hubble the EarlyAct facilitators and the members from the Manningham Rotary Club for their support. It was a very worthwhile event!

Welcome back to Donburn Rosanna Bagnato! Rosanna taught here a number of years ago and has returned to work with the Years 5 & 6 classes on public speaking. The students have been very engaged in preparing speeches using Rosanna's tips to speak confidently. I have listened to some of their impromptu speeches and been very impressed. I am looking forward to the Public Speaking Evening on October 18.

The Donburn choir are visiting Beverley Hills PS today to sing to the students at Beverley Hills. Our choir will sing 3 songs, their choir will sing 3 songs and then the two choirs will sing a song together. After this our choir will teach the Beverley Hills' students a song. Thank you to Grant for organising this opportunity.

Tomorrow is the House Athletics Sports. The students from Years 3 - 6 and staff are looking forward to a day at the Tom Kelly Athletics Track in George Street. It is a very full day and we hope to start at 9.30 am. Parents are welcome to come and help or support their students on the day.

A reminder that next Friday September 21 is the last day of the term and the students will be dismissed at 2.30 pm. I hope all students have an opportunity to rest and relax in preparation for a busy Term 4.

Kind regards

Julie

GET READY, GET SET FOR WALK TO SCHOOL 2018

Donburn has joined the hundreds of primary schools across Victoria for a fun month of walking, riding and scooting to and from school. By participating, we have a chance to win some great prizes from VicHealth and Manningham City Council! So every time our local families walk, ride or scoot to and from school during October, you increase our school's chance of winning!

About Walk to School

Every October, VicHealth's **Walk to School** encourages Victorian primary school kids and their families to walk, ride or scoot to and from school every day. It's a great way for the whole family to increase their physical activity level. Plus, it is a chance to enjoy more time with your kids and meet other local families along the way.

Along with the health benefits, it also reduces traffic congestion, saves on parking, helps us connect with family and friends and saves the environment!

Part way is okay! If you can't walk the whole way, why not try parking the car a few blocks from your school and walk, ride or scoot the rest.

Last year, 140,000 kids and their families took part in the program walking the equivalent of two return trips to the moon and with your family's help, we can make 2018 our biggest year yet!

There are so many great reasons to participate in **Walk to School** this October and we're excited to be part of the fun because getting active is even more fun when we do it together in **Term 4!**

LIBRARY NEWS - AUTHOR VISITS

Fantastic Author Visits at Donburn!

Alex Miles visited Donburn and spoke with the Year 3, Year 4, Year 5 and Year 6 students.

Kym Lardener visited Donburn and spoke with the Foundation, Year 1 and Year 2 students.

THANK YOU FOR THE KIND DONATION OF BOOKS

Donation of books Thank you to the Wines, Lazaridis and Nutbean families who have donated some fantastic books to the Donburn Library. Thank you for your kind donation and now many children will enjoy these great titles.

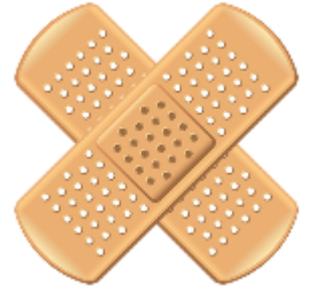

ANDREA ATTENDS AMAZING PROFESSIONAL DEVELOPMENT EVENING

On 6 September I attended a fantastic Reading forum at Kew Primary School Library. It was a great chance to hear about great new books and both accomplished authors David Metzenthen and Michael Wagner spoke about their latest books!

KYM LARDNER VISITS DONBURN

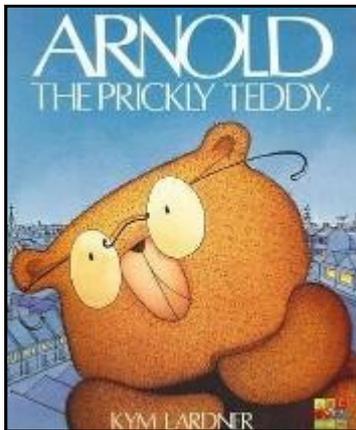

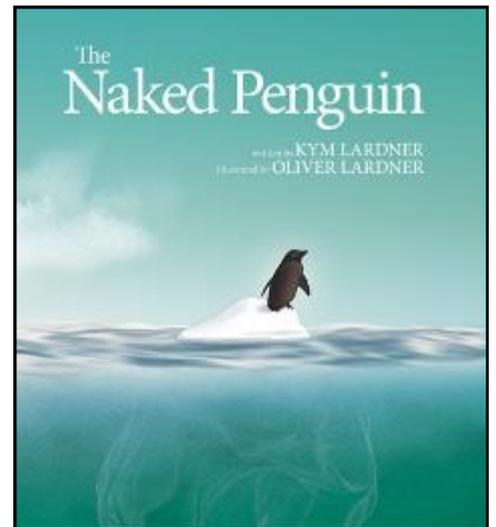

On Thursday 30 August, the author Kym Lardner came to school to visit the Foundation to Year 2 students. Kym is the author of books such as Arnold the Prickly Bear, The Naked Penguin, The Coat Hanger Horse and Bandaid.

He told us some very funny stories and drew pictures for us as he told the stories. He also made up some silly songs which he sang as he played the guitar. The story we liked the most was Bandaid, as he told the story using some very funny voices and made us all laugh a lot. We really enjoyed Kym's visit and it has inspired us to read all of his books that we have in the library.

Thank you to Andrea for organising this incursion for us.

FOUNDATION 'WILD EXPLORERS' AT THE MELBOURNE ZOO

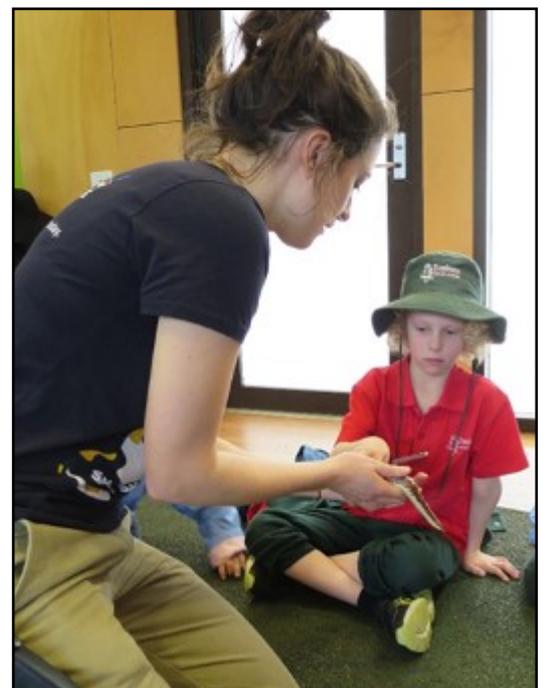

On Thursday September 6 the Foundation students had a wonderful day visiting Melbourne Zoo. We all became 'Wild Explorers' as we learnt about looking up, down and all around to make sure we see everything at the Zoo.

We loved our session with the Zoo educators, especially when we got to touch a real snake and felt how cold it was! We also had great fun using magnifying glasses, binoculars and exploring all the specimens, skulls and lots of other things in the Wild Explorers Garden.

Everyone had a different favourite thing of the day but the Butterfly House, the elephants, the orangutans and the wombats were definitely highlights!

Thank you to all our amazing parent volunteers who came along and helped make the day such a success.

YEARS 5 AND 6 PUBLIC SPEAKING

Growing Voices

Over the last two weeks Mrs Bagnato, a former Donburn teacher who specialises in Public Speaking, came to give two workshops to the Year 5s and 6s. She started off by stating our fears and how to get over them. One of them was forgetting our lines. She said that you don't need to memorise your entire speech word for word. You just need to be confident to deliver your ideas. She also told us to rove the crowd with our eyes.

We got a booklet with lots of fun illustrations like a speech bubble saying "The best way to sound like you know what you're talking about is to know what you are talking about!" We had to pair up and interview a partner and perform it in front of the class. It was really fun! During the second lesson we got a lot of topics to choose from and we had to plan a quick speech. Some people performed theirs in front of the class. We definitely learnt a lot from Mrs Bagnato. We are all more prepared for our speeches and feel more confident to perform at the Public Speaking Evening in October.

WHEEL CHAIRS FOR KIDS FUNDRAISER

On Monday August 27 the whole school participated in a 'Wheel Chairs for Kids' fundraiser day. Every \$200 that we raised would give a child in need overseas an all-terrain wheel chair, a toy and a blanket.

A member from 'Wheel Chairs for Kids' brought 20 wheel chairs to Donburn. For a gold coin donation we could participate in the activities. There were two activities, doing laps around the oval and doing an obstacle course on the basketball court.

Everyone who participated got a yellow 'Wheel Chairs for Kids' hat. At lunchtime, for \$3 we could participate in wheel chair basketball. All the activities were really fun.

In the end we raised \$800, which pays for 4 wheel chairs for children in need overseas. Everyone had a great time raising money for this great cause.

We would like to thank Rotary for organising it and we are looking forward to working with them in the future.

Device Time..... How much time is too much time???

This is an important question to contemplate. There is no definitive correct answer to this question. This is an important matter for parents to decide. Here are some important facts for your consideration as you reflect on your child/ren's amount of device time.

The age, maturity and your family dynamics will all be important factors in this decision.

How will I know how much device time is right????

Too much online time for children can have some or all of the following:

- online activities interfering with general health and wellbeing
- obsession with particular websites or games
- anger when being asked to take a break from online activity
- appearing anxious or irritable when away from the computer
- spending increasing amounts of time online
- a declined interest in social activities like meeting friends or playing sport
- excessive tiredness
- decline in academic performance and failing to complete schoolwork
- seemingly isolated or withdrawn
- reduced personal hygiene
- negative changes in their behaviour ongoing headaches, eye strain and sleep disturbance.

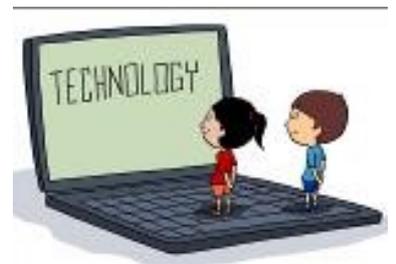

The Australian National Physical Activity and Sedentary behaviours Guidelines suggests the following as a guide:

Under 2 Years: babies and toddlers should not watch any television or any other electronic media.

2 to 5 years: Less than an hour a day is recommended

5 to 17 years: Less than two hours a day is recommended.

The above guidelines **do not** include time for educational purposes.

PARENT AND FRIENDS ASSOCIATION

Hello Donburn families.

Term 3 is nearing its end and the P & F are happy to report we are well underway to securing our Buddy Bench for the students with our fundraising efforts.

Despite the weather keeping some cars and spectators away, the Father's Day Car Show was well attended and a massive thank you must go out to the team of parents who worked tirelessly to get the event off the ground and make it a successful afternoon. Thank you especially to Annie Lyttle for sourcing the cars and entertainment and to Bronwyn Vlachos for her efforts with the silent auction items.

This term ends with a Footy themed Chomp 'n' Chew and I'm sure the children are looking forward to a fun filled day.

We have made a decision to postpone the Spring Party for 2018 so it will not be held in Term 4. However, the Colour Run will be back (Oct 26) and the Christmas Stall will also be held closer to term end. Don't forget there is also still time to book a family portrait via Aver & Line, just in time for Christmas.

Wishing you all a safe and relaxing break.

Regards,

Michelle Chryssafis

Surviving High School (11-13 years)

Entering high school can be as daunting for parents as it is for their child. It is a huge time of change and coupled with the fact that starting high school often coincides with the onset of puberty, it can be quite a roller coaster ride.

During this practical session, Sharon Witt will discuss specific strategies that can be implemented during the transition process into high school to assist young people and their families in this journey.

Sharon Witt has been immersed in the teen world for over two decades in her role as a secondary teacher, author and presenter/motivational speaker to adolescents and their parents around the country as well as being a regular media commentator for TV and radio.

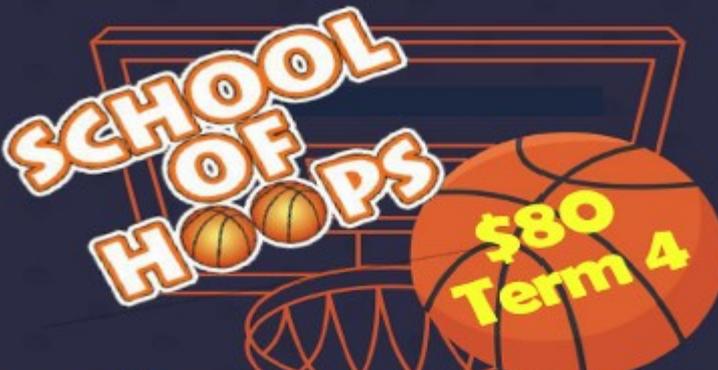

Sharon is the author of 12 books written for young people to help guide them through many issues they face in early years, including the bestselling Teen Talk and the Girlwise and Wiseguys series.
